Cover Story

First Quarter Voice of the Employee Surveys are Coming Soon.

Last year, over a quarter of a million Postal Service™ employees shared their opinions about the workplace environment through the Voice of the Employee (VOE) survey. Each quarter, 25% of employees are invited to participate in the VOE — the Postal Service's measure of employee engagement. Engagement is the extent to which employees believe in what they do, and feel valued for doing it. It is a positive attitude held by employees toward the organization and its values that influences them to invest and spend discretionary effort to help the organization succeed. High levels of engagement lead to positive organizational outcomes such as customer satisfaction, productivity, safety, and retention.

Employees are most engaged when they have the right tools, information, training, and leadership to do their job. Engaged employees know how the work they do is aligned to the goals of the Postal Service, and they are enabled and motivated to achieve results. That's why the VOE survey invites employees to give the Postal Service their opinions

on topics such as communication, trust, diversity, respect, and leadership.

Participation in the VOE is voluntary and entirely confidential. Responses go directly to an independent party who tabulates the results and reports them back to the Postal Service in summary form. To learn more about VOE, you can access the VOE website from the Human Resources web page on Blue at <http://blue.usps.gov/humanresources/home.shtml>. There you can find the most recent survey results, tips for working with your results, articles on employee engagement, and more.

If you are invited to participate in the VOE this quarter, take some time — on-the-clock — to let your voice be heard.

DMM Correction — Modification of Letter Tray Placement on Pallets

Effective November 4, 2013, the Postal Service™ will revise *The Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) section 705.8.5.6e, to modify the requirement for placement of letter trays on pallets.

In the September 19, 2013 *Postal Bulletin* (22372), we modified the standards in DMM 705.8.5.6 to require placing the heaviest letter trays on the bottom of pallets while other standards require the placement of certain trays on the top of pallets.

At that time, we inadvertently modified DMM 705.8.5.6h instead of 705.8.5.6e. This correction reverts item “h” to its previous text and updates item “e” with the intended correction.

These standards apply to mail on pallets:

[Revise item 8.5.6e to read as follows:]

- e. Heavier, fuller trays must be placed at the bottom of the load, unless other standards (such as 245.7.7) require placement of certain trays on the top of the pallet.

[Revert the text of item 8.5.6h to pre-October 2013 DMM text to read as follows:]

- h. Periodicals, Standard Mail, and Bound Printed Matter flats or irregular parcels prepared in carrier route and noncarrier route 5-digit bundles may be placed on the same merged 5-digit scheme, merged 5-digit pallet, as appropriate.

DMM Revision: Competitive Post Office Box Service Features

Effective November 4, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 508.4 to incorporate standards for Competitive Post Office Box service and its available enhancements and condense the standards for Post Office Box service within this section.

After starting Competitive Post Office Box Service at 49 locations in January 2011, the Postal Service expanded the Competitive service to many more designated locations nationwide on January 22, 2012. Competitive Post Office Box service includes several enhancements such as: including electronic notification of the receipt of mail, use of an alternate street address format, signature on file for delivery of certain accountable mail, and may include addi-

tional hours of access and/or earlier availability of mail in some locations.

Additionally, as part of a continuing effort to reduce redundancy, and to simplify and consolidate mailing standards, this article condenses sections of 508.4 to eliminate any unnecessary wording without changing the general standards for Post Office Box service.

While the Competitive Post Office Box standards will not be published in the online DMM until November 4, 2013, these enhancements are currently available as introduced in January 2012.

4.0 Post Office Box Service

[Make a global change to 4.0 in its entirety to replace references to PS Form 1093 with Form 1093 and replace references to Post Office Box with PO Box.]

