Effective January 1, 2013, the Postal Service will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 7031.6.11 to update the value of a low-cost item for 2013. Under statutory restrictions in the DMM 7031.6.11, products that are mailed at the Nonprofit Standard Mail® prices must meet at least one of three exceptions. A *low-cost item* is one of the exceptions referenced in the Internal Revenue Code. The value of a low-cost item — the actual cost to the authorized nonprofit organization — is determined each year by the Internal Revenue Service, adjusted for the cost of living. For 2013, the value of a low-cost item is \$10.20 or less.

IMM Revision: Addressing Foreign Mail

Effective January 27, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 122.1 and 122.2 to stipulate that the addressee's full legal name — defined for international mailing purposes as the addressee's first name, middle initial (if applicable), and last name — and complete address must appear on international mailpieces.

Having the full legal name and complete address information enables the Postal Service and other federal agencies to ensure mailers' compliance with federal export requirements.

* * * * *

122 Addressing**122.1 Destination Address**

[Insert the following introductory text and revise items "c" and "d" to read as follows:]

International destination addresses must comply with the standards in this section.

Note: In items c, d, and i, the term "full legal name" means the name that corresponds to the addressee's government-issued identification — i.e., the addressee's first name, middle initial (if applicable), and last name.

* * * * *

- c. The addressee's full legal name (see Note above) and complete address must appear legibly with roman letters and Arabic numerals, all placed lengthwise on one side of the item. For parcels, addresses should also appear on a separate slip enclosed in the parcel.

- d. Addresses in Russian, Greek, Arabic, Hebrew, Cyrillic, Japanese, or Chinese characters must bear an interline translation in English of the addressee's full legal name (see Note above) and complete address (including country). If the English translation is not known, the foreign language words must appear in roman characters (either printed or script). See 292.41 and 293.41 for an optional addressing procedure that applies only to direct country sacks of International Priority Airmail (IPA) or International Surface Air Lift (ISAL) mail, respectively.

* * * * *

[Delete item "f," redesignate items "g" through "k" as "f" through "j," and revise newly renumbered item "i" to read as follows:]

- i. The address of items sent to general delivery must indicate the addressee's full legal name (see Note above) and the city and country of destination. The use of just initials, simple given names, fictitious names, or figures is not permitted on articles addressed for general delivery.

* * * * *

122.2 Return Address

[Revise 122.2 in its entirety to read as follows:]

122.21 General

The return address tells the U.S. Postal Service or foreign post where to return a mailpiece that cannot be delivered. Due to heightened security concerns, the U.S. Postal Service recommends a complete return address on all mailpieces — see 122.23 for when a return address is required. A mailpiece may include only one return address, and the mailer must place it so that it does not affect either the clarity of the address of destination or the application of service labels and notations (postmarks, etc.).

122.22 Elements of a Return Address

A complete return address must include the sender's full legal name (see the Note in 122.1) and complete return address in roman letters and arabic numerals — it may not

include just initials except where they are an adopted trade name.

122.23 Required Use of Return Address

In bulk mailings, all mailpieces must bear a U.S.-origin return address visible on the outside of the mailpiece. For the purpose of this section, a “bulk mailing” is any IPA or ISAL mailing, or any other mailing paid with an advance deposit account and presented to the U.S. Postal Service

for acceptance. In addition, a return address is required for mailpieces bearing a customs form under 123.7.

IMM Revision: Shipments of Lithium Batteries to Germany Prohibited

Effective November 29, 2012, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect a change in the Individual Country Listings (ICLs) to prohibit the shipment of lithium cells and batteries to Germany.

The article titled “IMM Revision: Outbound Mailing of Lithium Batteries” in *Postal Bulletin* 22350 (11-15-12, page 15) announced new mailing standards that removed the prohibition against mailing lithium metal or lithium-ion batteries internationally, or to or from any Army Post Office™ (APO), Fleet Post Office (FPO), or Diplomatic Post Office (DPO) location, when not restricted or prohibited by the destination country or the APO, FPO, or DPO location.

However, subsequent to the submission of that article, Germany formally advised the Postal Service that it is prohibiting the inbound shipment of these items.

Consequently, shipments of electronic items containing lithium cells and batteries destined to Germany will be refused if presented for mailing or will be returned to the sender if found in the mailstream.

This prohibition does not apply to shipments to and from APO, FPO, and DPO locations in Germany.

Effective January 27, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) item 123.61c to clarify that the requirement for an export license might require the mailer to send the mailpiece via Express Mail International® service or Priority Mail International® service (but not with Priority Mail International Flat Rate Envelopes or Small Flat Rate Priced Boxes).

There are no substantive changes to this revision — as indicated in 123.61c, an export license must always bear PS Form 2976-A, *Customs Declaration and Dispatch Note* — CP 72, and the only authorized mail classes that may be used with this form are Express Mail International items or Priority Mail International items (excluding the Priority Mail

International Flat Rate Envelopes or Small Flat Rate Priced Boxes).

Handbook AS-709 Revision: Procedures for Local Buys

Effective November 29, 2012, Handbook AS-709, *Purchase Card Policies and Procedures for Local Buying*, is revised to reflect the policies in the *Administrative Support Manual* and to provide procedural guidance when an individual delegated local buying authority believes that a potentially prohibited source is the only available source.

31 Your Responsibilities

313 Use Your Credit Card Properly

313.1 Ethics and Business Practices

[Revise 313.1 to read as follows:]

ASM 722.41 requires all employees to adhere to the Standards of Ethical Conduct for Employees of the Executive Branch, 5 CFR 2635. As an employee who has been delegated local buying authority, you are to consult with local management or a Postal Service ethics official when questions regarding these standards arise. See 212.7 for more information on the standards.

