Prevent Heat Illness — Know the Signs and Act

Summertime can put employees at risk for heat illness. High temperatures and humidity, direct sun or heat, limited air movement, physical exertion, poor physical condition, and some medicines are contributing factors to heat illness.

When the body is unable to cool itself by sweating, heat-induced illness such as heat stress, heat cramps, heat exhaustion, and heat stroke can quickly worsen and eventually cause death. Symptoms range from mild and easily correctable to severe and life-threatening, if not immediately addressed.

Many heat-related deaths are preventable when employees recognize the symptoms and know what to do. Watch out for these signs of heat illness:

- Hot, dry skin or profuse sweating;
- Headaches;
- Confusion or dizziness;
- Nausea or vomiting;
- Rapid pulse;
- Muscle cramps;
- Weakness or fatigue; and
- Rashes.

Employees must immediately notify their supervisor and call 911 if they experience signs of heat-related illness. Employees can also be proactive and beat the heat with these tips:

1. **Hydrate before, during, and after work.** Prevention is important — drink at least 8 ounces of water every 20 minutes.
2. **Dress appropriately for the weather.** On warm days, wear light-colored, loose-fitting, and breathable clothing to keep your body temperature down.
3. **Use the shade to stay cool.** When possible, use shaded areas to stay out of direct sunlight.

DMM Revision: Laminated Card-Type Letter and Postcard

Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) section 201.3.2 states that automation letter- or postcard-priced mailpieces must be "made of paper." Mailers who have established that their laminated card-type letters and postcards are made of paper and not plastic have been eligible to mail those items at automation letter or postcard prices. Those mailers were grandfathered in as stated in the April 6, 2009, *Federal Register* notice (74 FR 15380-15384).

The Postal Service™ will publish a new Customer Support Ruling (CSR), PS-350, *Laminated Card-Type Letter and Postcard*, which will include a matrix of requirements that allow laminated card-type letters or postcards that meet size specifications to receive the applicable automation prices without any testing requirements.

CSR PS-350 will give mailers greater flexibility in designing card-type letters and postcards while increasing customer ease-of-use. Customers who were authorized under the "Grandfather Rule" and whose pieces do not meet the new CSR PS-350 requirements may request an exception to exhaust stock by contacting their local manager, Business Mail Entry.

The Postal Service will publish CSR PS-350 in the next online update of Postal Explorer® at *pe.usps.com*.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at *amps.usps.gov/jy2/frm.htm*.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.
