VOE survey reminder

Remember, completed Voice of the Employee (VOE) surveys must be received by Feb. 21.

If you're among the many Postal Service employees who received a VOE survey this quarter, don't forget to complete it and send it back before the deadline. The surveys help the Postal Service identify workplace issues that need to be improved — and that's good for everyone involved.

Let your voice be heard. Fill out your VOE survey — on the clock.

New postal law — product pricing system

Employees with comments or questions about the new postal law are welcome to send an e-mail to postallaw.QandA@usps.gov.

The facts

The new postal law divides our products into two categories: market-dominant and competitive. Each category will be governed by different rules. The Postal Regulatory Commission will have until June 2008 to develop the rules that guide pricing for each group.

Market-dominant products are First-Class Mail letters, sealed parcels and cards, Periodicals, Standard Mail, single-piece Parcel Post, Media Mail, Bound Printed Matter, Library Mail, Special Services and single-piece international mail.

Competitive products are Priority Mail, expedited mail, bulk Parcel Post and bulk international mail.

The PMG's view

I consider keeping market-dominant product price increases at or below the rate of inflation to be a business imperative. Why? Each and every postal product competes in the marketplace. In the case of letter and flat mail, electronic alternatives are much less expensive than hard copy. The Postal Service must keep prices affordable — in other words at or below inflation — to maintain and grow letter and flat volumes. Rate increases above inflation will drive customers to divert mail to other mediums. We can't afford to allow our prices to grow on average above inflation. And now the new law will make sure that doesn't happen.

We all need to recognize that 90 percent of our revenues are generated by market-dominant products. Our focus has

to be on growing all products — market-dominant *and* competitive products — not just competitive products.

Santa Barbara PDC employees remembered

A memorial was dedicated to honor the six Santa Barbara Processing and Distribution Center (PDC) employees who were shot and killed a year ago by a former employee. The shooter had been separated from the Postal Service two years before.

Some 300 employees, family members and others returned to the scene for the ceremony recently on the anniversary of the killings. The Postal Service planted olive trees in honor of the six victims and placed a plaque bearing their names at the site.

Postal employees release six white doves at a remembrance ceremony for six colleagues murdered a year ago at the Santa Barbara PDC.

Postal employee's work with veterans is self-therapeutic

In 1968, U.S. Army 1st Lt. Lee Alley faced a dilemma not unlike those confronting other Vietnam veterans. He had to find a way to make the conversion from warrior to civilian.

Alley — a custodian at the Wheatland, WY, Post Office and a USPS employee for the past 21 years — needed a release, a way to turn the war off and help him get on with his life. He launched a multi-year mission to renew his relationships with many of the soldiers who served with him in Vietnam. He also reached out to Vietnam veterans he didn't know, providing them assistance and support as best he could.

In 2005, the governor of Wyoming named Alley a member of the state's Veterans' Commission. He also has

Vietnam vet and author Lee Alley. His book, *Back From War*, is a story of his wartime experiences and a guide for today's re-turning veterans.

written a book — *Back From War* — that records his experiences in Vietnam and offers today's returning veterans advice on how to make the difficult conversion from war to peace.

Tax deadline extended to April 17

Taxpayers will get an extra two days, until April 17, to file 2006 returns and pay taxes owed. The Internal Revenue Service announced the two-day reprieve because April 15, the usual tax day, falls on a Sunday this year and April 16 is Emancipation Day, a legal holiday in the District of Columbia.

New prescription benefit

USPS employees with job-related injuries now have a new drug benefit — including a personal card — to use when purchasing medications.

The new workers' compensation benefit replaces out-of-pocket costs for medications purchased before the acceptance of a claim. The benefit also means injured workers don't have to pay for prescriptions even if the Office of Worker Compensation Program denies a claim.

Employees with questions about this new benefit should contact their local Injury Compensation Office or call toll-free 888-297-0822.

USPS helps students send toys to Iraqi kids

Students from Van Sickle and another Springfield, MA, middle school donated more than 3,000 stuffed animals, which U.S. troops will distribute to Iraqi children in hospitals and schools.

Master Sgt. Jose Irizarry, a reservist on an 18-month tour of duty in Iraq, and his wife, the adjustment counselor at Van Sickle, proposed the project. The school soon launched "Operation Stuffed Animal."

Baystate Health, a medical services company headquartered in Springfield, paid the postage to ship the stuffed animals to Iraq.

Springfield, MA, Letter Carrier Paul Jreaswec, Account Manager Mark Salina, Business Service Network Representative Carolyn Privitera, Springfield Postmaster John Steele and Acting Customer Relations Coordinator Gina Feyre made sure the project went smoothly.

HANDBOOK EL-312 REVISION

New Veterans’ Recruitment Appointment Program

Effective February 15, 2007, Handbook EL-312, *Employment and Placement*, is revised to implement the new, noncompetitive Veterans’ Recruitment Appointment (VRA) program based on the Office of Personnel Management’s final rule published in the *Federal Register* and on its Web site. The new program:

- Replaces the VRA program found in section 233.36 in Handbook EL-312.
- Obsoletes the memorandum, “Interim Instructions for Veterans’ Recruitment Appointment,” Employee Resource Management, February 5, 2004.

- Adds a new section on considering VRA applicants eligible for veterans’ preference before applicants who do not have preference.
- Updates Section 233.35, Noncompetitive Appointment of Veteran With 30 Percent or More Disability, that describes another noncompetitive source of recruitment.
- Expands the use of these discretionary programs to the recruitment of applicants for casual and temporary positions as reflected in new section 234.24.

233 Career Recruitment

* * * * *

233.3 External Recruitment Sources

* * * * *

233.35 Noncompetitive Appointment of Veterans With 30 Percent or More Disability

[Revise 233.35 to read as follows:]

Veterans with 30 percent or more service-connected disability are a noncompetitive source of recruitment to fill career and noncareer entry-level positions. This authority must not be used to fill rural carrier associate or career rural carrier vacancies, career positions filled through the Maintenance Selection System, or any data conversion operator position in remote encoding centers. Use of this authority is discretionary; no one is entitled to a 30 percent or more disabled appointment.