Keep in mind that you may not make a local buy from any of the following:

- a. A Postal Service employee.

- b. A spouse of a Postal Service employee.
- c. Another family member of a Postal Service employee.
- d. An individual residing in the household of a Postal Service employee.
- e. A business organization substantially owned or controlled by any of the above.

As defined in ASM 722.42, "A Postal Service employee is any Postal Service officer or employee working on a full-time or part-time basis in a career or noncareer position, including specifically persons in temporary positions such as postmaster replacements, rural carrier reliefs, and postal support employees."

Individuals who have been delegated local buying authority should search for sources that do not create ethical conflicts to fulfill their business needs. The following methods may be beneficial when searching for suppliers:

- Posting notices in local Post Offices.
- Posting notices on other community bulletin boards.
- Searching for suppliers in the yellow pages.
- Searching for suppliers on the Internet.
- Posting notices via electronic media.

If an individual, who has been delegated local buying authority, after searching for an alternate source believes that a prohibited source is the only way to fulfill the need, he or she must consult the Ethics Office. Based on the Ethics Counsel's advice, the individual may request a deviation following the procedures in 111.4.

Merchandise Return Service Has Internal Web Page

Merchandise Return Service (MRS) now has its own internal Web page on the Postal Service™ intranet site that will serve as an information resource for employees who process MRS on a regular basis. The web page provides updates about MRS training, documentation, and Sarbanes-Oxley Act (SOX) compliance. MRS will be subject to SOX compliance testing beginning in January 2013.

Extension of the Deadline for Intelligent Mail Package Barcode Use

The Postal Service™ is extending the deadline for the mandatory use of Intelligent Mail® package barcodes (IMpb) to January 28, 2013, from its previously announced deadline of January 7, 2013. This new deadline will coincide with the discontinuation of POSTNET™ barcodes for automation price eligibility.

The January 7, 2013, mandatory-use date was first announced in the September 27, 2011, *Federal Register* final rule (76 FR 59504-59512) and also in the November 17, 2011, *Postal Bulletin* (PB 22324).

Effective January 28, 2013, the Postal Service will require an IMpb on all commercial parcels (except Standard Mail® parcels) claiming presort or destination entry pricing; on all mailer-printed domestic Express Mail®

labels, except those pieces paying postage through an Express Mail corporate account (EMCA); and on all mailer-printed barcoded extra service labels. In support of IMpb use, the Postal Service will also require use of version 1.6 electronic shipping services manifest files, including use of the correct ZIP + 4® or the correct destination delivery address associated with each IMpb in the mailing effective January 28, 2013. Mailers with approved exceptions will be required to use IMpb in accordance with the terms of their exception. See *Postal Bulletin* 22324 for information relating to the exception process.

Mail Recovery Center

Mail Recovery Center Guidelines

The Mail Recovery Center (MRC) in Atlanta is the U.S. Postal Service®'s official "lost and found" department. Formerly the "Dead Letter Office," the MRC has had several consolidations that have centralized the operation from four centers into one.

As part of the 2011 USPS® reorganization, the MRC operations moved to the Supply Management group under the Asset Management organization. Initial assessments of the MRC indicate significant opportunities to streamline and improve existing processes. Asset Management is sponsoring a Lean Six Sigma (LSS) project that covers the MRC's processes and improvements to process inputs.

The MRC receives many items that do not meet the guidelines for acceptance or customer searches. A major project objective is to improve the quality of process inputs or items sent to the MRC from various postal facilities. The LSS team is developing communications pieces that provide guidance on how to prepare mail and other loose items to be sent to the MRC.

Items that are allowed to be sent to the MRC include the following:

- Loose-in-mail (LIM) items valued \$25 or more.
- Eyeglasses.
- Cell phones.
- Guns as per the *Postal Operations Manual* (POM) 691.57.
- Clothing: high-valued used and all new clothing.

For plant separations for the MRC, dispatch letters daily and parcels weekly as follows (see POM 691.581):

- Letters in letter trays.
- Flats in flat tubs.
- Books in flat tubs.
- Parcels in flat tubs if parcels are small in size.
- LIM and multi-media in flat tubs.

Invalid Express Mail Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate an Express Mail Corporate Account (EMCA) number online. For all other locations, online EMCA validation is preferred. The online validation process is outlined in the EMCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Express Mail® shipments bearing an invalid EMCA number in the “Payment by Account” or “Agreement Number” section of the Express Mail label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Exhibit 5, Boxing and Packaging Tips

Safe delivery starts with careful preparation. When sending a package, follow these guidelines to get shipments off to a good start.

The Box — Choose a box with enough room for cushioning material around the contents. If reusing a box, cover up or black out any old labels and markings.

Cushioning — Place cushioning around items. Close and gently shake the box to see if enough padding. Add more newspaper, packing foam, or plastic cushioning material if the items move around.

Customer Identification information — Place the delivery and return address information (recipient and sender) **inside package prior to sealing**. Insert address information inside books.

Sealing — Tape box shut and reinforce the seams with 2-inch-wide tape. Use clear or brown reinforced packing tape. Do not use cord, string, or twine because they will get caught in mail processing equipment.

Size — The weight of packages cannot exceed 70 pounds.

Correct Address — Using a **complete and correct address is critical** for efficient delivery. Always use ZIP + 4® when possible. Always use correct return address. Print or type clearly with a pen or permanent marker so the address is legible.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of

issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

The background of the main text area is a collage. It features a large, bold "USPS" logo at the top. Below it, the text "receives no federal tax dollars for its operations." is written in a large, white, sans-serif font with a black outline. The background itself is a mix of US currency (showing the "ONE" and "FIVE" denominations) and a grayscale image of the US Capitol dome.