[Delete current 4.1, Fees for Post Office Box Service, in its entirety and renumber current 4.2, Basic Information for Post Office Box Service, through 4.9, Service Refusal or Termination, as new 4.1 through 4.8, and then revise the title of renumbered 4.1 to read as follows:]

4.1 Basic Information and Fees for Post Office Box Service

[Revise the text of renumbered 4.1.1 to read as follows:]

4.1.1 Purpose

Post Office Box (PO Box) service is a premium service offered for a fee (See Notice 123 — *Price List*) to any customer and for no fee to customers who are not eligible for carrier delivery (also see 4.5.2). The service allows a customer to obtain mail during the hours the box lobby is open or access is otherwise available, and is provided only through receptacles owned or operated by the USPS or its agents. PO Box service does not include alternate means of delivery established to replace or extend carrier delivery service. A Postmaster (or designee) and a box customer may not make any agreement that contravenes the regulations on PO Box service or its fees. Competitive Post Office Box service (see 4.5.4) is available in designated postal locations and offers service enhancements for PO Box customers.

4.1.2 Definition

[Revise the text of renumbered 4.1.2 to read as follows:]

Post Office Box, PO Box, or the # symbol when a Post Office street address is used as allowed under 4.6.4, designates this service in an address. Competitive PO Box service is available for customers located within the service area of a competitive mailbox service provider. Market-Dominant PO Box service is available to serve customers not served by a nearby competitor. Box customer applies only to the person who signs the application as an individual or to the organization on whose behalf an individual signs the application.

4.1.3 Box Size

[Revise renumbered 4.1.3 by revising the text and inserting the chart as follows:]

There are five box sizes and availability of sizes varies by facility. A customer is assigned a box size based on the customer’s needs and the availability of boxes. The Postmaster may require a customer to use a larger size box if the customer’s mail volume increases beyond the capacity of the present box. The fees for boxes increase with box size. The following chart describes approximate box capacities and frontal dimensions.

Box size	Capacity (Cubic Inches)	Width and Height (Inches)
1	Under 296	3 by 5.5
2	296 through 499	5 by 5.5
3	500 through 999	11 by 5.5
4	1,000 through 1,999	11 by 11
5	2,000 or more	22.5 by 12

* * * * *

4.1.5 Box Availability

[Revise renumbered 4.1.5 to read as follows:]

When no box of the appropriate size is available, the Postmaster may handle the application for box service in one or more of the following ways:

- a. Refer the customer to another postal facility with available capacity.
- b. Place the customer’s name on a waiting list for box service.
- c. Provide general delivery service until an appropriate size box becomes available.
- d. Offer a smaller or larger box, or caller service, at its applicable fee.

4.1.6 Unavailable Box

[Revise the first sentence of renumbered 4.1.6 to read as follows:]

Online customers cannot apply for a box that is not available but can place themselves on a waiting list for the box.***

4.1.7 Service Period

[Revise the second and third sentences of renumbered 4.1.7 to read as follows:]

***The 3-month option requires establishing an automatic recurring renewal payment available online or at select Post Offices with automatic recurring payment functionality. The 3-month option is not available at Post Office locations on the semi-annual (April/October) payment schedule.

4.1.8 Limitation on Service

[Revise renumbered 4.1.8 to read as follows:]

The Postmaster may require a box customer to use caller service under 5.0 based on the volume of mail received, or

the level of service requested by the customer, or the availability of boxes. A customer required to use caller service in this manner may submit a written request to the Postmaster for a new determination not more than semiannually. Existing box customers will not be allowed to use additional boxes at Post Offices having a waiting list for PO Boxes.

4.2 Service

4.2.1 Application

[Revise renumbered 4.2.1 by deleting items b5 and b6 (context of text relocated within revised text of 4.2.1) and revising the text to read as follows:]

A customer may apply for PO Box service by completing a Form 1093 at a Post Office or online and presenting it to any postal retail facility. When the application is presented, the applicants (including both spouses or any other individual listed but minors) each must present two items of valid, current identification; one item must contain a photograph of the applicant and the other must contain sufficient information to confirm the applicant's identity. Furnishing false information or refusing to furnish required information may be sufficient reason for denial of the application or discontinuance of service. When any information required on Form 1093 changes, the box customer must update the application. Application procedures are as follows:

