Premium Forwarding Service Continues to Be a Big Hit With Customers

Premium Forwarding Service® (PFS®) continues to be a big hit with our customers. There were over 145,000 customers signing up for the service in fiscal year (FY) 10, and more are expected in FY 11. So we must make sure we are providing our customers the best service possible.

New functionality was added to the point-of-sale (POS) terminals last month, which makes calculating the weekly fee a snap. No more manually figuring out how many weeks the customer will be away or how much to charge. POS will do that for you. (See the November 9 issue of *Retail Digest* for more information on the POS upgrade.)

PFS is a winner when it comes to revenue too, earning over \$19 million in FY 10. PFS is a win-win for the Postal Service™ and our customers. It is a service customers want and need. Remember, offer the service as an option when customers inquire about change of address (COA) or Hold Mail service.

Here are a few key facts to keep in mind when providing this service to our customers:

- The service is for anyone going away for a minimum of 2 weeks up to 1 year. If customers will be away for more than a year, they can still use the service, but must pay a new application fee (currently \$15.00) after the first year.
- Customers can extend their service by simply making the request and sending in the additional payments to the origin Post Office™ providing the service.
- Customers' mail is shipped once a week on Wednesday and does not include any Extra Services like Delivery Confirmation™ service. Do not add Extra

Services to the weekly shipments when shipping out the mail. You add cost to the service that is not covered in the price we charge the customer.

- **Headquarters no longer requires a copy of the PFS application.** If you are sending copies to Headquarters, please stop. Doing this also adds cost to the service that is not covered in the price. It is a waste of money.
- Make sure you are using the most up-to-date edition (May 2009) of PS Form 8176, *Premium Forwarding Service® (PFS®) Application*. A new version will be printed and available for use by the end of this calendar year 2010.

Find more information about PFS, including terms and conditions, at www.usps.com/receive/premiumforwarding.

Projected Developments in PFS in FY 11

Short-term — Form-fillable PS Form 8176 on www.usps.com

Customers can complete the form online, print it, and take it into their Post Office facility. This will save time for both the customer and the retail associate at the window.

Long-term — Online PFS application

This online application would have full functionality, making it possible for customers to sign up from anywhere they have access to the Internet. Customers will be able to apply, pay, and manage their PFS mail online.

DMM Revision: Click-N-Ship Insurance Indemnity Coverage Increase

Effective December 6, 2010, the Postal Service™ will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 503.1.1.6, 503.4.2, 503.4.3.5, 503.11.1.2, 601.9.3.4 and 609.4. to permanently increase the purchase limit for domestic Click-N-Ship® online insurance coverage up to \$5,000.00.

In November 2009, a test was implemented to determine the feasibility of increasing online insurance indemnity coverage for domestic Express Mail® and Priority Mail® items from \$500.00 to \$5,000.00 when purchased through Click-N-Ship service. The test provided customers with the same insurance indemnity coverage for online purchases that is currently offered at a Post Office™ retail location.

There is no indication that the online insurance range of \$500.00 to \$5,000.00 will result in an increase in the claims paid ratio, and the Postal Service has implemented important fraud mitigation tools to minimize any risks associated with this increased insurance coverage.

Based upon the analyses of the test, the Postal Service has permanently increased the Click-N-Ship domestic insurance indemnity limit to \$5,000.00, beginning November 14, 2010,

The Postal Service also replaces “rifled” and “rifling” terminology references throughout the DMM with the term “missing contents”. The term “missing contents” is more intuitive for our customers who submit a claim for loss or damage. It more accurately conveys the message that there are many situations where contents may be missing from a mailpiece.

DMM Revision: Packaging Standards for Mail Processed at Network Distribution Centers

Effective December 6, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 601.7.2, which applies to packaging books and printed matter for mail processed at Network Distribution Centers. Books and similarly produced printed matter (such as catalogs) must be packaged to withstand normal transit and processing.

This revision makes use of the term “similarly produced printed matter” when referring to books. Other sections of the DMM refer to books and printed matter as similar items regarding parcel machinability. This revision helps clarify that books and similar printed matter must be packaged to avoid being damaged in processing.

