## Cover Story

### National Dog Bite Prevention Week, May 19–25, 2013

The U.S. Postal Service continues its tradition of calling attention to one of the nation's most commonly reported public health problems: dog attacks and bites. From nips and bites to actual attacks, violent dog behavior continues to pose a serious threat to our employees.

To emphasize the enormity of this issue, we are reporting the number of dog attacks and bites as one number. Last year, 5,879 Postal Service™ employees were victimized by dogs.

Sponsored by the U.S. Postal Service®, National Dog Bite Prevention Week is a public service campaign that offers safety tips and emphasizes the need for increased owner responsibility in the prevention of dog attacks.

This year's National Dog Bite Prevention Week is May 19–25. The tools available in this kit, and additional tools now electronically posted, will guide you in promoting awareness of this public health concern in an effort to reduce dog attacks and bites in your community.

Please take full advantage of our field communications professionals listed in this kit when promoting this initiative.

Prevention Week**

- Train your dog. The basic commands “sit,” “stay,” “no,” and “come” help dogs understand what is expected of them and build a bond of trust between pets and people.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat. Please take precautions when accepting mail in the presence of your pet.
- If a dog threatens you, don’t scream. Avoid eye contact, remain motionless until the dog leaves, then back away slowly until the dog is out of sight.
- Never turn your back to a dog and run away. A dog’s natural instinct will be to chase and catch you.
- When accepting mail at your door, place your dog in a separate room and close the door.
- If you believe a dog is about to attack you, try to place something between you and the dog, such as a purse, a backpack or a bicycle.

### Dog Bite Prevention Background and Tips

#### *The Victims*

- More than 4.5 million people are bitten annually.
- Children are the majority of victims and are 900 times more likely to be bitten than letter carriers.
- The American Veterinary Medical Association (AVMA) and the American Academy of Pediatrics (AAP) report that small children, the elderly, and letter carriers, in that order, are the most frequent victims. Dog attacks are the most commonly reported childhood public health problem in the United States.
- The AVMA also reports that the number of dog attacks exceeds the reported instances of measles, whooping cough, and mumps, combined. Dog bite victims account for up to 5 percent of emergency room visits.

- Many attacks reported by letter carriers in 2011 came from dogs whose owners used those famous last words, “my dog won’t bite.”
- According to the AVMA, as many as 800,000 people annually are admitted to U.S. emergency departments with dog bite–associated injuries, and countless more bites go unreported and untreated.

#### *How to Avoid Being Bitten*

- Don’t run past a dog. The dog’s natural instinct is to chase and catch you.
- If a dog threatens you, don’t scream. Avoid eye contact. Try to remain motionless until the dog leaves, and then back away slowly until the dog is out of sight.
- Don’t approach a strange dog, especially one that’s tethered or confined.
- While letter carriers are discouraged from petting animals, people who choose to pet dogs should always let a dog see and sniff them before petting the animal.
- If you believe a dog is about to attack you, try to place something between yourself and the dog, such as a backpack or a bicycle.

#### *How to Be a Responsible Dog Owner*

- Obedience training can teach dogs proper behavior and help owners control their dog in any situation.
- When the letter carrier comes to your home, keep your dog inside, away from the door, in another room, or on a leash.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat. Please take precautions when accepting mail in the presence of your pet.
- Dogs that haven’t been properly socialized, receive little attention or handling, or are left tied-up for long periods of time frequently turn into biters.

**[City]** — They walk the streets of **[City]** every day, and Saturday, **[Date]** at **[Time]**, **[Your City]** letter carriers are bringing friends and family along with them to deliver a very special message. The message they will deliver has received a lot of media attention lately, but it is one that letter carriers have been concerned about for decades. It is the need for the entire community to work together to avoid the cost and pain of dog bites.

Last year, nearly 5,900 letter carriers were bitten or attacked by dogs. But that number pales in comparison to the more than 2 million children who received dog bite injuries in a single year.

“That’s why we’re coming out on a Saturday to deliver this important message,” says Postmaster **[Postmaster Name]**. “Several of our letter carriers know first-hand about both the prevention and the pain of animal attacks, and we want to do whatever we can to help educate the community — especially parents and pet owners.”