- a. In all cases:
 1. Spouses may complete and sign one Form 1093.
 2. Other adult persons, employees, or other representatives of organizations, or minors under a parent or guardian, who receive mail in the Post Office box, or additional box users authorized to pick up mail from the box, must be listed on Form 1093.
 3. Customers applying for Competitive Post Office Box services must also complete and sign a Customer Agreement when selecting any of the service enhancements described in 4.6.4.
 4. Minors (a person under 18 years of age) may be provided with PO Box service, unless the minor's parent or guardian submits a written objection to the appropriate Postmaster, but are ineligible to apply for PO Box service online.
 5. Acceptable forms of *photo* identification are: valid driver's license or state non-driver's identification card; from a U.S. State, U.S. armed forces, U.S. government, university located in the U.S., or corporate identification card of a corporation located in the United States; or U.S. passport, U.S. alien registration card, or U.S. certificate of naturalization. Acceptable forms of *other non-photo* identification are: current lease, mortgage, or deed of

trust; voter or vehicle registration card; or home or vehicle insurance policy.

- b. Under these additional conditions when applying online:
 1. An applicant searches for and selects a box and the service time period.
 2. The applicant must complete all required items on the online Form 1093, and read the Privacy Act statement.
 3. The applicant must complete the payment information.
 4. The applicant must present an unsigned printout of the online Form 1093 in person to the Post Office and, upon approval, receive the box number and keys or lock combination.

[Delete renumbered 4.2.2 in its entirety, context of text relocated to 4.2.1.]

[Renumber previously renumbered 4.2.3 as new 4.2.2.]

4.2.2 Transferring Service

[Revise second sentence of renumbered 4.2.2 to read as follows:]

To transfer service, the box customer must submit a new application to either facility.

[Delete renumbered 4.2.4, Minor, in its entirety (context of text relocated to renumbered 4.2.1).]

4.3 Conditions of Use

4.3.1 Mail Receipt

[Revise renumbered 4.3.1 to read as follows:]

In accordance with the standards in 4.2, any individual box customer or organization may receive through the box any mail properly addressed to the box number.

* * * * *

[Revise the title and text of renumbered 4.3.3 to read as follows:]

4.3.3 Accumulation and Overflow of Mail

A box customer must remove mail promptly from the box. If mail will not be removed from the box for more than 30 days and an overflow condition is probable, the customer must make prior arrangements with the Postmaster. When mail for a customer's PO Box exceeds the capacity of the box on 12 of any 20 consecutive business days (excluding Saturdays, Sundays, and national holidays), the box is in an overflow condition. Customers whose box is in an overflow condition must use caller service, change to a larger box, or use one or more additional boxes to which mail will be addressed.

* * * * *

[Delete renumbered 4.3.4, Overflow, in its entirety (context of section relocated to 4.3.3) and renumber previously renumbered 4.3.5 through 4.3.7 as new 4.3.4 through 4.3.6.]

4.3.6 Address Change

Customers may file change-of-address orders as follows:

* * * * *

[Revise the text of renumbered item 4.3.6b to read as follows:]

- b. Residential box customers, Fee Groups 1 through 7 and 30 through 44. Only the box customer listed on the Form 1093 may file change-of-address orders, and is responsible for forwarding mail to other persons receiving mail at the box.

* * * * *

4.4 Basis of Fees and Payment

4.4.1 General

[Revise renumbered 4.4.1 to read as follows:]

PO Box fees are based on the box size (see 4.1.3) and the fee group to which the box's 5-digit ZIP Code is assigned.

[Delete renumbered 4.4.2, Box Size (text and chart relocated to 4.1.3), and renumber previously renumbered 4.4.3 through 4.4.10 as new items 4.4.2 through 4.4.9]

* * * * *

4.4.3 Payment

[Revise the first sentence of the text of renumbered 4.4.3 to read as follows:]

All fees for PO Box service are for 3-, 6-, or two 6-month (semi-annual) prepaid periods, except as noted under 4.4.5, 4.4.7, and 4.4.9.***

[Revise item 4.4.3d as follows and delete item e in its entirety (item e incorporated into revised item d)]

- d. Online at www.usps.com/poboxes using a credit card, including for online automatic PO Box renewal.

