#### Handbook F-101 Revision: New Policy for Administrator and Supervisor Roles in POS

Effective internal controls require managing high level roles in our retail systems.

Effective immediately, Handbook F-101, *Field Accounting Procedures*, is revised to include the new policy to manage the number of administrator and supervisor roles in POS as follows:

Administrator Roles: All POS units, regardless of size, must have one administrator role and one backup. Larger offices (with more than five window terminals), as well as offices where business hours extend into a third tour of operations, may, at the discretion of local management, add a third administrator role. No unit shall be authorized more than three administrator roles.

**Supervisor Roles:** All POS units, regardless of size, must have one supervisor role and one backup (a maximum of two backups are optional). Larger offices (with more than five window terminals), as well as offices where business hours extend into a third tour of operations, may, at the discretion of local management, add a fourth supervisor role. No unit shall be authorized more than four supervisor roles.

All POS units must be in compliance with the new policy for administrative roles and supervisor roles by March 25, 2010.

#### Handbook F-101, Field Accounting Procedures

[Add new 2-4.8 to read as follows:]

#### Handbook F-101 Revision: Handling Employee Receivables

Effective February 25, 2010, Handbook F-101, Field Accounting Procedures, is revised to streamline the collections process for employee receivables and to include handling of newly created employee items for bargaining unit and non-bargaining unit employees. To comply with the Debt Collection Act and National Bargaining Agreement, Accounting Services now follows a three-step process when initiating collections. Accounting Services sends the installation head/postal official in charge the following documents:

**Note:** Each document includes a cover page, detailing the steps to be taken.

 Accounting Services provides an invoice and either a letter of demand (LOD) for a bargaining employee or letter of debt determination (LDD) for a non-bargaining unit employee.

The installation head/postal official in charge must:

- Follow instructions on the cover page.
- Issue the invoice with an LOD or LDD, if applicable, to the employee.

The installation head or postal official in charge must issue the invoice and LOD, if it has not already been issued, to the employee.

- 2. Approximately 45 days from date of an invoice, Accounting Services provides:
  - A cover page with instructions.
  - A Notice of Involuntary Administrative Salary Offset Under the Debt Collection Act.
  - A Statement of Debtor's Rights and Responsibility.
  - 39 CFR Part 961 Rules of Practice in Proceedings Relative to Employee Hearing Petitions under Section 5 of the Debt Collection Act.

The installation head/postal official in charge is responsible for:

- Following instructions on the cover page.
- Issuing the Notice, Statement, and 39 CFR to the employee, if the invoice has not been paid in full or a payroll deduction has not been established.
- Approximately 90 days from the date of invoice, Accounting Services issues a completed PS Form 3239, Payroll Deduction Authorization to Liquidate Postal Service Indebtedness.

The installation head/postal official in charge must:

- Follow instructions on the cover page.
- If no grievance has been filed within the designated 14 days, no petition for hearing has been requested, the invoice has not been paid in full, or a payroll deduction has not been established, sign the completed PS Form 3239. Submit the form to the USPS® Scanning and Imaging Center (SIC). Give one copy to the employee and keep a copy on file.

#### Handbook PO-603 Revision: Delivery Point Sequencing Letter Mail Formal Review

Effective January 22, 2010, Handbook PO-603, *Rural Carrier Duties and Responsibilities*, 541.42 was revised, reinstating the language as originally written in 1994 concerning delivery point sequencing (DPS) letter mail processing on rural routes.

#### 541.42 Formal Review of DPS Letter Mail Processing

[Revise 541.42 to read as follows:]

If a route receiving DPS mail frequently experiences significant decreases in the quality of the DPS mail or there is a disproportionate reduction in DPS volume in relationship to the total letter volume of the route, the carrier may make a written request asking for a formal review of the DPS processing for the route. If the formal review indicates a zone or route is no longer being properly processed on automated equipment, quality has deteriorated significantly, or a pattern of random automated processing is revealed, management will take corrective action to ensure that the processing is returned to levels equivalent to those experienced during the previous mail count period.

However, if corrective action has not resolved the problem within 30 calendar days of the carrier's written request, management will prepare a PS Form 4003, *Official Rural Route Description*, discontinuing the application of DPS standards. The DPS volume will be reclassified as sector/ segment mail (if processing standards are achievable) or raw mail, as appropriate, and a base hour change made to adjust the route evaluation. The Form 4003 will be pro-

cessed with an effective date beginning with the first day of the pay period in which the carrier provided written notification requesting a review of DPS processing.

We will incorporate this revision into the next printed version of Handbook PO-603 and into the next online update, available on the Postal Service™ PolicyNet website:

#### Management Instructions

#### New Management Instruction EL-810-2010-1, Confined Space Safety Program

Management instruction (MI) EL-810-2010-1, Confined Space Safety Program, January 15, 2010, is now available on PolicyNet. Effective immediately, MI-EL-810-93-1, Confined Space Safety, September 1993, is obsolete.

The new MI contains updated organization and web references and updated policies. The most significant policy change relates to the process for reclassifying confined spaces, as follows:

- Spaces previously classified as non-permit-required due to the presence of electrical or mechanical hazards addressed by lockout procedures will need to be re-inventoried and identified as permit-required spaces.
- As a result, when Postal Service<sup>TM</sup> employees need to enter these spaces, the spaces must be reclassified temporarily as non-permit-required.