[Add new section 233.351 to read as follows:]

233.351 Use of 30 Percent or More Disabled Veterans to Fill Career Positions

A veteran who is 30 percent or more disabled and is currently working as a casual or temporary employee may be considered for noncompetitive conversion to a career vacancy. This authority must not be used to fill career rural carrier vacancies, career positions filled through the Maintenance Selection System, or career data conversion operator positions in remote encoding centers. The veteran with 30 percent or more disabled status must have worked in the temporary appointment for at least 60 days and must meet the qualification requirements of the position, including any currently required examination. Appointing officials may, but are not obligated to, administer examinations noncompetitively, if it is determined that applicants are otherwise suitable candidates. An eligible entrance or noncompetitive rating for the appropriate examination is acceptable.

When a current casual or temporary employee who is 30 percent or more disabled is not available, a former casual or temporary employee or other person who is 30 percent or more disabled may be given a direct career appointment.

[Add new section 233.352 to read as follows:]

233.352 Eligibility for 30 Percent or More Disabled Appointment

The 30 percent authority applies to veterans who either:

- a. Retired from active military service with a disability rating of 30 percent or more, or
- b. Were rated by the Department of Veterans Affairs (VA) as having a compensable service-connected disability of 30 percent or more.

Eligibility for 30 percent or more disability must be determined by verifying the disability percentage and entitlement to veterans' preference prior to giving a job offer.

[Revise 233.36 to read as follows:]

233.36 Noncompetitive Appointment of Veterans' Recruitment Appointment Eligibles

A Veterans' Recruitment Appointment (VRA) is a noncompetitive source of recruitment to fill career and noncareer entry-level positions. This authority must not be used to fill rural carrier associate or career rural carrier vacancies, career positions filled through the Maintenance Selection System, or any data conversion operator position in remote encoding centers. Use of the VRA authority is discretionary; no one is entitled to a VRA appointment.

[Add new section 233.361 to read as follows:]

233.361 Use of VRA Authority to Fill Career Positions

A VRA eligible who is currently working as a casual or temporary employee may be considered for noncompetitive conversion to a career vacancy. The authority may not be used to fill career rural carrier vacancies, positions filled through the Maintenance Selection System, or career data conversion operator positions in remote encoding centers. The VRA eligible must have worked in the temporary appointment for at least 60 days and must meet the qualification requirements of the position, including any currently required examination. Appointing officials may, but are not obligated to, administer examinations noncompetitively, if it is determined that applicants are otherwise suitable candidates. An eligible entrance or noncompetitive rating for the appropriate examination is acceptable.

When a current casual or temporary employee who is a VRA eligible is not available, a former casual or temporary employee or other person who is VRA eligible may be given a direct career appointment. When filling positions restricted to applicants entitled to veterans' preference, VRA eligibles must also meet the requirements for veterans' preference.

[Add new section 233.362 to read as follows:]

233.362 Considering VRA Applicants with Veterans' Preference

VRA eligibles do not necessarily meet the eligibility requirements for veterans' preference. When there is more than one VRA candidate, applicants eligible for VRA with veterans' preference must be considered in group order, as follows:

- a. *Group 1.* Veterans eligible for 10-point preference who have a compensable service-connected disability of 10 percent or more.
- b. *Group 2.* All other veterans eligible for 10-point preference.
- c. *Group 3.* Veterans eligible for 5-point preference.
- d. *Group 4.* Veterans not eligible for veterans' preference.

[Add new section 233.363 to read as follows:]

233.363 Eligibility for a Veterans' Recruitment Appointment

VRA authority applies to veterans who were discharged or released from active duty service in the Armed Forces. To be eligible under this authority, an applicant must be one of the following:

- a. A disabled veteran.
- b. A veteran who served on active duty in the Armed Forces during a war, or in a campaign or expedition for which a campaign badge has been authorized.
- c. A veteran who, while serving on active duty in the Armed Forces, participated in a United States military operation for which an Armed Forces Service Medal was awarded. (The Armed Forces Service Medal was established effective June 1, 1992 under Executive Order 12985 on January 11, 1996.)
- d. A recently separated veteran (eligible only during the 3-year period that began on the veteran's date of discharge or release from active duty).

Eligibility for VRA must be verified prior to giving a job offer.

Note: Not all 5-point preference eligible veterans are eligible for a VRA appointment. For example:

- a. A veteran served during the Vietnam era (for more than 180 consecutive days after January 31, 1955, and before October 15, 1976) but did not (1) receive a service-connected disability, (2) an Armed Forces Service medal, or (3) a campaign or expeditionary

medal. This veteran is entitled to a 5-point veterans' preference, but is not eligible for a VRA appointment.

- b. A veteran served during the Gulf War from August 2, 1990, through January 2, 1992. This veteran is eligible for veterans' preference solely on the basis of that service. However, the veteran's service during that time period, in and of itself, does not confer VRA eligibility. In addition, the veteran must meet one of the four VRA eligibility criteria listed above.

* * * * *

234 Noncareer Recruitment

* * * * *

234.2 Specific Rules

* * * * *

[Add new section 234.24 to read as follows:]

234.24 Use of 30 Percent Disabled Veteran and Veterans' Recruitment Appointment Authorities to Fill Temporary Positions

Disabled veterans who are 30 percent or more disabled (see 233.35) and VRA eligibles (see 233.36) may be recruited to fill temporary or non-career positions, except rural carrier associate and data conversion operator in remote encoding centers. For skilled temporary positions, an eligible rating on the current examination is required (see 234.4). When filling positions restricted to applicants entitled to veterans' preference, VRA eligibles must also meet the requirements for veterans' preference.

The National Agency Check with Inquiries (NACI) and Special Agency Check (SAC) performed by OPM for individuals who are selected involves additional criminal records checks (see 56, OPM Investigations).

* * * * *

[Revise 56 to read as follows:]

56 OPM Investigations

For all newly selected employees in nonsensitive positions, request a National Agency Check with Inquiries (NACI) for newly selected career employees and a Special Agency Check with Inquiries (SACI) for noncareer employees.