Letter carriers who are on the job after recovering from animal attacks will lead the parade and are available to talk about their experience. **[Name of Health Care or Animal Protection Official]** will join letter carriers along their route to talk about dog bite prevention and responsible pet ownership. A sample of some important facts that officials can share is attached. **[Attach Dog Bite Prevention Background.]**

## Public Service Announcement May 19–25 is National Dog Bite Prevention Week

Below, are three public service announcements (PSAs) for your consideration. Spring is here, more people and dogs will be on the street and this is the perfect time to participate in an education campaign aimed at reducing these painful and costly attacks.

For decades, the U.S. Postal Service® has taken a leadership role in preventing animal attacks because letter carriers are the third most likely group to be bitten by a dog. Children and the elderly rank number one and two, respectively. More information is found on the Dog Bite Prevention Background and Tips sheet attached. **[Attach Dog Bite Prevention Background and Tips sheet.]**

Please join the Postal Service™ in this important public education campaign by using these public service announcements and by interviewing Postal Service, animal protection and public health officials during National Dog Bite Prevention Week.

### PSA 1

It's that time of year again, and the Postal Service, healthcare providers and animal protection professionals need your help. Last year, nationwide, nearly 5,900 letter carriers were bitten by dogs. But that pales in comparison to the more than 4.5 million people — most of them children and the elderly — who are bitten by dogs each year. You can help protect your letter carrier, meter reader, newspaper delivery person and neighbors' children by making sure your pet is properly restrained. Be a responsible pet owner. Help prevent the injuries and deaths caused by animal attacks. This message is a public service of this station and your local Post Office™.

### PSA 2

At this point in our nation's history, even the comedians know that "dog bites man" is no laughing matter. That's why the nation's letter carriers, who were victimized by nearly 5,900 dog attacks last year, are reminding pet owners to restrain their dogs to protect letter carriers, meter readers, children and others who may come near their dogs. This message is a public service of this station and your local Post Office.

### PSA 3

Pet owners, did you know that if your dog attacks a letter carrier, you could be held liable for all medical expenses and other costs, which can run into thousands of dollars? Don't think your fence is the only protection you need — especially if a letter carrier or delivery person must enter your yard. The Postal Service is not anti-dog, but pro-responsibility. Responsible pet ownership includes making sure your pet is properly restrained. Last year, nearly 5,900 letter carriers were attacked while delivering the mail. Help your letter carrier deliver safely for you. This message is a public service of this station and your local Post Office.

###

## Community Involvement

Most people think children and dogs go together naturally, and they often do, but it may shock you to learn that children are the most common victims of dog attacks. You can use the following talk and the enclosed handout to alert schoolchildren to two important points in preventing dog attacks: Responsible pet ownership and safe behavior around dogs.

Sponsoring a poster contest gets children involved in spreading the word about preventing dog attacks. Colorful posters that result from the contest are a great way to get the word out to the public.

Due to budget constraints, the 2013 dog bite prevention poster was not printed. Postmasters should email [mark.r.saunders@usps.gov](mailto:mark.r.saunders@usps.gov) to obtain a link to the high resolution image for local printing. Postmasters are asked to only display a color image of the 2013 dog bite prevention poster on their community bulletin board, located in their PO Box™ lobby, from May 19 to 25. The poster must be removed from the bulletin board by May 26, but may be displayed in the employee area through August 31. Postmasters who do not have color printers are asked to have color posters printed at their district offices. It's important that *only* color posters are displayed.

Get postmasters and station managers to hang posters or to display them on bulletin boards or at local high-traffic grocery stores.

The postmaster is one of the key leaders in each community. Postmasters should use their influence to win support from other key leaders for our campaign to reduce dog attacks. The suggestions in this section will get you started toward some cooperative campaigning for dog bite awareness.

### Sample Postmaster Columns

Using the following sample postmaster columns will help you spread the word about the Postal Service's efforts to protect letter carriers and children in the community. The message is that dog attacks are a serious matter, and by helping protect letter carriers, the public is protecting everyone.

Place these columns on your letterhead and take or send them to your local newspapers. It's a good idea to localize the articles with experiences from your own Post Office or community. Contact local newspaper editors to propose running the column weekly for three weeks. You should also post copies of these columns on your information boards.

Although the material is designed specifically for use during the spring, you also can use it to build community awareness throughout the summer months.