4.4.4 Payment Period

[Revise the first and last sentences of newly renumbered 4.4.4 to read as follows:]

Except under 4.4.6, the beginning date for a PO Box fee payment period is determined by the approval date of the application.*** Fees for service renewal may be paid any time during the last 30 days of the service period, except under 4.4.3, but no later than the last day of the service period.

* * * * *

4.4.7 Change of Payment Period

[Revise the first and third sentences of newly renumbered 4.4.7 to read as follows:]

Except for customers at Post Offices subject to 4.4.6, a PO Box customer of record may change the payment period by submitting a new application noting the month to be used as the start of the revised payment period.*** The unused fee for the period being discontinued may be refunded under 4.6, and the fee for the new payment period must be fully paid in advance.***

* * * * *

4.5 Fee Group Assignments

[Revise the title and text of renumbered 4.5.1 to read as follows:]

4.5.1 Basic Information on Fee Groups

PO Boxes are assigned to fee groups; see Notice 123 — Price List or contact your local Post Office, and classified as competitive or market-dominant based upon the Post Office location.

[Revise the title and text of renumbered 4.5.2 to read as follows:]

4.5.2 Free Group E — Free PO Box Service

Customers may qualify for Group E (free) PO Box service at a Post Office if their physical address location meets all of the following criteria:

* * * * *

[Revise item 4.5.2c to read as follows:]

- c. USPS does not provide carrier delivery to a mail receptacle at or near a physical address for reasons in 4.5.3b. "At or near a physical address" is defined by reference to how carrier delivery is established in a particular locale or ZIP Code.

4.5.3 Additional Standards for Free PO Box Service

[Insert new item 4.5.4 to read as follows:]

4.5.4 Additional Standards for Competitive PO Box Services

New customers in competitive locations receive 13 months of service for a 12 month PO Box payment, are not required to pay the key deposit for the first two PO Box keys, and

may receive expanded hours of PO Box access and earlier deposit of mail into the PO Box. Customers in competitive locations may also complete a customer agreement to receive one or more of the following enhancements:

- a. Street Addressing — the option to use the Post Office street address for their mailing address along with the box number as follows:
John Smith
123 Main Street, #4567
Any Town, NY 10001

- c. Signature on File — the option to simplify receipt of Priority Mail Express, mail insured for more than \$200, and Signature Confirmation items, all of which may include an electronic Return Receipt request, by providing a signature kept on file by the Postmaster.

* * * * *

4.7 Keys and Locks

4.7.1 Key Deposit

[Revise the text of renumbered 4.7.1 to read as follows:]

Two PO Box keys are initially issued to each new box customer. Except for new customers in Competitive PO Box groups 30-44, which has no key deposit for the first two keys, box customers must pay a refundable key deposit on each key. When box service is terminated, the key deposit is refunded to the customer for each key (including additional keys in 4.7.2) that is returned to the Post Office where the box was issued.

[Revise the title and the text of renumbered 4.7.2 to read as follows:]

4.7.2 Additional Key Fee

A box customer may obtain additional keys at the Post Office where the box is located by submitting Form 1094 and paying the refundable key deposit (4.7.1) and the non-refundable key fee (see Notice 123 — *Price List*) for each additional key. with the new lock, with a refundable deposit for each key charged under 4.7.1.

[Insert new item 4.7.5 (formerly the last sentence of item 4.8.4, Lock Replacement) to read as follows:]

4.7.5 Late Fee Payment

The lock replacement fee also applies as a late payment charge when the customer renews a box more than 10 days after the renewal due date, whether or not the lock is actually changed.

