

Steven Pinnow

We start 2010 with a recap of the November meeting where Steve Pinnow (drove all the way down from Beloit WI) delivered a great lecture on aviation history in the Chicago area from the 1950's to 1970's.

It was interesting to see the changes in aircraft and the airports during that period and reminded some of our members of being taken out to local air fields as kids to watch the planes come-and-go.

Treasures' Report: Checking - \$1,567.17; Savings - \$ 1,534.75; Total - \$ 3,101.92

December 5th saw 20-plus members (some whom we've not seen for a while) and their spouses gathered at the Golden Corral for the annual Holiday Brunch.

As in the brunches over the years, tradition held true as one table appeared to "hog" a lions share of the prizes. We need to figure a better way of mixing the slips of paper – but then again, that table donated more than its fair share of the door prizes