### Postmaster Column No. 1

#### **"Children Suffer Most Dog Attacks," By [Name], Postmaster [City]**

For every letter carrier bitten, hundreds of children needlessly suffer the pain and trauma of dog attacks. Whatever the reasons, dog attacks are a serious problem for the entire community, and not just our letter carriers, who were victimized by nearly 5,900 dog attacks last year. That's an average of 11 dog attacks every delivery day, and that figure does not include the number of threatening incidents that did not result in injury. However, these numbers pale in comparison with the more than 4.5 million people — mostly children and the elderly — who suffer injuries from dog attacks each year.

In [City] last year, dogs bit [number] letter carriers and interfered with a significant number of mail deliveries **[or you can estimate a number if possible]**. Fortunately, most dog bites can be prevented through responsible pet ownership.

**[If you did have dog bites last year, use the previous paragraph and insert a paragraph or two here giving a few details, such as the seriousness of the incidents and the amount of lost time. If you had no dog bites or no cases of dogs interfering with mail delivery last year, omit the previous paragraph.]**

If a letter carrier needs to deliver a certified letter or a package to you, put your dog into a separate room before opening your front door. Dogs have been known to burst through screen doors or plate-glass windows to get at strangers.

**[Insert a letter carrier story here, if applicable.]**

Nationally, the number of carriers bitten by dogs has declined over the years. This is because of greater cooperation from dog owners, stricter leash laws, and stepped-up efforts to educate letter carriers and the public about dealing with the problem.

Our letter carriers are vigilant and dedicated, but we may be forced to stop mail delivery at an address if a letter carrier is threatened by a vicious dog. In some instances, Postal Service employees have sued and collected damages for dog attack injuries. We can't control people's dogs; only dog owners can do that.

While some attribute attacks on letter carriers to dogs' inbred aversion to uniforms, experts say the psychology actually runs much deeper. Every day that a letter carrier comes into a dog's territory, the dog barks and the letter carrier leaves. Day after day the dog sees this action repeated. After a week or two, the dog appears to feel invincible against intruders. Once the dog gets loose, there's a good chance it will attack.

Dog owners should remind their children about the need to keep the family dog secured. We also recommend parents ask their children not to take mail directly from letter carriers. A dog may see handing mail to a child as a threatening gesture.

These simple reminders and helpful tips can reduce the hazard of dog attacks. Help us to help you this spring and summer.

Postmaster Column No. 2

### **"Why Do Some Dogs Attack?" By [Name], Postmaster [City]**

Would your dog attack? The American Veterinary Medical Association estimates that more than 4.5 million dog bites are reported to local authorities each year. Countless more go unreported.

Dog attacks can range from a relatively painless nip to a fatal mauling. Dog attack victims account for up to 5 percent of all hospital emergency room visits. Children are most often the victims. Dog attacks are the most commonly reported childhood public health problem in the United States.

You may feel confident that your dog won't add to these statistics, and it is probably true that your trusty companion will never seriously harm anyone. However, if your dog does attack or bite someone, you could be liable for the victim's pain, suffering, and medical expenses. Potential victims include your letter/rural carrier and neighborhood children. There are several ways you can avoid liability. Reducing the likelihood your dog will ever bite someone helps protect you, your canine companion, and everyone else in the community.

#### *Why Do Some Dogs Attack?*

Lack of socialization, improper training, excitement, and fear can all contribute to a dog attack. Even a nip on the leg is unacceptable behavior for a family dog.

#### **Three Suggestions to Help Take the Bite Out of Your Dog:**

- Teach your dog appropriate behavior. Don't play aggressive games with your dog such as wrestling, tug of war, or siccing your dog on another person. It's essential that your dog recognize members of your family as dominant figures not to be challenged.
- Be a responsible pet owner. For everyone's safety, don't allow your dog to roam. Make your pet a member of your family. Dogs that spend too much time

tethered to a dog house or in the backyard have a much greater chance of developing aggressive behavioral problems.

- Stay on the safe side. Help your dog become accustomed to a variety of situations. If you don't know how your dog will react to a new situation, be cautious. If you think your dog could panic in a crowd, leave him or her at home. If your dog may overreact to visitors or delivery people, keep him or her in another room.

*This is the second in a series of three columns by [City] Postmaster [Name] addressing the problem of dog attacks, both in the Postal Service and in the community. Next week: "Protecting the Community."*

# # #

Postmaster Column No. 3

### **"Protecting the Community," By [Name], Postmaster [City]**

Last year, nearly 5,900 letter carriers were bitten nationwide. The Centers for Disease Control and Prevention estimates that nearly 2 percent of the American population is bitten by a dog each year, and most of the victims are children.

