Premium Forwarding Service: Make Sure Your Mail Goes with You

The Postal Service™ offers Premium Forwarding Service® (PFS), a personalized service for reshipping mail from a primary residential address (or PO box™, with certain restrictions) to a temporary address using Priority Mail® Service with USPS® Tracking Service. It is perfect for residential customers going away from home for two weeks up to one full year (52 weeks). “Snowbirds,” executives on temporary assignments, students, individuals with an extended family care situation or who are away on an extended vacation.

Benefits include:

- Customers do not miss important mail while they are away.
- A customer’s permanent address does not change, and temporary address information is never provided to senders.
- All of the customer’s mail reaches them, most of it via Priority Mail Service with USPS Tracking. In section 507.3.3, the *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* contains more information on what mail should be reshipped immediately at no additional charge and mail not held for the weekly Priority Mail reshipments (e.g., Priority Mail Express® and Registered Mail items).
- Post Office™ weekly mailing goes out the same day (Wednesday) every week on a regular schedule that customers can depend on.

PFS is not available for the following types of addresses:

- Business addresses.
- APO, FPO, and DPO addresses.

- Single-point delivery addresses such as RV parks, hospitals, hotels, and U.S. Department of State addresses.
- Size 3, Size 4, or Size 5 PO box addresses (a customer with a Size 1 or Size 2 PO Box as the primary address is eligible for PFS, but must apply at a retail location (not online).

A customer has the option to apply for Premium Forwarding Service at their Post Office or online at <http://usps.com>.

Retail Application/Payment

Customers must pay a nonrefundable application fee and reshipment charge per week for each week of service requested. If for any reason the customer requests early termination of PFS, the Postal Service can refund weekly reshipment charges not used to the customer.

Online Application/Payment

A customer who enrolls in PFS using the online application must pay the application fee by credit card upon submission of the application. The Postal Service will also use the customer’s designated credit card to process the weekly reshipment charge in a weekly recurring fashion. For a customer who enrolls in PFS using the online application, both the application fee and any weekly reshipment fee previously charged are nonrefundable, but customers can stop PFS service and future weekly reshipment charges by going online and updating their information.

Refer to Notice 123, *Price List*, for the application fee (sometimes referred to as the “enrollment fee”) and the weekly reshipment charge.

Manuals

ASM Revision: Environmental Compliance Policy and Guidance

Effective November 28, 2013, the Postal Service™ is revising the *Administrative Support Manual* (ASM) and the *Employee and Labor Relations Manual* (ELM). Subchapter 69, Environmental Compliance, has been added to the ASM and Subchapter 890, Environmental Management, has been removed from the ELM (see page 8).

The revisions reflect new roles and responsibilities resulting from an organizational restructure of the environmental function. This restructure moved the environmental function from Employee Resource Management to the Office of Sustainability. In addition, ASM, Subchapter 69, contains new language concerning data management, records management, training, corrective/preventive action, communication/outreach, and budget/resource allocation that better supports the Postal Service's systems approach to managing environmental compliance. These sections contain general language that reflect existing processes and systems currently in use by the Postal Service to manage compliance, such as the Environmental Toolkit (ETK) for data management and the Environmental Compliance Review (ECR) Program for corrective/preventive action. While these sections do contain new language, they do not reflect new requirements.

In conjunction with the new ASM Subchapter, the Office of Sustainability has deployed digital solutions that better accommodate the dynamic nature of environmental regulations at the federal, state, and local level. The foundation is a robust website at: <http://blue.usps.gov/sustainability/environmental.htm>, which contains compliance assistance tools, including system and operational-specific Environmental Compliance Bulletins and Best Practices, which better reflect operational needs.

This effort has also entailed retiring several outdated management instructions and handbooks. A list of the directives that have been made obsolete is included at the end of this article.

Administrative Support Manual (ASM)

* * * * *

[Add new subchapter as follows:]

69 Environmental Compliance

691 Policy

The Postal Service complies with all applicable federal, state, and local environmental laws and regulations, and

proactively seeks to develop innovative and cost-effective solutions to provide its customers, employees, suppliers, and communities with a safe and healthy environment through the implementation of a compliance management system.

692 Scope

These policies apply to all Postal Service facilities, managers and employees, programs, projects, operations, products, and services.