Consult the servicing safety office for more information.

#### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service  $^{\text{TM}}$  money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- 2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <a href="http://www.usps.com/missingmoneyorders/security.htm">http://www.usps.com/missingmoneyorders/security.htm</a>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

#### Other Information

#### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP<sup>TM</sup> Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to deter-

mine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday-Friday, 0730-1600 ET.

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

We have eliminated "Not Active" entries from the table below to save space and paper.

#### Household Diary Study

The Postal Service's Household Diary Study (HDS), conducted since 1987, provides information about the contents of the mail sent and received by our customers in U.S. households. The Postal Service™ uses this information to help understand why and how customers use the mail. The results are used to:

- Forecast mail volume.
- Plan marketing strategies.
- Provide information for rate-setting purposes.

The HDS is administered at Headquarters by the Office of Demand Forecasting and Analysis, Finance. NuStats, the HDS survey research firm contractor since July 1999, conducts the interviews and collects and analyzes the HDS data throughout the year.

HDS is a two-stage survey. Stage 1 is the Household Interview. NuStats sends an advance letter, signed by the postmaster general, to a representative sample of U.S. households. This letter emphasizes the importance of the HDS and asks for participation. Sample households are contacted either by telephone or in person and asked about the mail they send and receive, their adoption and use of various communications' technologies, their attitudes about mail service in general, and information relating to their household and personal demographics. Respondent households are recruited to participate in HDS Stage 2.

Stage 2 is the Mail Diary. NuStats asks households that agree to participate in Stage 2 to record information about the mail they send and receive for a 7-day period from Monday to Sunday. Information recorded includes number

of mailpieces received and sent, industry mail source, mail characteristics, and attitudes regarding mail received. As an incentive for HDS Stage 2 participation, households are offered the options of receiving \$30 or a roll of 100 First-Class Mail<sup>®</sup> stamps.

Customers who participate in Stage 2 of the HDS can expect to receive their incentive about 2 months after they return the diary packet to NuStats.

Data gathered in both HDS stages is available in a final report, *The Household Diary Study — Mail Use and Attitudes*. The report is published in hard copy and an electronic file. Order forms for the latest HDS report may be obtained via the Postal Service Internet at <a href="https://www.usps.com/householddiary">www.usps.com/householddiary</a>.

#### Postage Due Unit Address List

An address list of postage due units has been produced to help with the creation of Merchandise Return Service labels. The list is located on the Intelligent Mail and Address Quality (IMAQ) website at <a href="http://imaq/AMS/addman/reports/aqreports/specialreports/Postage%20Due%20Locales.xls">http://imaq/AMS/addman/reports/aqreports/specialreports/Postage%20Due%20Locales.xls</a>.

The information on the IMAQ website contains an instruction page on how to use the list, the postage due locales, and a sample Merchandise Return Service (MRS) label (see below).

The postage due address list provides the following benefits:

- Eliminates the manual validation of addresses, as addresses have been extracted from the Address Management System (AMS).
- Significantly reduces the amount of time currently used to locate the required information fro MRS labels when setting up a new account.
- Eliminates time consuming effort of manually contacting Post Office™ facilities to obtain postage due unit addresses and finance numbers.
- Provides direction for all necessary information required for MRS labels when setting up MRS accounts.
- 5. Provides a central location, and is easily accessible to postal employees.

#### Stamp Announcement 10-08: Bill Mauldin

#### © 2009 USPS

On March 31, 2010, in Santa Fe, New Mexico, the Postal Service  $^{\text{TM}}$  will issue a 44-cent, *Bill Mauldin* commemorative stamp in one design in a pressure-sensitive (PSA) pane of 20 stamps (Item 466000). The stamp, designed by Terrence W. McCaffrey, USPS $^{\text{(R)}}$ , goes on sale nationwide March 31, 2010.

The U.S. Postal Service<sup>®</sup> honors Bill Mauldin, one of America's favorite cartoonists. During World War II, military readers got a knowing laugh from Mauldin's characters Willie and Joe, who gave their civilian audience an idea of what life was like for soldiers. After the war, Mauldin became a popular and influential editorial cartoonist.

U.S. Postal Service Art Director Terrence W. McCaffrey chose to honor Mauldin through a combination of photography and an example of Mauldin's art. The photograph of Bill Mauldin is by John Phillips, a photographer for *Life* magazine; it was taken in Italy on December 31, 1943. Mauldin's cartoon, showing characters Willie and Joe, is used courtesy of the 45th Infantry Division Museum in Oklahoma City, Oklahoma.

#### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail<sup>®</sup> postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4<sup>®</sup> Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

#### How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

#### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

#### **Digital Color Postmarks**

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

# Stop Sending Copies of PS Form 8176, Premium Forwarding Service Application, to Headquarters

Offices are no longer required to send a copy of PS Form 8176, *Premium Forwarding Service* (*PFS*) *Application,* to Headquarters. This requirement ended in 2007 when the application was revised and page 4 (HQ copy) was removed. In 2005, the PFS program office at Headquarters (HQ) required a copy of page 4 when PFS was an

experiment. However, the experiment ended in 2007 when PFS became an official product offering. Offices that still send copies to HQ are wasting workhours and money — especially some offices that send them by Express Mail<sup>®</sup>, Registered Mail<sup>®</sup>, and Priority Mail<sup>®</sup> service.