The most recent statistics from the 2007 *U.S. Pet Ownership and Demographic Sourcebook* states that there are 72,114,000 dogs in the United States; 43,021,000 households own dogs in the U.S., and that equates to 37.2 percent of households.

Clearly, parents must never leave a defenseless infant with a dog and must make sure that older children know the potential danger of dog attacks. It is also important to know that studies have shown that dogs are three times more likely to be involved in a biting incident if they have not been spayed or neutered.

The Humane Society of the United States (HSUS) has found that the breed of animal most commonly involved in dog attacks can change from year to year, and from one part of the country to another, depending on the popularity of the breed. According to the HSUS, while some breeds are more likely to bite, other factors like whether the animal has been spayed or neutered, and whether the animal has been properly socialized, safely confined, properly supervised, and humanely trained play great roles in a dog's tendency to bite. Dog owners can prevent serious injuries to others by realizing their important role in dog bite prevention.

*This concludes a series of three columns by [City] Postmaster [Name] addressing the problem of dog attacks, both in the Postal Service and in the community.*

### Postmaster Speech

#### Dog Attack Prevention Speech for School Children

**[Make the presentation light and fun. Even though this is a serious subject, children will respond to your being friendly and approachable. Be sure to tell the children what a postmaster is/does.]**

Good morning boys and girls.

My name is **[Name]** and I'm your postmaster.

**[Tell the children what a postmaster is/does.]**

How many of you have dogs at home or have friends who own a dog? **[Listen to responses.]** Have you or any of your friends ever been attacked by a dog? **[Listen to responses, and if so, add comment: "Well, I'll bet you didn't like it, did you?"]**

At the Post Office where I work, the people who deliver your mail get attacked, too. Sometimes they have to go to the hospital and can't do their job for a long time. The dog's owner may have to pay a big hospital bill, and the mail may not be delivered to that house until the owners promise to keep the dog fenced in.

I don't want anybody at work to be attacked, and I don't want any of you to get attacked, either. That's why I'm here today, because I need your help.

First, I want all of you to be safe. Do you know how many people get attacked by dogs every year? **[Children guess.]** I heard some good guesses. The correct answer is 4.5 million people are bitten by dogs each year and guess what? The number one victim is children. That means you! More than 2 million children were bitten — and that's not good.

In fact, the attacks usually come from the family pet or from a dog owned by a nearby neighbor. Can you believe it?

There are several things you can do to help out. Be nice to your dog and to all dogs. Don't tease them. Don't play too rough with them. Instead, teach your dog good manners. A trained dog is a happy dog. Remember to give dogs space when they are eating, sleeping, tired, sick, or caring for puppies. Remember: Dogs get cranky just like people, and they may bite if they are suddenly surprised or hurt. If you see a dog running loose in your neighborhood, tell your parents. Never, ever approach a strange dog.

You can also help your letter carrier, because thousands of letter carriers get attacked every year, too. The most important thing is to stop your dog from getting outside and running loose. When you go outside, make sure to close the door tight, and when you are playing with your dog in the yard, make sure you close the gate so he does not get out.

When you see the letter carrier coming down your street, look around and make sure your dog is either inside or securely fenced away from the mailbox.

When the letter carrier gets to your house, let him or her put the mail in your mailbox. Never reach out to take the mail yourself, because your dog might think the letter carrier is a threat to you even though we know that isn't true.

After the letter carrier has delivered the mail and gone, you still need to watch out for loose dogs. Never step too close to a strange dog. Even if he looks friendly, he might still bite.

I am going to give each of you a list of things you can do to help keep dogs from attacking your letter carrier, your friends, and yourself. I want you to take this list home and talk to your parents about it. See if they will help you keep your dog from getting outside.

If you do that, your letter carrier won't have to worry about going to the hospital for a dog bite, and we can ensure that everyone's mail is safely and quickly delivered.

Most importantly, we want you to be safe. So please remember to take care of your dog and use good safety habits even around dogs you know. Don't be one of those 2 million children who experience the pain of a dog bite.

Thank you.