561 National Agency Check With Inquiries

OPM's National Agency Check with Inquiries (NACI) consists of checks of:

- a. OPM's Security/Suitability Investigations Index (SII).
- b. Defense Clearance and Investigations Index (DCII).
- c. Federal Bureau of Investigation Fingerprint Classification (FBIF).
- d. Employment history (except Postal Service employment) for the last 5 years.
- e. Criminal conviction history in locations where the employee resided, worked, and went to school.
- f. FBI Name Check (FBIN).
- g. Education verification.
- h. References.
- i. Residence verification.

OPM also performs automatic checks of military personnel records (MILR) if military service (including National Guard service) was performed in the last 10 years.

OPM-IS Standard Form (SF) 85, *Questionnaire for Non-Sensitive Positions*, dated September 1995 or later, must be completed by all newly selected career applicants after receiving a bona fide job offer. Fingerprints must be collected either electronically on a livescan fingerprint system or on SF 87, *Fingerprint Chart*, dated April 1984 or later, with OPM's originating identifier (ORI) USOPMOOOZ FIPC.

To request a NACI, hiring officials submit an SF 85, a copy of the employee's PS Form 2591, and fingerprints (electronically or on one SF 87 chart) to:

OPM-IS
 FEDERAL INVESTIGATIONS PROCESSING CENTER
 BOYERS PA 16018-0618

If a NACI was completed for the initial appointment, a new NACI is not required when an individual is reappointed or reinstated as a career employee, unless the individual had a break in service of more than 90 days.

Note: If fingerprints are returned as unclassifiable, another set of fingerprints must be taken immediately and sent to OPM, along with the unclassifiable chart and a copy of the closing case transmittal (CCT).

562 Special Agency Check With Inquiries

OPM's Special Agency Check with Inquiries (SACI) consists of checks of:

- b. Defense Clearance and Investigations Index (DCII).
- c. Federal Bureau of Investigation Fingerprint Classification (FBIF).
- d. Employment history (except Postal Service employment) for the last 5 years.
- e. Criminal conviction history in locations where the employee resided, worked, and went to school.

As needed, OPM also performs checks of military personnel records (MILR).

OPM-IS SF 86C, *Special Agreement Check*, August 1995 or later, must be completed by all newly selected noncareer applicants. Fingerprints must be collected either electronically on a livescan fingerprint system or on SF 87, *Fingerprint Chart*, dated April 1984 or later, with OPM's originating identifier (ORI) USOPMOOOZ FIPC. Submit SACI requests to OPM once an individual has been given a bona fide job offer.

To request a SACI, hiring officials submit an SF 86C, a copy of the employee's PS Form 2591, and fingerprints (electronically or on one SF 87 chart) to:

OPM-IS
FEDERAL INVESTIGATIONS PROCESSING CENTER
BOYERS PA 16018-0618

If a SACI was completed for the initial appointment, a new SACI is not required when an individual is reappointed as a noncareer employee, unless the individual had a break in service of more than 90 days.

Note: If fingerprints are returned as unclassifiable, another set of fingerprints must be taken immediately and sent to OPM, along with the unclassifiable chart and a copy of the closing case transmittal (CCT).

563 OPM Investigation Results

If sending fingerprints electronically, or if the fingerprint submission is initiated first and the NACI or SACI submitted subsequently, two separate cases are set up in OPM's system. Therefore, Human Resources will receive a separate

closing case transmittal for each. The fingerprint request will be closed out by OPM and forwarded to Human Resources as soon as the fingerprint results are received from the FBI. The final case closing transmittal will integrate results from the initial fingerprint search with results of the other searches and inquiries.

Office of Personnel Management – Investigative Services (OPM-IS) bills submitting offices monthly for services rendered during the previous month. OPM-IS will forward all results — except those that have potentially actionable issues from the Security/Suitability Investigations Index (SII) and the Defense Clearance and Investigations Index (DCII) — directly to the submitting Human Resources office in a single document within 60 calendar days. Human Resources verifies the disposition of any arrest record including those shown as pending and determines if additional investigation is necessary. OPM-IS will forward all results from the checks of the SII and DCII containing pertinent issues to the Inspection Service for follow-up attention.

A Certificate of Favorable Adjudication is prepared for favorably adjudicated NACI investigations. The employee receives a copy, and the original is placed on the permanent side of the Official Personnel Folder. The Inspection Service should be notified in all instances where administrative action such as termination or removal is taken, and the information becomes part of the disciplinary file. When information requires no action, the investigation documents, including any reports, statements, and correspondence, are placed in the employee's preemployment investigation file. A log of OPM requests and results should be maintained and available to the Inspection Service at least semi-annually for review.

REVISED FORM

Revised PS Form 2181-B, Applicant Drug Screening — Consent and Release

Effective immediately, applicants for Postal Service™ employment who are being screened for drugs must begin using the revised edition of PS Form 2181-B, *Applicant Drug Screening – Consent and Release*, December 2006. The updated form contains a new Privacy Act statement and replaces previous editions, which contained space for the applicant to list drugs used within the last 30 days. Previous editions are obsolete and must be disposed of properly.

When to Use PS Form 2181-B

Human Resources personnel coordinate drug screening urinalysis no sooner than 90 days before anticipated hiring. Only applicants determined to be drug-free as a result of the urinalysis are eligible for selection consideration. Use PS Form 2181-B only for applicant drug screening. Postal Service employees who apply for promotion, reassignment, or change to a lower level are not considered applicants for drug screening purposes, except for positions in the U.S. Postal Inspection Service.

UPDATE

Federal Employees Dental and Vision Insurance Program

Coverage under the Federal Employees Dental and Vision Insurance Program (FEDVIP) was effective on December 31, 2006.