[Revise the first and last sentences of the introductory text of 7.2 as follows, deleting obsolete text “with 24 pages or more” and incorporating similarly produced printed matter:]

Books and similarly produced printed matter (such as catalogs) fastened together along one edge between hardback, paperback, or self-covers, that are more than 1 inch thick or 1 pound must not be accepted in letter-style non-reinforced flat envelopes or without packaging.*** Ship-

ments of books and similarly produced printed matter are packaged according to these weight categories:

[Revise item 7.2a as follows:]

- a. Up to 5 pounds, sealing must be by multiple friction closures, completely clinched staples, heat-sealing, adhesives, tape, or nonmetallic banding. Although shrinkwrap is not acceptable as the only packaging for hardback books and similarly produced printed matter exceeding 1 pound or 1 inch thick, it may be used on the exterior of otherwise acceptable containers. Shrinkwrap (under 3.6) may be used as the only method of packaging for paperback books and similarly produced printed matter up to 3 pounds.

* * * * *

[Revise items 7.2d and e as follows:]

- d. From 25 to 50 pounds, hardbound books and similarly produced printed matter must be packaged in 275-pound test fiberboard boxes, and paperback books and similarly produced printed matter must be packaged in 200-pound test fiberboard boxes.
- e. From 50 to 70 pounds, hardbound books and similarly produced printed matter must be packaged in 350-pound test fiberboard boxes, and paperback books and similarly produced printed matter must be packaged in 275-pound test fiberboard boxes.

IMM Revision: Clarification Regarding Privately Printed Customs Declaration Forms

Effective January 2, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) section 123.3 to clarify the information that a mailer must provide on a manifest when using a privately printed customs form that doesn't have a separate Post Office™ copy.

A mailer who uses a privately printed customs form rather than a USPS®-printed PS Form 2976, *Customs Declaration CN 22 — Senders Declaration* (green label), or PS Form 2976-A, *Customs Declaration and Dispatch Note — CP 72*, has the option to either include a Post Office copy

(as included on the USPS-printed forms) or to provide the required information on a manifest.

Currently, IMM 123.3b indicates that a mailer who uses a privately printed customs form without the optional Post Office copy must provide a manifest that includes “the sender's print authorization number (barcode).” However, the information the Postal Service actually requires on the manifest is not the barcode itself but rather the corresponding human-readable characters that match the barcode printed on the form. The following revision clarifies this requirement.

* * * *

123.3 Privately Printed Forms

[Revise the last paragraph of 123.3 to read as follows:]

Upon receipt of the request, the NCSC will send mailers an application and specifications for preparing PS Form 2976 and/or PS Form 2976-A. The application clearly explains the process necessary for authorization. When authorized by the NCSC, a mailer may omit printing the Post Office copy of PS Form 2976 and/or PS Form 2976-A by submitting an authorized manifest of the items. The manifest must

be typewritten, legibly handwritten, or computer-generated, and it must contain the following information:

- The sender's name and address (appearing once on the manifest).
- The edition date of the privately printed form (appearing once on the manifest).
- The same certification statement that is printed on the Postal Service PS Form 2976 or 2976-A, and the mailer's signature and date (appearing once on the manifest).
- For each item, the foreign recipient's name and delivery address.
- For each item, the corresponding human-readable characters that match the barcode printed on the form.

IMM Revision: IPA and ISAL Drop Shipment Service for Chicago International Service Center

Effective January 2, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* sections 292.532 and 293.532 to update information regarding the International Service Center (ISC) in Chicago, Illinois.

This IMM revision and *Postal Bulletin* article follow up the article titled "IPA and ISAL Drop Shipment Service for Chicago and San Francisco Locations" in *Postal Bulletin* 22294 (9-23-10, pages 6–8). That article noted that the Chicago ISC was moving certain processing operations from a facility at O'Hare Airport to a facility on West Irving Park Road. Some operations would be moved effective November 1, 2010, and other operations would be moved at a later date, with notification to follow. This article provides that notification.

Consequently, effective January 2, 2011, mailers entering any International Priority Airmail™ (IPA®) and International Surface Air Lift® (ISAL®) mail (either "cleared" or "uncleared") at the Chicago ISC must submit the mail at the West Irving Park Road facility.

Handbook F-101 Revision: POS System Enhancement — Electronic Signatures on PS Form 3294

Effective December 2, 2010, Handbook F-101, *Field Accounting Procedures*, is revised to reflect a POS system enhancement that provides an electronic signature of the supervisor that initiates cash and stamp credit counts. The POS system-generated PS Form 3294 will now record the electronic signature of the supervisor initiating the count and the employee accepting the count. POS will only prompt for an actual signature when a witness is used to count an absent employee's cash or individual stamp credit.