693 Regulations and Authority

693.1 General

The Postal Service is subject to numerous federal, state, and local environmental laws and regulations. Certain Executive Orders and Environmental Protection Agency policies are recognized by the Postal Service as guidance.

693.2 Federal Laws and Regulations

Federal environmental laws are codified in Title 40 of the Code of Federal Regulations. The following federal laws apply to the Postal Service:

- a. National Environmental Policy Act (NEPA).
- b. Toxic Substances Control Act (TSCA).
- c. Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).
- d. Resource Conservation and Recovery Act (RCRA).

- f. Clean Air Act (CAA).
- g. Clean Water Act (CWA).
- h. Emergency Planning and Community Right-to-Know Act (EPCRA).
- i. Safe Drinking Water Act (SDWA).
- j. Energy Policy Act of 2005.

693.3 State and Local Laws and Regulations

Provisions of certain federal laws may be delegated to the states for compliance, monitoring, and enforcement. In many instances, the regulations so delegated present complex compliance requirements that vary by locality. To add to the complexity, states, cities, municipalities, and counties may enact their own environmental laws and regulations.

694 Environmental Compliance Program

694.1 Description

The Postal Service's environmental compliance program establishes strategies, evaluates activities, and administers programs and projects to ensure that federal, state, and local environmental considerations are integrated into all Postal Service operations.

694.6 Training and Awareness

The Postal Service ensures that employees are competent to perform tasks that have or can have significant impact on the environment. This includes providing general awareness and other environmental compliance training required by applicable federal, state, and local environmental laws and regulations, and environmental programs. Environmental compliance training courses are maintained in the corporate-wide learning management information system.

694.7 Preventive and Corrective Action

The Postal Service takes preventive measures and initiates corrective actions for non-conformance and non-compliance identified during the program evaluation and compliance review processes. The Postal Service communicates to employees and customers its environmental policies, and commitment to implementing environmentally responsible business initiatives, and seeks opportunities to partner with public and private organizations to further its environmental objectives.

694.9 Budget and Resource Allocation

Handbooks

Handbook EL-312 Revision: Sections 711 through 714

Effective November 28, 2013, the Postal Service™ is revising Handbook EL-312, *Employment and Placement*, sections 711 through 714 with updates as follows:

- Section 711 is updated to more clearly state the focus of Chapter 7 and also update the reference to Chapter 74 from EAS Positions to Nonbargaining Positions, and to state that the selection policies in that Chapter apply to all of the referenced nonbargaining pay systems (including Executive and Administrative Schedule (EAS), Management Pay Band, Technical Pay Band, Inspection Service Law Enforcement (ISLE), and Attorney Compensation System positions).
- Section 712 is updated with the current EEO policy statement.
- Section 713 is updated to break the content into subchapters 713.1, Exclusions and 713.2, Limitations. Under 713.2, the restriction on filling sensitive jobs and EAS positions at level 20 or above with noncitizens has been deleted. (The policy for security clearances is addressed in the *Administrative Support Manual*, Section 272, and no longer includes this citizenship restriction for the vast majority of employees who require a security clearance).
- Subsection 714.1 is updated with minor editorial changes in items a through i to break the content down and/or reword sentences for ease of use.
- Subsection 714.2 is revised to change the heading from “Selection Philosophy” to “Philosophy”. In addition, the last paragraph is deleted because personnel records (like electronic Official Personnel Folders) are not routinely made available to selecting officials, and employees are encouraged to show relevant cur-

rent experience, education, training, and other qualifications on their applications or *eCareer* profiles.

- Subsection 714.3 is updated with minor editorial changes to break the content down and reword sentences for ease of use.

7 Assignment, Reassignment, and Promotion

* * * * *

71 Introduction

* * * * *

711 Organization

[Revise the text of 711 to read as follows:]

Most Postal Service positions are filled by qualified career employees (excluding new hires) through assignment, reassignment, and/or promotion. This chapter focuses on the policies and procedures governing in-service placement and qualification standards, as follows:

- a. 72 — Bargaining Positions.
- b. 73 — Reserved.
- c. 74 — Nonbargaining Positions (including Executive and Administrative Schedule (EAS), Management Pay Band, Technical Pay Band, Inspection Service Law Enforcement (ISLE), and Attorney Compensation System positions).
- d. 75 — Supervisor Selection Process.
- e. 76 — Bargaining Position Qualification Standards.