Plan Updates

The Office of Personnel Management (OPM) has issued the following FEDVIP updates:

MetLife Dental

MetLife’s new, streamlined process for coordinating benefits became effective on February 5, 2007. MetLife coordinates benefits according to the FEDVIP law, which requires the Federal Employee Health Benefits (FEHB) plan to pay first. MetLife’s new process minimizes the administrative burden for enrollees. When an enrollee receives services from a MetLife provider, the following steps will occur:

1. The MetLife dental provider files a claim for services with MetLife.

2. MetLife reviews the claim for FEHB information and checks to see if the FEHB plan pays dental benefits.
 - a. If the FEHB plan does not pay dental benefits, MetLife processes the claim and pays the benefits due to the enrollee.
 - b. If the FEHB plan pays dental benefits, MetLife sends the claim to the FEHB provider for payment and then pays the claim based on the plan allowance.
3. MetLife sends an explanation of benefits to the enrollee and the dental provider for information purposes. The MetLife enrollee does not have to contact his or her FEHB plan to pay the claim or obtain an FEHB explanation of benefits.

MetLife enrollees are strongly encouraged to provide their FEHB information at the point of service and to review and update their FEHB information at www.BENE-FEDS.com if it was not previously provided or has changed

since the initial FEDVIP enrollment. Otherwise, payment of claims will be delayed.

BCBS Vision Plan

The FEP BlueVision network is separate from the medical network available under the FEHB Blue Cross and Blue Shield Service Benefit Plan. FEP BlueVision provides a network that includes optometrists, ophthalmologists, and optical retailers — and the network is getting bigger every day. Over 600 providers were recently added, many due to nominations made by enrollees.

To find or nominate a provider:

1. Go to <http://www.fepblue.org>.
2. Click on *Enter Site* at the bottom of the page.
3. Under the word "Welcome" click on the link: *Click to Look at What's New in 2007 FEP BlueVision*. A pop-up window will appear.
4. Click the *Continue* button to be transferred to the FEP BlueVision Web site.
 - a. To find a provider, scroll down and click on *Find a Provider*.
 - b. To nominate a provider, scroll down and click on *New Provider Nomination*.

General FEDVIP Information

FEDVIP plans are required to coordinate benefits with FEHB carriers. Under the law, FEDVIP coverage is secondary to dental or vision benefits covered by the FEHB Program. The purpose of coordinating the benefits available through each plan is to give enrollees the opportunity to obtain payment for as much as possible of their out-of-pocket dental and/or vision expenses.

Key points in the coordination of benefits:

- Most FEDVIP enrollees have medical coverage through the FEHB program, and most FEHB plans provide some dental and/or vision benefits.
- The FEDVIP carrier is responsible for coordinating benefits, not the FEHB plan nor the enrollee.
- Enrollees are asked to do the following (1) provide their FEHB information on www.BENEFEDS.com when they enroll in FEDVIP (so that BENEFEDS can inform the FEDVIP carrier); (2) give their FEHB information to their dental or vision services provider; (3) update FEHB enrollment information on www.BENEFEDS.com whenever it changes. Otherwise, payment of claims will be delayed.
- The process for coordinating benefits will vary by carrier; however, in all cases the dental or vision provider must submit claims directly to the FEDVIP carrier.

The carrier will coordinate benefits processing using one of the following methods:

1. Pay the benefit first; then pursue payment from the FEHB plan (if applicable).
2. Submit the claim to the FEHB plan first; then pay benefits based on any remaining balance.
3. Pay the claim based on the estimated amount that the FEHB plan will pay based on the plan's usual and customary charges or plan allowance; then make adjustments later, if necessary.

Updates to Demographic Information

Updates to demographic information (names, addresses, etc.) should be made through BENEFEDS by the enrollee. Enrollees may update information by calling BENEFEDS at 877-888-3337 or TTY 877-889-5680 or via the Web at www.BENEFEDS.com. Updates made by enrollees are automatically transferred to the dental and vision carriers by BENEFEDS on a daily basis.

Cancellations, Changes, and Enrollments

Enrollees may cancel their enrollment in FEDVIP only during FEDVIP Open Season.

Enrollees may change their enrollment or enroll in FEDVIP if they experience a qualifying life event (QLE). FEDVIP offers fewer QLEs than the FEHB Program, but includes QLEs such as losing other dental or vision coverage and returning to pay status from active military duty. For more detailed information on FEDVIP QLEs, contact BENEFEDS.

Paper forms are no longer accepted for enrollment in FEDVIP. However, the paper forms submitted during FEDVIP Open Season have been processed by BENEFEDS.

Newly hired and newly eligible employees have 60 days from their eligibility date to enroll in FEDVIP through BENEFEDS at 877-888-3337, TTY 877-889-5680, or via the Internet at www.BENEFEDS.com.

Where to Call with Questions

For questions about providers, networks, benefits, claims, and the process for coordinating benefits, **contact your individual FEDVIP plan**.

For questions about enrollment (including new employee enrollment and belated FEDVIP Open Season enrollments), changes to existing enrollments, QLEs, and premium deductions, **contact BENEFEDS**.

NOTICE

New Offset AICs for Vending Overages or Shortages at IRT and e-MOVES Offices

Effective February 15, 2007, new account identifier codes (AICs) have been created as offset accounts to overages and shortages in vending stock credits. These AICs apply only to integrated retail terminal (IRT) and Electronic Money Order Voucher System (e-MOVES) offices.

Overages and shortages in vending stock credits will no longer offset to vending postage sales, instead they will automatically offset to the new assigned AICs, which will adjust vending stock credit accountability to the amount as counted. The following are the assigned AICs:

- AIC 299, SIA, Vending, and APC Stock Shortage Offset.
- AIC 699, SIA, Vending, and APC Stock Overage Offset.

- AIC 843, Stock Adjustment Overage.
- AIC 849, Stock Adjustment Shortage.

Vending stock credit overage will continue to be in AIC 175, Vending Machine Overage, and will automatically offset to AIC 699 and AIC 843. This will adjust the vending stock credit accountability to the amount as counted.

Vending stock credit shortage will continue to be reported in AIC 612, Vending Machine Shortage, and will automatically offset AIC 299 and AIC 849. This will adjust the vending stock credit accountability to the amount as counted.

The following table provides complete details for the new AICs.