Handbook F-101 Revision: Handling Postage Validation Imprinter Label and PO Postage Meter Voids and Refunds

Effective December 2, 2010, upon installation of new software for the point-of-service (POS ONE) system and for the integrated retail terminal (IRT), a system-generated receipt will be used in place of PS Form 3533, *Application for Refund of Fees, Products and Withdrawal of Customer Accounts*, for PVI label errors, voids, and refunds. Also, a new Account Identifier Code, AIC 509, Voided Postage Validation Imprinter (PVI) Labels, has been established to record damaged PVI label errors, voids, or refunds as well as damaged Post Office™ postage meter strips. All Post Offices and postal retail units (PRUs) will no longer use AIC 553, Refund of Postage and Fees, for PVI labels and Post Office postage meter strip errors or reimbursements. PRUs with eMOVES will continue to use PS Form 3533 for Post Office postage meter strip errors or refunds and report it into AIC 509.

Effective December 2, 2010, Handbook F-101, *Field Accounting Procedures*, is revised to update the sections dealing with the revised PS Form 3294, *Cash and Stamp Stock Count and Summary*, for Post Offices™ and field offices. The revised form (see pages [37–38](#)) is to be utilized by non-POS units when performing a cash/stamp credit examination.

For more information about the changes and ordering instructions, see the following related article “Revised PS Form 3294, Cash and Stamp Stock Count and Summary” on page [19](#).

11 Accountable Paper — Postal Retail Units

11-10 Accounting for Unit Reserve Stock

11-10.2 Transferring Accountability

11-10.2.2 How to Transfer Accountability

[Revise text to read as follows:]

An independent count of the unit reserve stock must be performed by the unit stock custodian and the replacement custodian when accountability is transferred to or from the unit reserve stock custodian. Use PS Form 3294, *Cash and Stamp Stock Count and Summary*, to record the following:

- The names of those involved.
- The date of the transfer.
- The accountability figures.
- Signatures.

After counting the stamp stock with a witness (recorded in detail on PS Form 3294), accept initial custody by signing the form. This indicates agreement with the witnessed stamp stock count.

The person to whom accountability is being transferred accepts responsibility for the stock by completing and signing PS Form 3369, *Consigned Credit Receipt*.

Complete PS Form 3958 by entering or verifying the following:

- a. The opening balance (from the previous PS Form 3958 closing balance).
- b. Any overage from the count.
- c. Any shortage from the count.
- d. Closing balance (should equal the results on PS Form 3294).

- e. The date and signature.

Keep the original signed PS Form 3294 and PS Form 3958. Have the vault combination changed to restrict access to the former custodian.

13 Stamp Stock and Cash Credits

13-1 Overview

13-1.3 Stamp and Cash Credit Files

Stamp and cash credit files must contain the following (if applicable):

[Revise item a to read as follows:]

- a. PS Forms 3294, *Cash and Stamp Stock Count and Summary*, or system-generated PS Form 3294 along with the system-generated counts sheets. (Retention period is 2 years.)

13-3 Individual Stamp Credit Counts

13-3.2 Scheduling Counts

When scheduling counts, supervisors must follow these requirements:

[Revise item b to read as follows:]

- b. Count stamp credits before the employee has made any transactions.

13-3.4 Preparing the Count

[Revise text to read as follows:]

Before a count, the supervisor must prepare as follows:

- a. Verify the total unit accountability (see subchapter 11-11).
- b. Ensure that all pending stock transfers are complete.
- c. For non-POS units, obtain the closing balance as reported in AIC 853 on the employee's last PS Form 1412, and record the amount in the section Stamp Credit as reported in AIC 853, under **Cash/Stamp Stock Credit Count Summary** on PS Form 3294.
- d. Ensure that there are no pending financial adjustments.

- e. Verify that the closing balance, as reported in AIC 853 on the employee's last PS Form 1412, matches the total of the stamp credit on the clerk balance list or manual accountability recap form.
- f. From Item 0137A, green logbook [see section 13-2.4], determine the serial numbers of money orders issued to the employee and complete the Verification of Money Orders section of PS Form 3294.

13-3.5 Physical Count

[Revise text to read as follows:]

At non-POS units, the supervisor must enter the count to one PS Form 3294, and the employee must enter an independent count to a separate PS Form 3294.

At POS units, the supervisor must enter the count on one system-generated count sheet, and the employee must enter an independent count to a separate system-generated count sheet. Both must verify by item and resolve any discrepancies.

