Superman flying into Post Offices today

The Postal Service is issuing 39-cent *DC Comics Super Heroes* commemorative stamps on July 20 in San Diego, CA.

Carl Herrman of Carlsbad, CA, designed the colorful stamps, featuring Superman, Wonder Woman, Plastic Man, Supergirl and other familiar stars from the world of DC Comics. The super heroes' fantastic adventures provide an escape from the everyday while simultaneously encouraging readers to feel that individuals can make a difference.

These super stamps go on sale nationwide on July 21 in 20 designs in a pressure-sensitive adhesive pane of 20 stamps.

All characters and related elements $^{\text{\tiny M}}$ & DC Comics. SUPER HEROES is a jointly owned trademark.

VOE surveys mailing next week

Voice of the Employee (VOE) surveys are being mailed out next week. If you're among the many Postal Service employees who will receive a VOE survey this quarter, don't forget to complete it and send it back before the deadline. The surveys help the Postal Service identify workplace issues that need to be improved — that's good for employees and for our customers.

Let your voice be heard. Fill out your VOE survey — on the clock.

Completed VOE surveys must be received by August 28.

Scio, NY, Post Office renamed for fallen hero

From left, Rep. Randy Kuhl (R-NY), Scio, NY; Postmaster Karen Kania; and Jason Dunham's parents, Deb and Danny Dunham, unveil the plaque renaming the Post Office.

In April 2004, Marine Corporal Jason Dunham used his body to shield his men from an attacker's grenade in Iraq. He died days later. To remember the sacrifice of this 22-year-old hero, Rep. Randy Kuhl (R-NY) introduced legislation in Congress to rename Dunham's hometown Post Office in his honor. President Bush signed the bill into law in March.

To the almost 500 family members, friends, children and members of the Scio, NY, community who attended the ceremony, it was obvious that Dunham's life, and ultimately his death, made a difference to many. Nearly the entire town, along with government representatives and fellow Marines, attended the Scio renaming ceremony.

Shared Energy Savings will help avoid \$110 million in costs

The Postal Service, through the Shared Energy Savings (SES) program, recently issued ten energy conservation contracts to six companies that will receive a percentage or "share" of the dollar savings from the projects, in return for assuming all implementation costs. The SES suppliers will identify, finance and install energy conservation measures that will help USPS avoid an average of \$11 million a year in energy costs over 10 years — or a total of \$110 million.

The SES suppliers in these contracts are BGA, Chevron, ConEdison Solutions, Energy Services Group, Honeywell and Noresco.

"The Postal Service established the SES contracting mechanism not only to trim energy dollars, but also to

improve energy efficiency," said Supply Management VP Susan Brownell. "This program also was designed to produce environmental benefits and improve facility conditions for employees and customers," she added.

Associate Supervisor Program updated

The Associate Supervisor Program (ASP) is designed to attract, select and train the best possible candidates for first-line supervisory positions. The curriculum was recently updated to cover current Postal Service programs and operations. It also allows candidates to concentrate on specific job areas such as customer service, processing and distribution or Bulk Mail Center operations.

The National Center for Employee Development hosts national ASP sessions at its Norman, OK, campus. Selection of participants for national ASP offerings are completed at the district level, similar to selections for local ASP offerings. On the Postal Service computer network, see the ASP Web site at http://blue.usps.gov/hrisp/ed/asp/welcome.htm. Contact your local ASP coordinator or Lisa Roth for more information.

Developing supervisors not only supports the Strategic Transformation Plan — it helps drive USPS business success.

May financial results released

USPS revenues for May were 1.1%, or \$67 million, over plan, and 11.5% more than May 2005. Expenses for the month were \$114 million, or 1.9%, above plan and 7.7% more than May 2005, resulting in a net loss of \$6.2 million before the escrow allocation. The net deficiency after the escrow allocation is \$256.2 million. For the month, there was one more delivery and business weekday compared with May 2005. Additionally, total mail volume for May increased by 8% compared with same period last year (SPLY).

Revenue through May is 3.8% higher than SPLY and \$411 million above plan, while expenses are 4.4% higher than May 2005 and \$281 million over plan. Year-to-date (YTD) net income before escrow allocation is \$1.65 billion. However, our net deficiency after the escrow allocation is \$354 million.

Total YTD mail volume is 1.3 billion pieces more than SPLY. First-Class Mail volume is 0.6% below last year. Standard Mail and Priority Mail volume are 2.1% and 5.6% above last year, respectively.

Full results are posted on USPS.com at http://www.usps.com/financials/fos/welcome.htm.

Bywater Station re-opens in New Orleans

Left to right, Letter Carrier Miguel Pickney, Retail Associate Diane Sanchez, and Letter Carriers Joe Wilson and Leroy Rogers were ready for business at Bywater Station yesterday. The facility is so close to the water that it was designed with vehicle parking on the roof of the building.