AIC	Master Title	General Description	General Ledger Account	Financial Performance Report	Revenue
299	SIA, Vending, and APC Stock Shortage Offset	An offset account for stamp stock shortages in retail floor stock, stamp vending credits and Automated Postal Centers® (APCs®).	56661299	N/A	No
699	SIA, Vending, and APC Stock Overage Offset	An offset account for stamp stock overages in retail floor stock, stamp vending credits, and APCs.	56661699	N/A	No
843	Stock Adjustment Overage	Adjustment to increase stamp credit accountability as a result of an overage in a stamp stock examination for SIA retail floor stock, vending stock credits, and APCs.	24100843	N/A	No
849	Stock Adjustment Shortage	Adjustment to decrease stamp credit accountability as a result of a shortage in a stamp stock examination for SIA retail floor stock, vending stock credits, and APCs.	24100849	N/A	No

Note: We will provide instructions for POS offices and APCs in future *Postal Bulletin* articles.

STAMP ANNOUNCEMENT 07-02

Henry Wadsworth Longfellow Stamp

Copyright USPS 2006

The Postal Service™ will issue a 39-cent, *Henry Wadsworth Longfellow* commemorative stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 460900), on March 15, 2007, at the American Stamp Dealers Association Mega Show at Madison Square Garden, in New York, New York. The stamp designed by Howard E. Paine of Delaplane, Virginia, will also go on sale nationwide on March 15, 2007.

With this 23rd stamp in the Literary Arts series, the Postal Service commemorates the 200th anniversary of the birth of Henry Wadsworth Longfellow (1807–1882). Considered the “uncrowned poet laureate” of 19th century America, Longfellow rooted his poetry in European traditions and forms while often working with uniquely American subject matter. Widely read during his lifetime, Longfellow wrote more than 400 poems; today he is especially remembered for narrative poems such as *Paul Revere's Ride* and *The Song of Hiawatha*.

The stamp art by Kazuhiko Sano of Mill Valley, California, features a portrait of Longfellow based on a photograph made circa 1876. Background art evokes scenes from *Paul Revere's Ride*.

How To Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, and at The Postal Store® Web site at www.usps.com/shop.

Customers may submit #6 or #10 covers constructed of paper rated as "laser safe." The Postal Service™ recommends 80-pound Accent Opaque, acid-free envelopes, 9/16" side seams with no glue on the flap. There is a minimum of 10 covers at 50 cents per postmark required at the time of servicing. You may submit a check, money order, or credit card for payment. Two test envelopes must be included. For covers with graphics or lettering, please note the maximum size of all digital color postmarks is 2" high X 4" long. The Postal Service reserves the right not to accept

hand painted and other cachets that are not compatible with our digital color postmark. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked within 60 days of the first day of issue date.

They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to one of the following addresses:

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.

- There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entry under “Change” appears in bold in the APO/FPO Table starting below.

STAND-UP TALK

How to Handle Address Change Service Mail

Below are some suggestions for handling Address Change Service (ACS) mail. Use this to talk informally to your employees and post on a bulletin board in your office.

Why ACS?

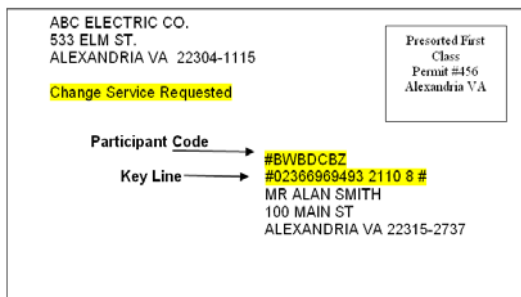

ACS allows businesses to get change-of-address (COA) and undeliverable-as-addressed information electronically. Using ACS makes good business sense for them, as well as for the Postal Service™.

Because address changes are sent electronically, the Postal Service avoids manual sorting or returning of undeliverable pieces, and customers don't have to sort through individual pieces and make changes manually.

How to Recognize It

We owe it to our customers and to ourselves to handle this mail correctly. Whether the ACS mailpiece has a COA order on file or is undeliverable for reasons other than a move — whether it is First Class Mail®, Standard Mail®, Periodicals, or Package Services item — whatever endorsement it may bear:

- **If you see “Participant Code,” a pound sign (#), and the letter “B” followed by six additional letters (all printed above the address block), it’s ACS mail!**

How to Handle It

Letter carriers and P.O. Box clerks — You do not need to change the way you handle the mail. Continue to separate COA and Nixie/Return to Sender (RTS) mail. Continue to separate Nixie/RTS mail by the reason it is undeliverable. Do not mark out or cover up any part of the address, the participant code, or keyline right above the address. We need this information for correct processing.

Employees working in Nixie/RTS operations — For any class of mail, with any endorsement, **if you see the ACS Participant Code, it’s ACS mail.**

Non-Postal Automated Redirection System offices — For letters, flats, and parcels:

- Separate the ACS mail from the other Nixie/RTS undeliverable pieces.
- Sort the ACS mail by ZIP Code™ and the undeliverable reason code, and bundle separately.
- Write the single character reason for non-delivery on the top piece of each bundle.
- Do not mark out or cover up any part of the address, the ACS participant code, or the keyline right above the address.
- Send it to the Computerized Forwarding System unit for proper handling.

Postal Automated Redirection System (PARS) offices — For flats and parcels:

- Follow the instructions above for non-PARS offices.

For letters:

- Do not separate ACS mail from other RTS mail.
- Do not mark out or cover up any part of the address, the ACS participant code, or the keyline right above the address.
- Prepare mail for PARS processing.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out of their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out of their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

USPS ONLINE SERVICES

Frequently Asked Questions

USPS.com

Why should I use the Postal Service’s Web site?

The Web site is available whenever you are — 24/7. Our Web site gets hundreds of thousands of visits each day. Customers are discovering the ease and convenience of going online to access Postal Service information, products, and services.

What can I do at www.usps.com?

Almost anything you can do at the Post Office, you can do online at www.usps.com. Customers can send mail and packages, buy stamps, purchase items from The Postal Store, calculate rates, print labels, create greeting cards and newsletters, locate Post Offices, and find ZIP Codes. Customers also can ship and track packages, and place change-of-address and Hold Mail requests, and business mailers can access helpful suggestions on how to grow their business.

Carrier Pickup

How do I use Carrier Pickup?

- Properly address Express Mail or Priority Mail packages and apply appropriate postage.

- Request and schedule a carrier pickup online at www.usps.com/shipping/carrierpickup.