[Revise title to read as follows:]

13-3.6 Completing PS Form 3294

[Revise text to read as follows:]

At non-POS units, the supervisor and the employee must independently complete the following sections of their PS Forms 3294:

- a. Worksheet for Unit Cash Reserve Count or Cash/Stamp Stock Credit Count on page 1.
 - Count each denomination of cash and enter the number in the Quantity column.
 - Multiply the quantities by the denominations and enter the result in the Amount column.
 - Total the Amount column and enter the result to Total Cash.
 - Transfer the Total Cash amount to the Total Cash as Counted line under **Cash/Stamp Stock Credit Count Summary**.
- b. Saleable Stamp Stock
 - Count each item of saleable stock and enter the item number, value, and quantities in the appropriate blocks on page 2 of PS Form 3294.
 - Multiply the total number of each item by its value.
 - Total all the blocks and enter the results to Sub-total Stamp Stock at bottom right corner of page 2 on PS Form 3294.
- c. Redeemed Stamp Stock
 - Count each item of redeemed stock and list by item description, item number, price, and quantity in the Redeemed Stock section on page 2 of PS Form 3294.

- Calculate dollar values by multiplying the quantity by price (redemption rate) for each item.
- Total all of the redeemed stamps and enter the result to Total Redeemed at bottom right corner of page 2 on PS Form 3294.

- d. Add Sub-total Stamp Stock to Total Redeemed to obtain Total Stamp Stock. Transfer this figure to Total Stamp Stock as counted Line under **Cash/Stamp Stock Credit Count Summary**.
- e. Add amounts reported for Total Cash as counted and Total Stamp Stock as counted to get Grand Total Cash and Stamp Stock as counted.
- f. Calculate the Difference by subtracting the amount reported for Stamp Credit as reported in AIC 853 (from last PS Form 1412) from the amount reported for Grand Total Cash and Stamp Stock as Counted.
- g. Check the appropriate Action Taken box on PS Form 3294. A negative amount is a shortage and a positive amount is an overage.

At POS ONE units, the supervisor must do the following:

- a. Log on to POS as the back office supervisor.
- b. Select <Count Inventory and Cash>, <Start New Count>, and follow the prompts.
- c. Enter the results of all counts performed in the POS system.

After the supervisor has finished entering the count into the system, the system sends the count summary to the employee to whom the stamp credit is assigned. The employee must then review and acknowledge the count summary.

PS Form 3294 prints automatically after a cash and stamp credit count is entered into and accepted by the accountability owner in POS ONE. Retain the system-generated PS Form 3294, *Cash and Stamp Stock Count Summary*, along with system-generated count sheets.

13-3.7 Completing the Count

The supervisor and employee complete the stamp credit count as follows:

* * * * *

[Revise item c to read as follows:]

- c. The two employees that performed the count must sign and date both copies of PS Form 3294.

Note: PS Forms 3294 that are certified electronically do not require a signature.

- (1) The supervisor files one copy of the form in the employee's stamp credit file.
- (2) The employee keeps a copy of the form.

* * * * *

13-3.8 Count Tolerance

* * * * *

[Revise the third paragraph to read as follows:]

All counts performed must be recorded on the appropriate PS Forms 3293, 3294, or system-generated PS Form 3294 and be documented using PS Form 3368-P, regardless of whether the result of the count is within the tolerance. The RA must not make any entries on PS Form 1412 when the count is within tolerance.

* * * * *

13-4 Unit Reserve Stamp Stock Credit Count

The count of the unit reserve stamp stock credit is the same as a stamp credit count for an employee (see subchapter 13-3) with these exceptions:

* * * * *

[Revise item e to read as follows:]

- e. For non-POS units, obtain the closing balance from the last system-generated (IRT units) or manual (eMOVES units) PS Form 3958, and record to Stamp Stock per PS Form 3958 under **Unit Reserve Stamp Stock Count Summary** on PS Form 3294.

* * * * *

13-6 Contract Postal Unit Stamp Credit Count

* * * * *

* * * * *

[Revise items f, h, and i to read as follows:]

- f. Use PS Form 3294 to document the stamp credit count. One PS Form 3294 must be completed by the supervisor and one by the contractor.

* * * * *

- h. On PS Form 3294, in Notes, etc., the Postal Service official performing the count must annotate the following: "Any financial discrepancy subsequently discovered, related to financial transactions performed for the period the CPU contract is in effect, will be the responsibility of the CPU contractor to resolve with the COR."