712 Equal Employment Opportunity and Affirmative Employment Policy

[Revise the text of 712 to read as follows:]

It is Postal Service policy that selections for positions to be filled by assignment, reassignment, or promotion shall:

- a. Comply with the provisions of applicable collective bargaining agreements; and
- b. Be based on merit and the relevant experience, training, knowledge, skills, and abilities required for the positions being filled.

It is the policy of the Postal Service that all employees and applicants for employment be afforded equal opportunities in employment without regard to race, color, religion, sex (including gender identity and gender stereotypes), national origin, and disability. As part of its program of equal employment opportunity, the Postal Service prohibits discrimination or harassment based on any of these categories. In addition, it is also the policy of the Postal Service to prohibit discrimination or harassment based on age; political affiliation; genetic information; sexual orientation; marital status; status as a parent; and past, present, or future military service.

713 Exclusions and Limitations

[Revise the text of 713 to read as follows:]

713.1 Exclusions

The provisions of this chapter specifically exclude:

- a. Postal Career Executive Service (PCES) positions.
- b. *Restricted positions.* The provisions on filling positions restricted to preference eligibles do not apply to in-service placements of career employees. (See 232.52, Positions Restricted to Applicants Eligible for Veterans' Preference.)
- c. *Veterans' Preference.* Does not apply to the internal placement of career employees. However, veterans' preference does apply to external applicants.

713.2 Limitations

Eligibility for consideration to some positions is limited to employees in specific levels, occupations, geographic areas, or organizations.

714 Selection: Definitions and Philosophy

[Revise the title and text of 714.1 to read as follows:]

714.1 Definitions

The following definitions clarify and standardize the terms used in the selection process:

- a. *Requirements.* The knowledge, skills, abilities, experiences, and physical and other conditions that pertain to a specific position or duty assignment.

1. Not all these requirements are appropriate for every position; only those requirements that an individual needs to successfully perform the duties of a position upon entry are used.
2. Employees fully meet the physical requirements of a position if they are physically able to perform the essential functions of the position, with or without reasonable accommodation where appropriate, and without posing a direct threat of harm to themselves or others. (See Handbook EL-307, *Reasonable Accommodation, An Interactive Process.*)
- b. *Qualifications.* The knowledge, skills, abilities, experience, and physical and other conditions that pertain to the applicant or bidder.
 1. Applicants and bidders must meet the requirements, which mean that they must possess the qualifications (e.g., the knowledge, skills, and abilities) that are required for the position.
 2. Bidders must demonstrate that they possess each of these qualifications at a level that is sufficient for satisfactory (as opposed to unsatisfactory) performance in the position.
 3. The timing for meeting the requirements for senior qualified positions is discussed in 727.4, Timing and Sequence of Evaluation.
- c. *Special conditions.* Conditions that apply only to nonbargaining positions. They describe the circumstances under which the work is performed. Being able to meet a special condition is essential to satisfactory performance at entry. Often, conditions pertain to the willingness of the applicant to perform certain duties or tasks (e.g., willingness to travel frequently or to work irregular hours).
- d. *Special requirements.* Requirements that apply only to bargaining positions. These are stated as knowledge, skills, or abilities required for a specific job assignment. Special requirements may be added locally and used in addition to the qualification standard for the position.
- e. *Qualification standard.* The official document that identifies the requirements of a bargaining position that are needed at entry. Qualification standards do not necessarily contain a complete list of requirements for continued satisfactory performance in a specific position.
- f. *Desirable qualification.* Qualification that applies only to best qualified positions. A knowledge, skill, or ability that is not a mandatory requirement of a position, but one that would be beneficial in performing the duties of a specific job. (Applies only to best qualified positions.)

- g. *Factors*. A cluster of related knowledge, skills, and abilities evaluated as a single requirement. Factors apply only in Postmaster selection.
- h. *Job posting (bid posting)*. A posting for the filling of a senior qualified-bid bargaining position. A job posting announcement contains one of the following:
1. A list of requirements for entry to the position;
 2. The qualification standard number; or
 3. An attached qualification standard.
- i. *Vacancy announcement*. An announcement for the filling of entrance positions, best qualified positions, or nonbargaining positions. A vacancy announcement contains one of the following:
1. A list of requirements for entry to the position;
 2. The qualification standard number; or
 3. An attached qualification standard.