4.8 Service Refusal or Termination

[Revise the title and text of renumbered 4.8.1 to read as follows:]

4.8.1 Refusal or Termination

A Postmaster may refuse to approve or may terminate PO Box service, including that of a Group E (free) PO Box customer, if: the applicant or box customer submits a falsified or incomplete application for box service; within the 2 years before submitting the application, the applicant physically abused a box or violated a standard on the use of a box; refuses to update information on the box application; conducts himself or herself in a violent, threatening, or otherwise abusive manner on postal premises or there is substantial reason to believe that the box is being or will be used for unlawful activities as described in 4.3.5 and 4.3.6. The customer is notified of the Postmaster's determination to refuse or terminate service and of the appeal procedures.

[Delete renumbered 4.8.2, Termination, in its entirety (context of text relocated to new 4.8.1) and renumber previously renumbered 4.8.3 through 4.8.5 as new 4.8.2 through 4.8.4.]

ELM Revision: Family Medical Leave Act (FMLA) updates to Servicemember and Qualifying Exigency Leave

Effective October 17, 2013, the Postal Service™ is revising the *Employee and Labor Relations Manual* (ELM), chapter 5, to reflect updated definitions of “Covered Servicemember”, “Military Member”, “Serious Injury or Illness” and “Health Care Provider” related to veterans, and includes the DOL Certification form for Veteran Caregiver Leave in 515.532.

ment of the member to a foreign country under a Federal call or order to active duty in support of a contingency operation.

* * * * *

[Revise items j and k to read as follows:]

- j. *Serious injury or illness* — In the case of a member of the Armed Forces, including a member of the National Guard or Reserves, means an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty) and that may render the member medically unfit to perform the duties of the member’s office, grade, rank, or rating. In the case of a veteran (as defined in subpart f), an injury or illness incurred in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty) and that manifested itself before or after the member became a veteran, and is (1) a continuation of a serious injury or illness that was incurred or aggravated when the veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember’s office, grade, rank or rating; or (2) a physical or mental condition for which the veteran has received a VA Service Related Disability Rating (VASRD) of 50% or greater and such VASRD rating is based in whole or in part, on the condition precipitating the need for caregiver leave; or (3) a physical or mental condition that substantially impairs the veteran’s ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service or would do so absent treatment; or (4) an injury, including a psychological injury, on the basis of which the veteran has been enrolled in the Department of Vet-

Employee and Labor Relations Manual (ELM)

515.2 Definitions

[Revise items f and g to read as follows:]

- f. *Covered service member* — a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This definition also includes a veteran undergoing medical treatment, recuperation, or therapy for a serious injury or illness who served in the Armed Forces and was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the veteran.
- g. *Military member* — in the case of a member of the Regular Armed Forces, duty during the deployment of the member to a foreign country under a call or order to active duty. In the case of a member of the Reserve components of the Armed Forces (which includes the National Guard), duty during the deploy-

erans Affairs Program of Comprehensive Assistance for Family Caregivers.

- k. *Health care provider* — A doctor of medicine or osteopathy; Christian Science practitioner listed with the First Church of Christ, Scientist, in Boston, MA; Physician’s Assistant or other attending practitioners as defined by Department of Labor FMLA regulations who are performing within the scope of their practice.

* * * * *

515.4 Leave Requirements

515.41 Conditions

[Revise item e to read as follows (removed covered from before military member)]:

- e. Because of a qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a military member on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

* * * * *

515.43 Authorized Hours

[Revise text to read as follows]:

Eligible employees, including eligible non-career employees, are entitled to 12 workweeks of FMLA-protected absences per leave year for conditions in 515.41(a) through 515.41(e). Eligible employees who take FMLA-protected leave to care for a covered service member who has incurred a serious injury or illness as defined in 515.2 are entitled to a total of 26 workweeks during a single 12-month period.