The carrier picks up the package the next delivery day when delivering mail on his or her regular route.

What are the valid methods to prepay postage for Carrier Pickup?

Postage can be prepaid with postage stamps (provided the pickup point is your residence or place of business and the return information matches the location where the pick-up occurs), postage meter imprints, PC Postage products, online Click-N-Ship labels with postage, and prepaid Priority Mail Flat-Rate envelopes. However, if your mailpiece weighs 16 ounces or more, and you use stamps as postage, it may only be picked up from your residence or place of business. Additionally, the return address must match the address of the pick-up location.

Are there any weight restrictions?

Yes. The maximum weight per package is 70 pounds.

Is there a cut off time when I schedule a pickup?

Yes. For free package pickup, the regular letter carrier picks up the package(s) the next delivery day during normal mail delivery. Carrier Pickup requests must be received by 2 A.M. CST. You can schedule a pickup up to 3 months in advance. If you need your package picked up right away, Pickup on Demand is available for only \$13.25 per pickup, regardless of the number of packages, and the packages are picked up within a specified 2-hour timeframe.

What if I decide against mailing the package? Can I cancel my request?

Yes. Customers may also edit or cancel a request online by entering the Carrier Pickup Confirmation Number and address.

What if I don’t want to wait until the next business day?

If you want the package picked up the same day, Pickup on Demand is available. For only \$13.25 per pickup, regardless of the number of packages, packages are picked up within a specified 2-hour timeframe.

Click-N-Ship

What is Click-N-Ship service?

Click-N-Ship is the Postal Service’s quick, easy, and convenient online shipping service. Using Click-N-Ship, you can create and pay for shipping labels for Express Mail, Priority Mail, Global Express Guaranteed, Global Express Mail, Global Priority Mail, and Global Airmail Parcel Post with postage using your credit card, personal computer,

and printer. You also have the option of printing Click-N-Ship labels without postage. Click-N-Ship will calculate postage rates; find ZIP Codes; and standardize and save addresses and a 6-month history on labels printed with postage.

How do I know the weight of my Click-N-Ship items?

It is recommended you use a scale. You can now purchase 5- and 10-pound scales online at The Postal Store (www.usps.com/shop). Please keep in mind that if your package weighs more than the weight you entered, it will require additional postage — either at the time of mailing or delivery. A convenient alternative to a scale is our Priority Mail Flat-Rate envelope or boxes or our Express Mail Flat-Rate envelopes. For one low price, you can mail any amount of material, regardless of weight, that fits comfortably inside the flat-rate shipping supplies. Priority Mail Flat-Rate envelopes require \$4.05 in postage; Priority Mail Flat-Rate boxes require \$8.10 in postage; and Express Mail Flat-Rate envelopes require \$14.40 in postage.

For what destinations can I create Click-N-Ship labels?

You can create online Express Mail and Priority Mail labels for shipping to the 50 states, Guam, the U.S. Virgin Islands, Puerto Rico, and APO/FPO addresses. Global Express Mail, Global Express Guaranteed, Global Priority Mail, and Global Air Parcel Post labels are available to approximately 200 countries and territories.

Can I import or export my address list into an Address Book?

Yes. You can import or export an address list into the Address Book. Your address book can store up to 3,000 addresses.

Why was my address changed from what I entered?

Addresses are compared to the U.S. Postal Service current address database and then standardized. Standardized addresses help us process and deliver your mail more efficiently. This database is very accurate and is updated regularly to include new delivery addresses. Some military addresses (APOs/FPOs) are in the process of being standardized and have not yet been submitted to the Address Management System database. Packages for these addresses and certain war zones must be mailed at your local Post Office.

Why isn't there an additional fee for Delivery Confirmation when I print a Priority Mail online label?

When you print an online label, an electronic record of your transaction is sent to the Postal Service. This meets the requirements for electronic rate Delivery Confirmation

service; no additional fees are required when used with Priority Mail service.

Can I print an online shipping label for First-Class Mail, Parcel Post, Media Mail, Bound Printed Matter, or Library Mail items using Click-N-Ship?

Click-N-Ship service offers only Priority Mail and Express Mail domestic services. We recommend you try a PC Postage service provider if you wish to print labels for all services. These companies offer a wide array of additional features and can be located at www.usps.com/online/postage.

Can I purchase insurance online?

Yes. You can insure your package up to \$500 (domestic only).

What types of credit cards can I use with Click-N-Ship service?

The Postal Service accepts Visa, MasterCard, American Express, and Discover cards.

Can I place packages with online labels and postage in the blue Postal Service street mailboxes?

Yes. However, the package must:

- Have a domestic Express Mail or Priority Mail label complete with PC Postage.
- Have a return address.
- Be paid for with a credit card.
- Fit in the blue street mailbox opening.

You may drop larger packages at your local Post Office, hand them to your letter carrier, or you can schedule a pick-up online.

Do I need to use Postal Service supplies to mail my item?

No. However, the Postal Service recommends that customers use Postal Service boxes and other packaging and stickers when using Click-N-Ship labels so that their package is clearly marked with the type of service purchased. You can order free Express Mail, Priority Mail, Global Express Guaranteed, and Global Express Mail shipping supplies from The Postal Store at www.usps.com/shop.

What size package can I mail with Click-N-Ship?

Click-N-Ship packages may measure up to 108 inches in length and width, and weigh a maximum of 70 pounds.

If I'm mailing several items to the same person, why can't I make photocopies of the same label?

Each label has a unique barcode and number assigned to it. If you use photocopied labels with identical numbers,

you will not get valid delivery information. Labels are monitored for possible duplication. Intentional use of duplicate labels constitutes fraud.

How should I attach the labels to the package?

Place the labels on the address side of the package. Do not fold the labels over package edges. Use clear shipping tape to securely affix labels on all four sides and to cover address areas. Do not tape over the “Postal Use” area on the Express Mail label, the barcodes, or the stamps. You may use self-adhesive labels, which you can purchase online at The Postal Store (www.usps.com/shop).

Why can't I tape over the barcode?

Our equipment cannot scan barcodes with tape over them.