Vacancy announcements do not necessarily contain a complete list of requirements for continued satisfactory performance in a position.

[Revise the title and text of 714.2 to read as follows:]

714.2 Philosophy

The philosophy underlying all selections is that a person placed into a position must be qualified — that is, must meet the requirements of the position. For senior qualified positions, selection is based on a determination of whether the senior bidder is qualified. For best qualified and non-bargaining positions, selection is based on a determination of who is best qualified on the basis of total qualifications.

714.3 Reasonable Accommodations in the Selection Process

[Revise the text of 714.3 to read as follows:]

Reasonable accommodation for qualified applicants with disabilities can take many forms. (See Handbook EL-307, *Reasonable Accommodation, An Interactive Process*.) Accommodations that may be needed during the selection process include, but are not limited to, the following:

- a. Providing written materials in accessible formats.
- b. Providing sign language interpreters.
- c. Ensuring that recruitment, interviews, performance tests, and other components of the process are held in accessible locations.
- d. Providing or modifying equipment or devices.
- e. Adjusting or modifying applications and employment questionnaires.

2014 Social Security and Medicare Tax Withholding Rates and Limits

For 2014, the maximum limit on earnings for withholding of Social Security (Old-Age, Survivors, and Disability Insurance) Tax is \$117,000.00. The maximum limit is changed from last year. The Social Security Tax Rate remains at 6.2 percent. The resulting maximum Social Security Tax for 2014 is \$7,254.00.

There is no limit on the amount of earnings subject to Medicare (Hospital Insurance) Tax. The Medicare Tax Rate applies to all taxable wages and remains at 1.45 percent with the exception of an “additional Medicare tax” assessed against all taxable wages paid in excess of the applicable threshold (see note). The FICA Tax Rate, which is the combined Social Security rate of 6.2 percent and the Medicare rate of 1.45 percent, remains 7.65 percent for 2014 (or 8.55 percent for taxable wages paid in excess of the applicable threshold).

The information in the following table shows the changes in Social Security and Medicare withholding limits from 2013 to 2014. The new limits are effective January 1, 2014.

Tax	2013 Limit	2014 Limit
Social Security Gross	\$113,700.00	\$117,000.00
Social Security Liability	\$7,049.40	\$7,254.00
Medicare Gross	No Limit	No Limit
Medicare Liability	No Limit	No Limit

Note: The Patient Protection and Affordable Care Act signed into law March 23, 2010, created the “additional Medicare tax” that changes Medicare withholding computations effective January 1, 2013. All wages, self-employment income, and other compensation that are subject to regular Medicare tax and paid in excess of the applicable threshold are subject to the additional Medicare tax. Employers are required to withhold the additional Medicare tax at a 0.9% rate on wages and other compensation it pays to an employee in excess of \$200,000 in a calendar year. There is no employer match for the additional Medicare tax.

RIF Competitive Areas for the Postal Service

The Postal Service™ divides its organizational structure into multiple competitive areas for reduction in force (RIF) and transfer of function (TOF) purposes. Competitive areas are established based on organizational factors (separate operation, work function, staff, and personnel management authority) and geographical location factors. During the RIF process, an employee can be assigned only to a position in his or her competitive area. Listed below are the Postal Service’s competitive areas as of November 28, 2013.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Information Security

Tech Support Phone Scam

The Computer Incident Response Team (CIRT) is warning employees to be aware of a scam involving phone calls from a fake technical support company.

Scammers are calling postal facilities and claiming to be from Microsoft® support or a company called the Geek Support Line. They try to convince employees to give them access to their computers for “problems they are experiencing” by sending employees to a website that may contain malware.

CIRT recommends that employees who receive these or similar calls hang up immediately.

Employees who receive these calls can contact the CIRT at 866-877-7247 or by email at uspscirt@usps.gov.

City Carrier Assistants Who Elect Self and Family Coverage in the NALC CDHP or NALC Value Option Receive USPS Contribution

City Carrier Assistants (CCAs) are receiving open season mailings about the opportunity to elect health benefits coverage under the Federal Employees Health Benefits (FEHB) Program or the USPS® Non-Career Employee Health Benefits Plan.