This amount is 12 (or 26) times the hours normally, or regularly, scheduled in the employee’s workweek. Thus:

- a. Regular full-time employees who normally work 40 hours per week are entitled to up to 480 hours of FMLA-covered absences within a leave year for all qualifying reasons except for covered service member care. For such service member care, full-time employees who normally work 40 hours per week are entitled to up to 1046 hours in a single 12-month period that begins when the first leave is taken.
- b. Part-time and Non-Traditional Full-Time (NTFT) employees who have regular weekly schedules that may be greater or less than 40 hours per week are entitled to 12 (or 26) times the number of hours normally scheduled in their workweek. For example, an em-

ployee with a regular schedule of 30 hours a week is entitled to 360 hours (12 weeks times 30 hours), or 780 hours, for service member care (26 weeks times 30 hours). A NTFT employee with a regular schedule of 44 hours a week is entitled to 528 hours (12 weeks times 44 hours), or 1144 hours, for service member care (26 weeks times 44 hours). If an employee is re-assigned to a position with more or less workhours, the entitlement may change, but will be calculated so that the employee receives, but does not exceed 12 or 26 workweeks of FMLA protection.

* * * * *

515.5 Notice and Documentation

* * * * *

515.53 Particular Circumstances

* * * * *

515.532 Care of Others for Medical Reasons

[Revise first paragraph of item d to read as follows]:

- d. Provide documentation of a serious health condition or serious injury or illness from an appropriate health care provider. Employees may use WH-380-F, *FMLA Certification of Health Care Provider for Family Member’s Serious Health Condition* or WH-385, *FMLA Certification for Serious Injury or Illness of a Current Servicemember — for Military Family Leave*, or WH-385-V, *Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave*, to support such requests for leave.

Publications

Publication 75, Mover's Guide, News

As of October 1, 2013, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should have received the new October – December 2013 issue of Publication 75 by September 30, 2013. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

- Make sure customers are aware that USPS.com® is the most convenient, safe, and secure way for customers to submit a change-of-address order.
- Encourage carriers to take ICOA message cards on their routes instead of *Mover's Guide* copies.
- Give *Mover's Guide* copies out to *moving* customers only.

Important Reminders

- Copies of *Mover's Guide* must be kept behind the counter ONLY, not in inner or outer lobbies or on clerk counters.

- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.
- Provide no more than three copies of *Mover's Guide* to each customer.
- *Mover's Guide* is printed and distributed four times a year.

Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should have arrived by the end of September. The second shipments will arrive 3 to 5 weeks later.

- Boxes with PINK stickers are the first shipment for this print run.
- Boxes with GREEN stickers are the second and final shipment for this print run.

To track or find your office's shipment information, go to http://blue.usps.gov/purchase/operations/ops_downloads.htm and click *Mover's Guide (Pub 75) Distribution for October – December 2013*. Use the CTRL+ F Function while the “Fedstrip” Column is highlighted to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

ICOA Message Card Information

If your Post Office™ has an ICOA message card display, replenishment cards and updated banners will be mailed with your Mover’s Guide shipments. DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS — THEY DO NOT EXPIRE. The display is REQUIRED to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA message cards between shipments, use the website at <http://imagitas.com/contact/postal-request-form/> or call 800-816-6837 for replenishment.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin*. The new money

order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Notice to All USPS Employees with Military Service

Should I Complete a Service Credit Deposit for Post-1956 Military Service?

A deposit for qualifying military service is optional and may benefit your retirement; however, **YOU** must take the first step! Interest on the deposit begins to accrue after two years of initial career Federal service, so it is to your advantage to begin the process now rather than later in your career.

If you were first employed under CSRS before October 1, 1982, credit for your Post-1956 Honorable active duty military service will be applied as follows:

- If you are not eligible and will not be eligible for Social Security at age 62, you receive full credit for your Post-1956 military service;
- If you are eligible for Social Security (or will be eligible at age 62), and you do not pay a deposit to USPS® prior to your retirement, you will receive full credit for your Post-1956 military service until you reach age 62. At that time, your credit for military service will be removed causing your civil service annuity to be reduced 2% for each year of military service;
- If you are eligible for Social Security (or will be eligible at age 62), and you do pay a deposit, plus any incurred interest, to USPS prior to your retirement, you will receive lifetime credit for Post-1956 military service.