- i. The supervisor and contractor must sign and date both copies of PS Form 3294. The contractor keeps a copy of the signed PS Form 3294.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Noncash Recognition Award Update — New Authorized Gift Certificate Award Suppliers

Effective December 1, 2010, the Postal Service™ added two new suppliers of gift certificates for use as recognition awards. Below is updated information for managers to use in implementing the program. Additional information can be found in the *Employee and Labor Relations Manual* (ELM) 470, Recognition and Awards; in Management Instruction FM-640-2010-1, *Postal Service Tax-Reporting Responsibilities — Event Mementos*; and on the Compensation website:

http://blue.usps.gov/humanresources/professionalportal/directreports/compensation/pay_awardsandrecog_main.shtml?

Gift Certificates

Purchasing Requirements

There are three approved suppliers that managers are authorized to use for purchasing gift certificate awards valued at \$25 or more: 1) Corporate Rewards; 2) GiftCertificates.com; and 3) Intelispend. Gift certificates are considered off-catalog purchases. This means that you must obtain purchase approval through eBuy2, but purchase gift certificates from the vendors' dedicated Postal Service websites (listed here) using a VISA SmartPay credit card for payment. You can find the vendors' addresses, contract numbers, and other information on their websites. To stay within your local buy limits, multiple orders can be placed against these contracts/agreements and are not considered split purchases as long as they do not exceed the ordering limits in the governing contract/agreement (HBK AS-709, *Purchase Card Policies and Procedures for Local Buying*, section 121).

Gift certificates purchased from the authorized vendors are generally limited to denominations of \$25, \$50, \$100, \$150, \$250, and \$500. However, certificates of different denominations may be purchased with the agreement of the supplier. In addition, managers may purchase gift certificates valued at less than \$25 from other sources, adhering to all Postal Service and local purchasing rules and regulations.

Reporting Requirements

The Internal Revenue Service (IRS) requires that all gift certificate awards, regardless of their value, be reported as income. The Postal Service eAwards application is the only authorized method for this reporting. Report gift certificate awards in eAwards under the appropriate award type, depending on the employee category and reason for the award. **(Note:** Not all employees are eligible to receive gift certificate awards. Please refer to ELM 470 to verify a recipient's eligibility prior to presenting the award. The eAwards application will not accept reporting for employees ineligible to receive an award.)

Gift certificate awards should be reported in the same pay period they are issued for accounting purposes, but must be reported in the same calendar year that they are issued for proper income tax reporting. The eAwards system normally stops accepting new award entries for fiscal year-end processing in late September, and for calendar year-end processing in mid December. Awards not approved by the approver designated in eAwards by the close of business on these cut-off dates will be held for processing in either the next fiscal year or calendar year. The fiscal year cut-off date is announced in the annual *Postal Bulletin* article regarding fiscal year-end activity. The calendar year cut-off will be posted on the eAwards message board.

For career employees, the payroll system automatically calculates and pays tax assistance on gift certificate award amounts that equal or exceed \$50. The additional tax liability is charged to the finance number indicated in eAwards at the time of award submission and approval. Normal payroll deductions will be withheld from the paycheck relevant to the pay period the award is entered in eAwards for gift certificate awards valued at less than \$50 presented to career employees. Tax assistance is not provided for non-career employees who receive gift certificate awards.

These instructions apply to all gift card purchases. Additional processes and controls, set by the officer of an organization, may also apply.

American Express Gift Cheques

Purchasing Requirements

The Postal Service has entered into an exclusive contract with Intelispend for the purchase of American Express Gift Cheques to be used as cash equivalent awards for employee recognition. Intelispend is the only authorized source of cash equivalent awards; no gift checks, debit cards, or other cash equivalent awards may be purchased from any other vendor. American Express Gift Cheques can be purchased only through eBuy2; they may not be purchased directly from the American Express website or any other source.

American Express Gift Cheques are available only in \$100 denominations. You can issue American Express Gift Cheques purchased under this contract only as cash equivalent recognition awards; you cannot use them for any other purpose.

Reporting Requirements

The Internal Revenue Service (IRS) requires that all cash equivalent awards, regardless of their value, be reported as income. The Postal Service eAwards application is the only authorized method for reporting this income. Report cash equivalent awards in eAwards under the appropriate award type, depending on the employee category and reason for the award. **(Note:** Not all employees are eligible to receive cash equivalent awards, so verify a recipient's eligibility prior to presenting the award. The eAwards application will not accept reporting for employees ineligible to receive an award.)