#### Dog Attack Prevention Tips for Mail Carriers and Children — How You Can Help Prevent Dog Attacks

To help make your neighborhood safe for the carrier, yourself, and other people, just remember these simple rules:

1. Find out what time the carrier usually brings your mail.
2. When the carrier is due to visit your house, check to be sure your dog is inside. Keep the dog inside until the letter carrier is gone.
3. If someone needs to open the door to sign for a letter, first put the dog in another room and close the door.
4. If you have a mail slot, keep your dog away from the slot so the carrier's fingers don't get bitten.
5. If your mailbox is inside your fenced yard, and your dog is too, keep the dog on a leash away from the mailbox during the time your letter carrier delivers the mail.
6. When your dog is outside, never walk up to the letter carrier and ask for your mail. Your dog may think you are being threatened.
7. If you see a dog running loose in your neighborhood, tell your parents or report it to the proper authorities.

8. Never, ever approach a strange dog. Remember: no owner, no petting. Only approach a dog that is on a leash with his owner, and follow the steps of WAIT, as described here.
9. When a strange dog comes near you, be BORING! Stand like a tree, or if you are on the ground, curl up your legs, cup your hands over your ears and lay still like a rock!
10. Don't go near a dog that is in a car, behind a fence, or tied up — even if you know him.

Below is a story from a young girl who shares her experience with others:

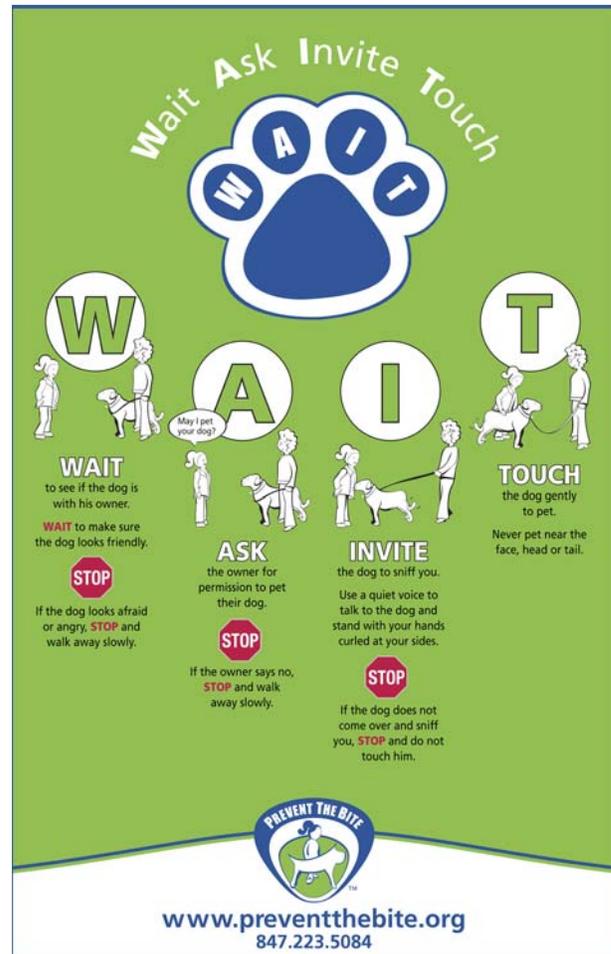

Kelly Voigt of Palatine, Illinois, tells it better than anyone. In 1999, Kelly, then seven, was bitten by a neighborhood dog. The attack left Kelly with approximately 100 stitches in her face and a fear of being outdoors. This brutal attack caused so much pain and suffering that a few months later she was treated by a psychologist for post-traumatic stress disorder and depression.

This young girl gained national attention after taking advice from her psychologist to use her experience to help others. Kelly started a nonprofit organization called Prevent the Bite with her mother, Kathy, and Nancy Skeffington, a school psychologist and animal-assisted therapist, and is using her experience to educate other children and adults on how to avoid such brutal attacks.

Part of their program includes the acronym WAIT, which is used to pet a dog on a leash with his owner. WAIT stands for:

- W — Wait to see if the dog looks friendly. If the dog looks afraid or angry, STOP and walk away slowly.
- A — Ask the owner for permission to pet the dog. If the owner says no, STOP and walk away slowly.
- I — Invite the dog to come to you to sniff you. Put your hand to your side with your fingers curled in. Stand slightly sideways and dip your head down so you are not looking directly at the dog. If the dog does not come over to sniff you, STOP and do not touch him.
- T — Touch the dog gently to pet, and do so away from the head and tail.

The diagram here includes Kelly's message and safety tips. For additional information on Prevent the Bite and efforts to help others, visit [www.preventthebite.org](http://www.preventthebite.org).