How does the Shipment Confirmation Acceptance Notice or SCAN Form work on Click-N-Ship?

Click-N-Ship's new SCAN Form (PS Form 5630, *Shipment Tracking Acceptance Report*) features a master barcode that represents multiple packages in a shipment; it is scanned when your shipment is received by the Postal Service. This single scan enters all of your associated packages into our Track & Confirm database as “Shipment Accepted” and allows both you and the recipient to see when the package entered the mailstream. Simply print the SCAN Form after printing your labels. You can use a SCAN Form for one or more packages, as long as they are shipped on the same date and from the same ZIP Code. Other online shipping services, such as PC Postage and eBay/PayPal, will soon have this same valuable feature. See our SCAN Form page at www.usps.com/clicknship/scan-form.htm to view a sample and for further details.

How do I get a Shipment Confirmation Acceptance Notice or SCAN Form?

When you print labels with postage on Click-N-Ship, you will have the option of associating them with a SCAN Form (PS Form 5630). At the end of the process, you will be able to close out your form and print it.

What SCAN events will I be able to see on Track and Confirm on USPS.com?

You will be able to view the “Shipment Accepted” event by entering the SCAN Form barcode number or the label barcode number on Track and Confirm. All other tracking events will be label and product specific.

Is there a limit on how many packages can be linked to the SCAN Form (PS Form 5630)?

No.

Do I need a SCAN Form (PS Form 5630) if I have only one package that I want scanned at acceptance?

Yes.

Is it available for all services on Click-N-Ship?

Yes, except for Global Express Guaranteed.

Online Change of Address

How do I find this service?

Online Change of Address is featured online at www.usps.com/moversguide.

Is there a charge to change my address online?

Yes. We charge a \$1.00 processing fee. When you enter your credit card number and billing address, we electronically verify that information with the bank that issued your credit card. The \$1.00 processing fee pays for this verification service, which helps us verify your address and to provide a secure online transaction.

If you prefer not to pay the \$1.00 processing fee, you will be offered the option to print and mail a change-of-address order.

How long will it take before I get mail at my new address?

After you have notified the Postal Service of your change of address, it could take several days for mail to begin arriving at your new address. There are several factors to consider, such as:

- The date you requested the Postal Service begin forwarding your mail.
- The distance of your new address from your old address.
- When you notified the Postal Service of your move.

Will I still receive confirmation of my address change in the mail?

Yes. You will receive all of the official documentation as if you went in person to change your address at the Post Office. The Postal Service will promptly mail a Move Validation Letter to the address you are leaving. For your privacy, it will not mention your new mail forwarding address.

You will also receive a Confirmation Notification Letter or a Welcome Kit in the mail 7–10 days after your online change. Please retain this official change-of-address confirmation page for your records as local agencies and resources may require it for proof of your move.

The Postal Store

What can I do online at The Postal Store?

From the convenience of your home or office, simply go online to The Postal Store to buy stamps, order shipping supplies, and shop for licensed U.S. Postal Service merchandise. At The Postal Store you can search for stamps using convenient keywords or browsing categories, stock up on holiday stamps and other stamp collections, and also sign up for a stamp subscription such as Fast Stamps and have stamps delivered to you automatically at periodic intervals. You can also eliminate a step when mailing Priority Mail by purchasing Prepaid Priority Mail Flat-Rate envelopes, which are now available in convenient packs of 5 and 10. If you often order the same thing, set up a “My Favorites” list of your favorite items. You can even e-mail your list to a friend.

A variety of merchandise can be found at The Postal Store — from coin bank mailbox replicas to beautiful stamp artwork.

What is Fast Stamps?

Fast Stamps provides a simple way to rapidly place an order for basic First-Class Mail stamps in book and coil formats. Simply check the format and frequency you desire, click the *BUY* button and you’re on your way to a speedy checkout!

How soon after I place my order will it arrive?

Please allow 3–5 business days for processing and delivery of stamp products and in-stock merchandise. Items that are made to order, such as philatelic framed art, usually take longer as those products are created when the order is placed. Pre-orders and back-orders will be shipped on the date specified on the product information page. Please allow 3 weeks for delivery of orders shipped to foreign addresses.

How will my order be shipped?

All orders are shipped via Priority Mail from the U.S. Postal Service.

Is there a shipping and handling fee in addition to the \$1.00 charge for stamps?

There is not an additional charge for domestic orders. However, we will assess a \$5.00 shipping and handling fee for international orders. Also, we will assess Postal Service shipping and handling fees based on weight and location for non-stamp items, such as philatelic framed art and Postal Service NASCAR apparel.

What types of business-related items are for sale at The Postal Store?

The Postal Store sells items that meet the needs of our business customers, including 5- and 10-pound digital scales, prepaid (stamped) Priority Mail envelopes, pre-inked rubber stamps, and adhesive Click-N-Ship labels.

What types of licensed products are for sale at The Postal Store?

The Postal Store sells books and games, stamp artwork, kids’ items, stuffed animals, mugs, pins, apparel, DVDs, and NASCAR gear.

Online Insurance

Can I purchase insurance online?

Yes. Indemnity coverage is available online for up to \$500 for lost, rifled, or damaged articles.

What classes of mail are insurable online?

Depending on the online postage solution (Click-N-Ship or eBay), domestic insurance is available with Express Mail, Priority Mail, Parcel Post, Media Mail, and First-Class Mail parcels. Express Mail provides insurance up to \$100 at no additional cost.

Are the online insurance fees the same as at a Post Office?

Yes. Insurance purchased online costs the same and the fees are based on the amount of coverage needed up to \$500 (domestic).

What if I need to purchase insurance for more than \$500?

Visit any Post Office. Insurance can be purchased for up to \$5,000. Insurance purchased online cannot be combined with insurance purchased at a Post Office.

Is everything insurable?

No. Coverage is not provided for consequential losses, delay, concealed damage, spoilage of perishable items, articles improperly packaged, articles too fragile to withstand normal handling in the mail, or prohibited articles. These policies can be found on the How to File Insurance Claims page on USPS.com at www.usps.com/insurance/claims. For additional information please see the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®).

How and where do I file a claim?