Cash equivalent awards should be reported in the same pay period they are issued for accounting purposes, but must be reported in the same calendar year that they are issued for proper income tax reporting. The eAwards system normally stops accepting new award entries for fiscal year-end processing in late September, and calendar year-end processing in mid December. Awards not approved by the approver designated in eAwards before these cut-off dates are held for processing in either the next fiscal or calendar year. The payroll system automatically calculates and pays tax assistance on cash equivalent awards. The additional tax liability is charged to the finance number indicated in eAwards at the time of award submission and approval.

These instructions apply to all cash equivalent purchases. Additional processes and controls, set by the officer of an organization, may also apply.

Merchandise Items

Noncash tangible merchandise items may be used for recognition awards. These items include apparel, tickets for a specific sporting or entertainment event, plaques, electronic devices, and other personal property. Certificates that can be exchanged for event tickets at nonspecific dates and times are considered gift certificates and must always be reported in eAwards, regardless of value.

Purchasing Requirements

You can procure noncash tangible merchandise items locally in accordance with established Postal Service and local purchasing rules and regulations.

Reporting Requirements

Noncash tangible merchandise items are considered income by the IRS, but items valued at less than \$50 do not require reporting. If the value of merchandise items presented for recognition is equal to or exceeds \$50, report the award in eAwards under the appropriate award type depending on the reason for the award and the employee category. If an employee receives multiple noncash tangi-

ble items valued at less than \$50 during the calendar year, these items are to be tracked and if the total amount of these items meets or exceeds \$50 in value, the entire amount must be reported as income. Personalizing a merchandise item, such as apparel or a plaque, does not exclude it from IRS reporting requirements; personalized items must be reported in eAwards if the value meets or exceeds the \$50 threshold. Report noncash tangible awards in eAwards under the appropriate award type, depending on the employee category and reason for the award. **(Note:** Not all employees are eligible to receive non-cash tangible merchandise items as awards, so verify a recipient's eligibility prior to presenting the award. The eAwards application will not accept reporting for employees ineligible to receive an award.)

Awards and Gifts Presented at Conferences, Meetings, and Training Sessions

Specific Postal Service rules and IRS regulations exist for awards and gifts presented at onsite and offsite meetings, training sessions, conferences, etc. See Management Instruction FM-640-2010, *Postal Service Tax-Reporting Responsibilities — Event Mementos*, for more information regarding gifts given to Postal Service employees by the Postal Service, and also by outside sources in this context.

Updated Announcement 10-E: 2010 Stamps and Postal Stationery

"2010 Stamps and Postal Stationery" (Announcement 10-E, December 2010), which appears on pages [46–48](#), replaces the quarterly announcement of the same name, previously printed and sent to customers on request through Stamp Fulfillment Services in Kansas City. The announcement is a listing of stamps and postal stationery items scheduled for issuance during calendar year 2010. Postmasters may wish to post this schedule on their Post Office™ bulletin boards.

Customers may also access the *Postal Bulletin* through the Postal Service™ website at www.usps.com; click *About USPS & News*, then *Forms & Publications*, then *Postal Bulletin*.

This announcement will be updated every 2 to 3 months, as changes warrant.

How to Order First Day of Issue Postmarks and Covers

Customers may purchase new stamps or postal stationery items at their Post Office, from the *USA Philatelic Catalog*, by calling 800-STAMP-24, or online at www.usps.com by clicking *Buy Stamps & Shop*. Then they should prepare their own covers by affixing new stamps to the upper-right corner of envelopes or postcards of their choice, and address those envelopes, postcards, or postal stationery items to themselves or others. (Postage must equal the current First-Class Mail® rate.) For sturdiness, include a card of postcard thickness in each cover

(envelopes only) submitted, and tuck in the flap. Place the cover in a larger envelope addressed to:

Name of Issue
Postmaster
City, State ZIP Code (followed by -9998)

Covers submitted for first day of issue postmarks may include additional uncanceled stamps only if the uncanceled stamps were issued before the first day of issue of the new stamps or postal stationery items. All orders must be postmarked on or before the deadline indicated in the

“2010 Stamps and Postal Stationery” announcement on pages [46–48](#).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

For Orders Exceeding \$10,000

Use eBuy to process both centralized and decentralized brochure orders that exceed \$10,000.00. In the Purchasing Method field, select "Route Req to Supply Mgmt," then in the After Approval Route field, select "Eastern Services CMC (Memphis, TN)." Include completed PS Form 3227-O with imprint information with the eBuy order.

Note: These approved eBuy orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. You should save copies of all orders placed at your local Post Office until the order has been received. Ensure procedures are in effect locally for proper verification of receipt.