## For Postal Managers

### Progressive Warning Letters and Thank You Letter

This section offers materials for you to use to help your letter carriers do their jobs more safely. You can use the progressive warning letters to alert dog owners to the possible loss of mail delivery if they do not restrain their pets. Additionally, don't forget to send a letter of thanks when they do!

Warning letters, like collection letters, need to be handled tactfully. The first and second sample letters on the website tell customers what we want them to do. The third tells them we have taken corrective steps. The fourth and fifth letters detail the customers' options. In using these letters, keep in mind that our purpose is not to police the neighborhood but to obtain a safe environment in which carriers can do their work. Though most customers will respond to your first polite request, be meticulous in following up if they don't. Otherwise, your efforts will not be taken seriously.

Samples of these letters can be found at <http://safetytoolkit.usps.gov/Resources>:

- In the left sidebar, click *USPS Safety Programs*.
- Click *Accident Reduction*.
- On the Accident Reduction page, at the bottom, click *Best Practices*.
- Under “Dog Bite Prevention,” select the appropriate letter.

#### *Nondelivery of Mail Policy*

The availability and use of the repellent does *not* replace the policy of nondelivery of mail where there is animal interference!

Collection and delivery service personnel are to report the name and address of the customer where such interference occurs to the postmaster or authorized supervisor, who must immediately telephone the customer and request that the animal be confined during the usual delivery hours in the neighborhood. The postmaster or authorized supervisor must further inform the customer that (1) no deliveries will be made until this is done, and (2) service will be restored upon assurance that the animal will be confined.

#### *Dog Owner's Responsibility*

It is the dog owner's responsibility to control the dog. Most communities have ordinances for the control of dogs. In spite of the fact that postmasters have frequently requested customers control their dogs, and have discontinued service to control this problem, injuries still continue.

#### *Additional Resources*

Now that you have read through this publicity kit and made some decisions about what would work best in your area, *it is time for action*.

In addition to this kit and materials available online, a number of resources are available to assist you in your effort to educate employees, your customers, and the entire community about the importance of dog bite prevention. If you have media or public relations questions, area Public Affairs and Communications managers can put you in touch with your local communications person. While the Humane Society of America is not an official partner during this year's National Dog Bite Prevention Week campaign, it is always willing to help organizations that are promoting safety around animals.

Dog bites are no laughing matter! We must take action now to reduce these costly and painful injuries. Remember to stay alert! Don't be fooled by, “My dog won't bite!”

### IMM Correction: Airmail M-Bag Prices

The article titled “IMM Revision: Changes to Pricing and Mailing Standards for International Shipping Services” in *Postal Bulletin 22326* (12-15-11, pages 54–63) included revisions in the Individual Country Listings (ICLs) for the price tables for airmail M-bag™ service, including revised text to read “Refer to Notice 123, *Price List*, for the applicable price.” However, since the effective date of that revision (January 22, 2012), the airmail M-bag tables published in *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) have inadvertently included references to Commercial Base® and Commercial Plus™ prices (as do the tables for other services, except First-Class Mail International® service), but such references are not accurate because those prices are not applicable for airmail M-bag service. The correct text for the tables appears in this article.

## IMM Correction: Express Mail International Insurance Fee to Various Countries

The article titled “IMM Revision: Changes to Pricing and Mailing Standards for International Shipping Services” in *Postal Bulletin 22352* (12-13-12, pages 84–96) included revisions in the Individual Country Listings (ICLs) for the insurance fee tables for Express Mail International® service, indicating an increased limit (from \$100 to \$200) for which Express Mail International shipments containing *merchandise* are insured against loss, damage, or missing contents at no additional charge.

However, in the edition of *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* published January 27, 2013 (which is when these revisions were to be effective), and in the subsequent editions of the IMM through April 2013, the insurance fee tables published for the following countries inadvertently did not reflect the revised limit and still showed a fee of \$0.85 for an item insured for more than \$100 up to \$200:

- Belgium.
- Denmark.
- Finland.
- France.
- Germany.
- Great Britain and Northern Ireland.
- Greece.
- Iceland.
- Ireland.
- Italy.
- Luxembourg.

- Netherlands.
- Norway.
- Portugal.
- Slovak Republic (Slovakia).
- Slovenia.
- Spain.
- Sweden.
- Switzerland.
- Turks and Caicos Islands.