A Post Office in one of New Orleans' most heavily damaged neighborhoods re-opened recently. Bywater Station in the city's Ninth Ward — ZIP Code 70117 — welcomed customers and employees bright and early that morning.

Bywater is near where a levee breached, and the building was flooded with three feet of water after Hurricane Katrina. "Returning to this postal facility in the center of such massive devastation provides tangible, visual evidence of our ironclad commitment to the people of New Orleans," said New Orleans Postmaster Alan Cousin.

Another New Orleans station, Lake Forest, serving ZIP Codes 70127 and 70128, re-opened July 3.

HANDBOOK EL-502 REVISION

CSRS Retirement Guide

Effective July 20, 2006, Handbook EL-502, CSRS Retirement Guide, 233, Annuity Limitation of 80 Percent, is revised to correct erroneous information published in the February 2005 edition. The second paragraph is corrected to state that unused sick leave and voluntary contributions to the Civil Service Retirement System fund may be creditable to provide an annuity above 80 percent of high-3 average salary.

Handbook EL-502. CSRS Retirement Guide

233 Annuity Limitation of 80 Percent

[Revise text to read as follows:]

The maximum possible amount of annuity is 80 percent of high-3 average salary. The 80-percent maximum is attained by a combined total of years of service (civilian and military) of 41 years and 11 months (see 251.12, High-3 Average Pay, for an explanation of a high-3 average salary). Retirement deductions withheld after 41 years and 11

months of service are applied toward payment of deposits or redeposits, with any balance automatically refunded to the employee at the time of retirement. Excess contributions may be used as voluntary contributions to increase annuity or be returned to the employee as a refund. Unused sick leave may be creditable to provide additional annuity above 80 percent. Voluntary contributions made to your CSRS fund may also provide additional annuity.

We will incorporate these revisions into the next printed version of Handbook EL-502 and also into the online update, available on the Postal Service™ PolicyNet Web site:

324.4 Applicants With Disabilities

[Revise 324.4 to read as follows:]

See Chapter 3, Handbook EL-307, *Reasonable Accommodation, An Interactive Process*, for making accommodations for qualified applicants with disabilities.

574 Appointment Decisions

[Revise 574 to read as follows:]

The appointing official ultimately determines whether the applicant will be appointed after careful consideration of the results from the medical assessment, and the applicant's ability to perform the essential functions of the job with or without reasonable accommodation, for which the bona fide job offer was extended. When limitations or risks are identified, appointing officials should verify that the assessment was based on accurate job information and contact the selecting official to determine whether the restrictions would permit performance of the job, with or without reasonable accommodation where appropriate. (For a qualified individual with a disability, the appointing official must follow the interactive process described in Handbook EL-307, Reasonable Accommodation, An Interactive Process, to make the appropriate medical suitability decision.) When the appointing official determines the applicant is medically suitable, with or without reasonable accommodation, the applicant is notified and the appointment made. If the appointing official makes a determination not to appoint because of medical unsuitability, the applicant is advised of this final decision in writing. See Appendix A-7.

714 Selection Definitions and Philosophy

714.1 Definitions Applicable to Selection

[Revise 714.1a to read as follows:]

a. Requirements. The knowledge, skills, abilities, experiences, and physical and other conditions that pertain to a specific position (or duty assignment). Not all these requirements are appropriate for every position; only those types of requirements that an individual needs to successfully perform the duties of the position upon entry are used. Employees fully meet the physical requirements of a position if they are physically able to perform the essential functions of the position, with or without reasonable accommodation where appropriate, and without posing a direct threat of harm to themselves or others. (See

Handbook EL-307, Reasonable Accommodation, An Interactive Process.)

[Add 714.3 to read as follows:]

714.3 Reasonable Accommodations in the Selection Process

Reasonable Accommodation for qualified applicants with disabilities can take many forms. Ones that may be needed during the selection process include (but are not limited to): providing written materials in accessible formats, providing sign language interpreters, ensuring that recruitment, interviews, performance tests, and other components of the process are held in accessible locations, providing or modifying equipment or devices, and adjusting or modifying applications and employment questionnaires. (See Handbook EL-307, *Reasonable Accommodation, An Interactive Process* 334.)

72 Bargaining Positions

727 Bargaining Selection Procedures

[Revise 727 to read as follows:]

The goal of bargaining selection procedures, whether for entry or inservice positions, is to ensure that qualified people are selected to fill the positions. Eligibles selected, promoted, or reassigned at any level must meet all the requirements of the position as stated on the qualification standard, and the vacancy announcement or job posting. Employees fully meet the physical requirements of a position if they are physically able to perform the essential functions of the position, with or without reasonable accommodation where appropriate, and without posing a direct threat of harm to themselves or others. (See Handbook EL-307, Reasonable Accommodation, An Interactive Process.)