CCAs should disregard any statements in health benefits materials or in the *PostalEASE* self-service enrollment system saying that the only way CCAs can receive a health benefits premium contribution from the Postal Service™ is to elect coverage under the USPS Non-Career Employee Health Benefits Plan, as this statement is not accurate.

Per the terms of the collective bargaining agreement with the National Association of Letter Carriers (NALC), CCAs who meet FEHB eligibility requirements and enroll in the NALC Consumer Driven Health Plan (CDHP) or the NALC Value Option will receive a premium contribution from the Postal Service of \$125.00 per pay period for Self and Family coverage only. The NALC CDHP and NALC Value Option are offered as health plan choices under FEHB.

How to Enroll

To enroll in the NALC CDHP or NALC Value Option Self and Family coverage, complete the *PostalEASE FEHB Worksheet* and mail it to the HRSSC at:

HRSSC
Compensation/Benefits
PO Box 970400
Greensboro, NC 27497-0400

For open season enrollments, worksheets must be received at the HRSSC by close of business December 10, 2013. The *PostalEASE FEHB Worksheet* is available on LiteBlue at <https://liteblue.usps.gov>:

- After you log in, click *My HR*.
- Click *Benefits*.
- Click *Health Benefits (FEHB)* under the Insurance heading.
- Follow the links for the *PostalEASE FEHB Worksheet*.

The enrollment code for Self and Family coverage in the NALC CDHP is 325 and the enrollment code for Self and Family coverage in the NALC Value Option is KM2.

Updated Privately Printed Combined Customs Form Specifications

In order to streamline the privately printed combined customs forms application process for business mailers, the United States Postal Service® (USPS) has updated its Customs Form Specification procedures. The updated Customs Forms Specifications for PS Form 2976, *Customs Declaration CN 22 – Sender’s Declaration*, and PS Form 2976-A, *Customs Declaration and Dispatch Note CP 72* are available on the RIBBS® website.

Updating these specifications and procedures will enable our customers to obtain accurate information for USPS-approved, privately printed combined customs forms. In turn, this will help our customers design customs forms that adhere to USPS® and regulatory standards, and

help eliminate the need to produce a separate shipping label.

These revised documents will also streamline and expedite the approval process for customers.

Finally, to make this transition easier for our customers, we have also posted a Customs Form Certification Checklist on RIBBS. This checklist guides our customers throughout the application process and provides Postal Service™ contact information that the customer will need for various steps in the process.

Safety and Health

EWP OSHA Compliance Training

The Postal Service™ is committed to providing a safe work environment for all employees, customers, and other visitors to our facilities. As part of this commitment, the Postal Service policy for energized electrical work has recently been updated. Please also see the new poster on page [37](#).

There are three basic electrical hazards present when working on or near energized electrical circuits and equipment. They are electrical shock, arc flash, and arc blast.

- Electric shock can occur when the human body comes in contact with any source of electricity.
- An arc flash results when there is a flashover of electric current which leaves its intended path and travels through the air from one conductor to another, or to ground. When a human is in close proximity to the arc flash, serious injury and even death can occur.

- An arc blast is caused by an explosive release of molten material from equipment caused by high-amperage arcs.

Injuries that can result from arc flashes and arc blasts include burns, respiratory system damage, hearing damage, skin penetration from flying debris, and eye and face injuries.

To help prevent injuries, always report unsafe equipment, conditions, or activities to your supervisor immediately. This includes:

- Panels with covers missing, fasteners missing or loose, openings in panels exposing internal circuits;
- Water leaking on electrical equipment, doors to electrical rooms open to unqualified employees, broken conduit;
- Employees or contractors working on electrical equipment without the appropriate personal protective equipment or barricades.

Never attempt to operate equipment that is being serviced, especially equipment that is locked out or tagged out for servicing.

Do not enter electrical equipment rooms unless authorized to do so. Signs must be posted at the entrances to electrical rooms to alert people to the electrical hazard and forbid entry to unauthorized people.

Never distract or interrupt anyone working on electrical equipment. This could result in an electrical accident or injury.

Never cross a barricaded work area unless qualified to do so and only when wearing the appropriate Personal Protective Equipment. Barricades are used in combination with safety signs, where necessary, to prevent or limit employee access to work areas.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then

forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not

compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