**Note:** All of these countries *except* Germany have a maximum insured amount of \$650, and Germany has a maximum insured amount of \$500.

The correct text for the insurance fee tables appears in this article.

## Publications

### Publication 28 Revision: Updates to Canadian Provinces

The U.S. Postal Service® is revising Publication 28, *Postal Addressing Standards*, Appendix A, section A3, International Addresses, to reflect the name change of the “Province of Newfoundland” to “Newfoundland and Labrador”, and also to add the Territory of Nunavut.

Based on the current *Canada Post Addressing Guide*, the Province of Newfoundland incurred a name change to include the surrounding mainland area of Labrador, which resulted in the new Province name of “Newfoundland and Labrador”. Additionally, the Territory of Nunavut was created, which was previously part of the Northwest Territory, and encompasses most of the Canadian arctic.

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

### Stamp Announcement 13-26: Johnny Cash Stamp

© 2013 USPS

On June 5, 2013, in Nashville, Tennessee, at the Grand Ole Opry – Ryman Auditorium, the Postal Service™ will issue a *Johnny Cash* (Forever® priced at 46 cents) commemorative First-Class mail® stamp in one design in a pressure-sensitive adhesive (PSA) pane of 16 stamps (Item 579400). **The \$7.36 Johnny Cash pane of 16 stamps may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide June 5, 2013.

The U.S. Postal Service® honors music visionary Johnny Cash, best remembered internationally as a country music artist, though his influence can be felt in many genres — from rock and folk to blues and gospel. The stamp, part of the *Music Icons* series, features a photograph taken by Frank Bez during a photo session for *Ring of Fire: The Best of Johnny Cash* (1963). The square stamp and pane resemble the appearance of a 45 rpm record sleeve. The reverse side of the pane includes a larger version of the photograph featured on the stamp as well as the logo for the *Music Icons* series. Greg Breeding served as the art director and designer.

To learn more about the stories behind the stamps, visit [www.beyondtheperf.com](http://www.beyondtheperf.com).

**Distribution: Item 579400, \$7.36, Johnny Cash (Forever® priced at 46 cents) Commemorative PSA Pane of 16 Stamps**

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their standard automatic

distribution quantity for a PSA pane of 16 stamps. Distributions are rounded up to the nearest master carton size of 2,000 panes. **The stamps will be shipped and sold as a pane of 16 (\$7.36).**

#### Initial Supply to Post Offices

SDOs/SDCs will make a subsequent automatic distribution to Post Offices™ of a quantity to cover approximately 45 days of sales. Distribution quantities for the automatic distribution will be posted, by finance number and unit ID, on the Asset Management SDC webpage at [http://blue.usps.gov/purchase/assetmgnt/am\\_sdchome.htm](http://blue.usps.gov/purchase/assetmgnt/am_sdchome.htm).

Post Offices may preorder these stamps 30 days prior to first-day-of-issue through the eBuy2 SEAM Catalog. However, offices should first check the website to determine the amount they will receive on their automatic push prior to placing a preorder. Post Offices should not sell the stamp prior to first-day-of-issue.

#### Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

#### How to Order the First-Day-of-Issue Postmark

Customers have 60 days to obtain the first-day-of-issue postmark by mail. They may purchase new stamps at their local Post Office, at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop), or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Johnny Cash Stamp  
Postmaster  
901 Broadway  
Nashville, TN 37202-9998

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. For more than 50, customers have to pay five cents each. All orders must be postmarked by August 5, 2013.

#### Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Johnny Cash* stamp. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station.

## Guidelines for Finalizing Johnny Cash Stamp Pictorial Postmark Art

To finalize the *Johnny Cash* stamp pictorial postmark art, insert the date, city, state and ZIP™ Code of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3-1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services four weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow

sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

### USPS Headquarters Managers and Field Installation Heads: February 2013 Semi-Annual Capital Property Review Follow-up Action Reminder

#### Sarbanes-Oxley Act (SOX) Requirement – Finalize Your Semi-Annual Capital Property Report

If you submitted a Semi-Annual Capital Property Certification report with all items “Found” (marked “Y”), these instructions do *not* apply to you; however, all offices are required to retain a copy of each Semi-Annual Capital Property Certification report for five years.