Appendix E Legal and Regulatory Requirements

[Revise d to read as follows:]

d. Rehabilitation Act of 1973. The law requires federal employers, including the Postal Service, to establish affirmative action plans for the hiring, placement, and advancement of individuals with disabilities, 29 U.S.C. 791(b). The term qualified individual with a disability is defined at 29 CFR 1630.2(m) as an individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires, and who, with or without reasonable accommodation, can perform the essential functions of such position. The law also prohibits a federal employer from asking an applicant orally or in writing about the applicant's physical fitness until a bona fide job offer is made.

How to Use the Handbook

The Text

* * * * *

[Insert the following paragraph between the first and second paragraphs:]

The words "disabled" and "disability" are found in many statutes, rules, and regulations. They are used by the Department of Labor, the Department of Veterans Affairs, the Equal Employment Opportunity Commission, Office of Personnel Management, and the Social Security Administration, among others. Their meaning, however, differs based on the source statute, rule, or regulation that defines what the word means. For example, an individual "disabled" as defined by the Office of Workers' Compensation Programs statute may not meet the definition of "disabled" under the Rehabilitation Act of 1973. The meaning of these words is controlled by the context in which they are used.

Exhibit 11.9b Pre-reemployment or Reassignment Employee Interview Checklist

* * * * *

[In paragraph 4, change the bullet entitled "Bid Rights' to read as follows:]

■ Bid rights. Reemployed/reassigned individuals may bid on other positions provided they meet the physical requirements of the job. Persons in permanent rehabilitation positions have the same rights to pursue promotional and advancement opportunities as other employees. If a Rehabilitation Program employee is a successful bidder on another position, the employee will no longer be a Rehabilitation Program participant unless the employee's work restrictions continue.

NOTICE

Postal Service Telephone Credit Cards

Use of official telephone credit cards has been declining, possibly because of greater availability of cellular services and decreased availability of public pay telephones. Inventory of telephone credit cards shows that only 4 percent of cardholders used their cards within a 6-month period and 96 percent hadn't used their cards for over a year. To

reduce administrative costs, accounts showing no activity for 12 months will be eliminated effective July 28.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service $\ensuremath{^{\text{\tiny M}}}$ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.

There should be no discoloration around the dollar amounts, which might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at http://www.usps.com/missingmoneyorders/security.htm.

 If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO ZIP Codes are active and

which conditions of mailing apply. Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday-Friday, 0730-1630 ET.

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under "Changes" appear in bold in the APO/FPO Table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office ™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS® Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service ™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

If the poster is displayed, it should be placed on the community bulletin board located in the Post Office ™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS® Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service ™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

UPDATED ANNOUNCEMENT 06-F

2006 Stamps and Postal Stationery

"2006 Stamps and Postal Stationery" (Updated Announcement 06-F, July 2006), which appears on pages 42-44, replaces the quarterly announcement of the same name, previously printed and sent to customers on request through Stamp Fulfillment Services in Kansas City. The announcement is a listing of stamps and postal stationery items scheduled for issuance during calendar year 2006. Post Offices™ may wish to post this schedule on their bulletin boards.

Customers may also access the *Postal Bulletin* through the Postal Service ™ Web site at *www.usps.com*; click on *About USPS & News*, then *Forms & Publications*, then *Postal Bulletin*.

This announcement will be updated every 2 to 3 months, as changes warrant.

How to Order First Day of Issue Postmarks and Covers

Customers may purchase new stamps or postal stationery items at their Post Office, from the *USA Philatelic* catalog, by calling 800-STAMP-24, or online at *www.usps.com* by clicking on *Buy Stamps & Shop*. Then they should prepare their own covers by affixing new stamps to the upper-right corner of envelopes or postcards of their

choice, and address those envelopes, postcards, or postal stationery items to themselves or others. (Postage must equal the current First-Class Mail® rate.) For sturdiness, include a card of postcard thickness in each cover (envelopes only) submitted, and tuck in the flap. Place the cover in a larger envelope addressed to:

NAME OF ISSUE POSTMASTER CITY STATE ZIP CODE (FOLLOWED BY -9991)

Covers submitted for first day of issue postmarks may include additional uncanceled stamps only if the uncanceled stamps were issued before the first day of issue of the new stamps or postal stationery items. All orders must be postmarked on or before the deadline indicated in the "2006 Stamps and Postal Stationery" announcement on pages 42-44.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided, as space permits, are illustrations of those postmarks that were reproducible and available at press time.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event, but who wish to obtain the postmark, may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POST-MARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.