You may file a claim in one of the following ways:

- Visit the How to File Insurance Claims page on USPS.com at www.usps.com/insuranceclaims for instructions on how to file a claim for insurance purchased online.
- Download and complete PS Form 1000, *Domestic Claim or Registered Mail Inquiry*.
- Take a completed PS Form 1000, proof of insurance (i.e., online label record or shipping history printout), and evidence of value (i.e., sales receipt or invoice) to any Post Office for processing.

Is Carrier Pickup service available for items insured online?

Yes. This is available with Priority Mail and Express Mail. After purchasing an online label with insurance, please visit www.usps.com/carrierpickup to request a pickup for your item(s). Just prepare your package with postage before your carrier arrives. Your carrier will pick it up the next Postal Service delivery day.

*EVENTS GUIDE***Helpful Hints for Off-Site Events****Step 1 — Prepare for the Event***Estimate Audience Size*

Determine how many customers will be coming to your event and use this information to plan your setup and order appropriate materials and refreshments. There is generally a 1–2 percent response rate to direct mail campaigns.

Order Enough Materials

Depending on the number of participants, you will need to order an appropriate amount of literature for handout materials, giveaways (if applicable), and so forth. You may order the USPS.com Tip Sheet and “Take-Ones” through the Business Connect Data Center. These handouts are also available through MessageMaker. Contact your district marketing manager or small business specialist for assistance with MessageMaker orders.

Plan Your Demonstration — How to Make Your Audience Pay Attention

- Keep in mind that beginnings and endings are peak attention times for the audience and merit special attention.
- Identify the purpose or goal of your presentation.

- Tie the purpose or goal to a relevant real-life experience, such as an example using one of your customers.
- Ask questions to stimulate thinking or encourage audience participation.
- When closing, keep in mind that your audience needs a sense of closure, including key takeaways, such as the theme of the meeting — *Go to USPS.com and Skip the Trip*.

Step 2 — Set Up Computers

Be sure you arrange for computers well in advance of your event and that you have the appropriate hook-ups. Also be sure you have trained employees who are helping you with the demonstrations. It's important to have local presence whenever possible in order to engage as many customers as possible. By leveraging your local resources, the event becomes a team effort. Some possible representatives include:

- Other postmasters, station or branch managers, or postal ambassadors.
- Small business specialists or business development team members.
- A Customer Relations coordinator to assist with presentation and customer-relationship building.

Make sure you discuss the roles of the Postal Service representatives prior to your event.

Step 3 — Conduct the Demonstration*Set Up*

You can display the literature or materials and set up the refreshments in advance. It will take some time to make sure things are properly set up. People will start to arrive up to 15 minutes early and you want to make sure you are prepared to greet them.

Welcome Participants

This will create a more relaxed atmosphere and give you the opportunity to learn about individual business challenges so you can better address real customer objectives.

Make a sign-in sheet (see the Business Connect chart on page 86) available to your attendees prior to the start of your session. This sheet also has a column to record any specific product or service interest a customer may have. Bring a stack of your business cards to hand out. Ask your small business specialist for suggestions or assistance.

Network/Question and Answer Session

Allow time for customers to network with each other and ask you questions.

Step 4 — Conduct Follow-up

Ensure timely followup to any customer requests or inquiries that were not resolved at your meeting.

Step 5 — Document Your Activities in Business Connect

To receive credit for your USPS.com Week event, document your activities in the Business Connect Data Center. Follow these steps to access Business Connect from the Postal Service Intranet (<http://blue.usps.gov>):

- Under “Hot Topics” in the lower middle of the page, click on *Business Connect*.
- On the right of the page, under “Access Business Connect Data Center”, click on *Go to the Business Connect Data Center*.
- On the Business Connect Data Center page, enter your user name and password.
- Under “Select Type of Event/Topic,” chose *USPS.com week (BC Contest)* for a Group Activity.

INSTALLATION HEADS/MAOs

Semiannual Review of Capital Records

Handbook AS-701, *Material Management*, Section 541.28, Internal Reviews, contains procedures for conducting a semiannual review of capital records. The procedures require either the installation head or designated material accountability officer (MAO) to conduct a semiannual internal review and an evaluation of the status of property records and files. Installation Heads: If you do not have a designated MAO, refer to Handbook AS-701, Part 541 and Exhibit 541.21 for the assignment procedure and a sample letter of delegation, respectively.

If you are an installation head or a designated MAO, you must complete the review and evaluation process by following these steps:

- Meet with the designated material accountability assistant (MAA) (if you have one) and discuss the material accountability background of the installation.

If you do not have a designated MAA, refer to Handbook AS-701, Section 541.3 and Exhibit 541.32 for the assignment procedure and a sample letter of delegation, respectively.

- Review the local standard operating procedures.
- Randomly select and inventory 10 percent of capital items and 10 percent of sensitive items.
- Review files and records to verify that they are being maintained in accordance with procedures outlined in Handbook AS-701, Parts 551, 552, 553, and 556.
- Review the last six property changes for the month to ensure they have been properly verified.

NOTICE

Asset Management Integration Team Collects Data on How Postal Service Currently Manages Assets

Since the beginning of the Asset Management Integration (AMI) program in November, 2006, the AMI team has been documenting how retail and operations assets are managed across Postal Service™ functions. This was done to gain a better understanding of current business requirements and future business opportunities. Assets covered during the analysis of the current state of operations include stamps, post cards, envelopes, philatelic products, ReadyPost® products, officially licensed retail products, expedited shipping supplies, Post Office™ in-store signage, advertising and printed materials, selected types of equipment and spares (automation, retail, mail transport equipment, intelligent mail, information technology, vehicles), and Headquarters facilities assets.

The next steps in the AMI project involve close collaboration with business owners to develop proposals for the future state of asset management operations. The team will

begin by defining new processes that support service management, inventory management, and planning, and also by identifying options for reconfiguring the current distribution network.

As we move into the next phase, the AMI project team would like to recognize the assistance provided and contributions made by all the organizations that have participated to date.

The mission of the AMI team is to improve the management of inventory and assets through a comprehensive distribution and delivery model that will enhance service and reduce costs to the Postal Service.