If you submitted a February 2013 Semi-Annual Capital Property Certification report with items marked “Not Found”, please complete the following:

- Print the Property Changes for Month (PCFM) report for the months of February, March, and April — this report is available in the Enterprise Data Warehouse.
- Verify that the items marked “Not Found” on the Semi-Annual Capital Property Certification report correspond with a “Full Retirement” on the PCFM report.
- After verification, sign and date the PCFM report.
- Attach the PCFM report to the Semi-Annual Capital Property Certification report and retain the documents for five years.

In the event of an Office of the Inspector General (OIG) audit of the Semi-Annual Capital Property Certification

report, the OIG will ask to see a copy of the PCFM report that verifies the submitted changes were made.

If you need assistance printing the PCFM report or if you cannot verify the changes, contact your supporting Asset Accountability Service Center (AASC) for assistance:

## Sustainability

### Paper Recycling Tips

Can you imagine a world where each of us buried our trash in a big hole in our back yard? Maybe not, but each year Americans generate more than 209 million tons of trash, which is disposed of in municipal solid waste landfills. And landfills are not much more than well-designed holes in someone else's backyard. In the last 20 years, more than 80 percent of the landfills in our nation have closed, either because they couldn't meet modern landfill requirements or simply exceeded their capacity. While the number of landfills continues to shrink, Americans continue to generate more trash — and a significant amount of that trash is paper waste.

Undeliverable Standard Mail (USM) and Discarded Lobby Mail (DLM) are the largest components of our waste stream. These two waste streams comprise a variety of mixed paper; from glossy magazines and catalogs to newsprint and plain paper, but are not always 100 percent paper. They may contain plastic film covers, staples, or glassine windows, all of which are contaminants that must be removed by pulp and paper mills. Minimizing the quantity of these items in the recycling stream can speed up the recycling process.

#### Did You Know?

- Paper accounts for one third of the waste stream in the United States (paper and paperboard account for nearly 81 million tons of the 209 million tons of solid waste generated each year).
- Mixed Paper accounts for 73 percent and cardboard accounts for 14 percent of the total USPS® waste stream.
- By recycling DLM, customers have helped keep about 22,000 tons of mail out of landfills, and earned USPS more than \$1.75 million in recycling revenue.
- In FY 2012, recycling generated nearly 24 million dollars in revenue for the Postal Service™.

#### What Does Paper Recycling Mean to the Postal Service?

The Postal Service is responsible for managing waste from mail that cannot be delivered and mail that PO Box customers discard in our facilities. When USM and DLM are discarded, they become part of our waste stream and add to our disposal costs. USM and DLM can be turned into a revenue source, if recycled. Recycling these materials promotes the sustainable reuse of natural resources, prevents pollution, and reduces waste. PO Box customers can help the USPS make significant reductions in solid waste disposal costs by recycling their mail. The Postal Service meets our customer's environmental expectations

by offering recycling right in the lobby. Specially designed secure recycling containers are available through the Topeka Materials Distribution Center for use in Post Office™ lobbies.

#### What Can You Do?

- **Start a recycling program for discarded lobby mail.** Secure, locking lobby mail recycling containers encourage customers to discard mail in an environmentally friendly manner.
- **Participate in a backhaul recycling program.** If your servicing plant offers backhaul recycling for mixed paper, follow established procedures for placarding and verification of waste mail.
- **Keep non-paper products out of paper recycling bins.** Label your workroom paper recycling containers and use them only for the recyclable papers listed on the label.
- **Reduce your trash dumpster size and/or the frequency of pickups.** If your facility is actively recycling, you should see a noticeable trash reduction. Help your facility and the postal service capture savings from reduced trash disposal costs.

#### What Should Employees Know?

- **Use designated workroom recycling containers.** Keep all paper, cardboard, and plastic out of the dumpster.
- **Keep contaminants out of the recycling container.** Contaminants make valuable recyclable materials unrecyclable, create unnecessary waste, increase costs, and decrease revenue.
- **Label the recycling containers.** If the containers in your workroom area are not labeled, let your supervisor know. The labels should say "mixed paper only".
- **Promote lobby recycling.** Remind customers to use the USPS secure lobby recycling containers to discard their mail.
- **Recycled mixed paper has a second life.** It is used to make printer paper, paper bags, paper towels, and cardboard products. It also saves money and generates revenue.
- **Your efforts count.** If each Postal Service employee recycled all of his or her waste daily, we could reduce solid waste by more than a quarter million tons a year.
- **Get involved.** Learn more about how to recycle at the USPS Sustainability website: <http://blue.usps.gov/sustainability/>.