If you were first employed under CSRS after October 1, 1982, you will receive full credit for your Honorable active duty military service (if you are not retired military) only if you pay a deposit, plus any incurred interest, to USPS before you retire.

If you were first employed under FERS, credit for your Honorable active duty military service will be applied as follows:

- If you do not make a deposit, plus any incurred interest, for all Honorable active duty military service that occurred after 1957, you will not receive credit toward eligibility to retire or in the computation of your FERS annuity.
- If you are military retired, you will receive credit in the computation of your FERS annuity for all Honorable active duty military service that occurred before 1957 without making a deposit.

If you are in receipt of military retired pay, military service is not creditable unless:

- It was awarded due to a service-connected disability incurred in combat;
- Caused by an instrumentality of war and incurred in the line of duty during a period of war; or
- Awarded under reserve retiree provisions under Chapter 67, Title 10, USC; or
- You “waive” your military retired pay.

All Service Credit Deposits for Military Service Must be Paid in Full Prior to Your Separation/Retirement Date.

Stamp Announcement 13-47: Medal of Honor Stamps

© 2013 USPS

On November 11, 2013 in Washington, DC, the Postal Service™ will issue *Medal of Honor* (Forever® First-Class Mail priced at 46 cents) stamps in two designs in a pressure-sensitive adhesive (PSA) prestige folio of 20 stamps (Item 581000).

The stamps will go on sale nationwide November 11, 2013.

For this special issuance, the U.S. Postal Service® introduces a new format, the prestige folio. The first side of this four-page design highlights historical photographs of the last living recipients of the Medal of Honor from World War II. Sadly, two of the recipients, Senator Daniel K. Inouye and Vernon McGarity, died before the stamps could be issued. Their photographs are still included, as they were among the last representatives of a remarkable group. The 12 photographs surround two Forever stamps. One stamp features a photograph of the Navy version of the Medal of Honor; the other stamp features a photograph of the Army version of the Medal of Honor. The two center pages list the names of all 464 recipients of the Medal of Honor from World War II. A short piece of text and a key to the names of the recipients pictured in the cover photos are included on the second page. The remaining 18 stamps are found on the back page. Art director Antonio Alcalá designed the stamps and the new format, working with photographs of the medals by Richard Frasier.

Distribution: Item 581000, \$9.20 Medal of Honor (Forever priced at 46 cents) First-Class Mail PSA Prestige Folio of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their standard automatic distribution quantity for a PSA pane of 20 stamps. Distributions are rounded up to the nearest master carton size of 1,000 panes. The stamps will be shipped and sold as a pane (folded) of 20 (\$9.20).

Initial Supply to Post Offices

SDOs/SDCs will make a subsequent automatic distribution to all Post Offices™ of a quantity to cover approximately 45 days of sales. Post Offices may preorder these stamps 30 days prior to first-day-of-issue through the eBuy2 SEAM Catalog. However, offices should first check the website to determine the amount they will receive on their automatic push prior to placing a preorder, <http://topkssgsh/sites/SDCReports/Lists/StampAutomatics/default.aspx>. Post Offices should not sell the stamp prior to first-day-of-issue.

Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

How to Order the First-Day-of-Issue Postmark

Customers have 60 days to obtain the first-day-of-issue postmark by mail. They may purchase new stamps at their local Post Office, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Medal of Honor Stamps
Special Cancellations
PO Box 92282
Washington, DC 20090-2282

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. For more than 50, customers have to pay five cents each. All orders must be postmarked by January 11, 2014.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for *Medal of Honor* stamps. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station.

Guidelines for Finalizing Medal of Honor Stamps Pictorial Postmark Art

To finalize *Medal of Honor* stamps pictorial postmark art, insert the date, city, state and ZIP™ Code of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services four weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

The Postal Service also offers first-day covers for new stamp issues and Postal Service stationery items postmarked with the official first-day-of-issue cancellation. Initial Supply to Designated Post Offices

Minnesota Diversified Industries (MDI) will begin shipping supplies of the *2013 Stamp Yearbook* and *The Postal Service Guide to U.S. Stamps — 40th Edition* to designated Post Office locations in mid October. Quantities sent to each unit are based upon past sales and will include non-accountable sample books for display purposes. The new stamp guide should be made available for sale upon receipt but the new stamp yearbook cannot be sold until November 11, 2013, which is the first-day-of-issue of the *Medal of Honor Forever*® stamp that is packaged with the other commemorative stamps with the actual book.

POS ONE offices must reflect stamp yearbooks and stamp guides (not including display samples) along with all philatelic products in Retail Floor Stock to ensure inventory detection and accurate replenishment. Failure to do so will trigger additional shipments of unwanted products causing unnecessary accountability inflation.

Upon receipt, offices should display the sample version of the stamp guide on the “Featured Items” section of slat-wall and begin selling the actual guide. Display and sell the new stamp yearbook on November 11, 2013. Hang tags will also be provided in the shipment to position next to the display books for customers to redeem at the retail counter when purchasing the actual yearbooks and guides. Remember that although the *2012 Stamp Yearbook* will be removed from display on November 11, 2013, it may still be sold until it is officially withdrawn from sale.

Ordering Instructions for All Other Post Offices

Offices not receiving automatic shipments of the *2013 Stamp Yearbook* (Item #991300) and *The Postal Service Guide to U.S. Stamps - 40th Edition* (Item #891300), can order the books from their assigned Stamp Distribution Center (SDC) or Stamp Distribution Office (SDO) via the Stamp Services System online ordering system. Use PS Form 17, *Stamp Requisition/Stamp Return* and provide the appropriate item number(s) when placing orders. Sales of the stamp yearbook and stamp guide must be reported in AIC 092, Philatelic Product Sales.

The Postal Service Guide to U.S. Stamps — 39th Edition (Last Year’s Edition)

As the 40th edition of *The Postal Service Guide to U.S. Stamps* becomes available, Post Offices must withhold all remaining copies of the 39th edition (Item #891200) from sale. Actions should be taken as described below:

1. Retail Outlets. Collect remaining copies of the 39th edition of the guide from stamp credits and immediately return them to main stock using PS Form 17, *Stamp Requisition/Stamp Return*.
2. Post Offices. Consolidate all remaining copies of the 39th edition of the guide, if any, into the unit reserve stock. Prepare all 39th editions of the guide in accordance with procedures established for disposing of obsolete and redeemed stock, and submit according to local district quarterly stamp destruction or return schedules.
3. Local Office Philatelic Programs. Submit PS Form 17 to the local SDO or SDC for the number of 39th editions of the guide (Item #891200) needed for philatelic/promotional programs. One or more copies may be donated to local schools, libraries, student groups, stamp clubs, and retirement homes.
4. Stamp Distribution Offices/Centers. Stamp all copies of the guide used in promoting philatelic programs “NOT FOR RESALE.” The SDO/SDC custodian of accountable paper must verify that each item is stamped and prepare a PS Form 17, endorsed “PHILATELIC PRODUCTS GIVEN TO PHILATELIC PROGRAMS.” Program coordinators must acknowledge receipt of Item #891200 and be responsible for its control.

Note: The instructions for providing obsolete editions of the guide for philatelic and promotional purposes are an exception to general guidelines for destruction of accountable items, especially regarding obsolete (withdrawn from sale) items. In this instance, it is Postal Service policy not to destroy copies of the previous year’s edition of the guide when they can be used for valid promotional and/or educational purposes.

Disposition of Excess Guides

Dispose of all remaining copies of the 39th edition of *The Postal Service Guide to U.S. Stamps* (Item #891200) in accordance with Handbook F-1, *Accounting and Reporting Policy*. Because disposition instructions are issued annually for past issues of the guide, **your office should have only the new 40th edition in inventory after completing the above procedures.** If previous editions are on hand, dispose of them immediately, in accordance with Handbook F-1, chapter 4, section 11.6.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
