Flexible Spending Accounts 2014 Open Season: November 10–December 21, 2014

The 2014 Flexible Spending Accounts (FSAs) Open Season is scheduled for November 10 through December 21, 2014, 5:00 P.M. Central Time (CT). Eligible career employees who elect to participate in the FSA program must enroll via *PostalEASE* during this time. Enrollments made during this FSA Open Season are effective for the 2015 plan year — January 1 through December 31, 2015 — plus a grace period that extends until March 15, 2016, for all employees who are still participating as of December 31, 2015. FSA participation ends sooner for participants who separate or have extended leave without pay.

FSAs allow employees to set aside a portion of their pre-tax earnings for certain types of out-of-pocket health care and dependent care expenses. The money withheld for FSAs is not subject to income, Medicare, or Social Security taxes. United Healthcare administers the FSA program for the Postal Service™.

The booklet FSA BK1, *Flexible Spending Accounts* (November 2014), which is being made available on *https://liteblue.usps.gov,* provides an overview of FSAs. The booklet is not being mailed to employees this year.

Grace Period Still in Effect

Employees with FSAs — for Health Care, Dependent Care, or both — are able to use any balance remaining in an FSA at the end of the plan year to cover expenses incurred during the 2-½ months following that plan year. For the 2014 plan year, the grace period extends until March 15, 2015. For the 2015 plan year, the grace period will extend until March 15, 2016. With the grace period, employees do not have to schedule services or procure items in an end-of-year rush to avoid losing money in the account. Of course, participants have to spend the previous year's balance by March 15 or forfeit the money under the use-it-or-lose-it rule.

The grace period is available only to FSA participants who are still enrolled on December 31, 2014 of the plan year. Most FSA participants remain enrolled through December 31, 2014, but an employee who exceeds eight consecutive pay periods of leave without pay or separates from employment before that date (on December 30, 2014, for example) is not eligible for the grace period.

The deadline for filing claims has not changed — the FSA Customer Service Center must receive all claims by September 30, 2015, of the year after the plan year. For full details, refer to FSA BK1, *Flexible Spending Accounts* (November 2014).

Using PostalEASE to Enroll

To enroll in FSA during open season, employees have four options:

1. Go to *https://liteblue.usps.gov* and click *PostalEASE.*
2. Use an employee self-service kiosk and click *PostalEASE.*
3. Go to *http://blue.usps.gov* and under "Essential Links," click *PostalEASE.*
4. Call the Employee Service Line toll-free at 877-477-3273 and press 1 for *PostalEASE.*

Publicity Poster

To publicize FSA Open Season, all offices must post the open season notice on bulletin boards through December 21, 2014. See page 41.

Direct Mailings to Employees

Headquarters Compensation is coordinating FSA Open Season mailings to career employees at their mailing addresses of record. Employees receive mailings that provide an overview of how FSAs work and the advantages they offer. The FSA booklet, the *PostalEASE* FSA worksheet, and a withdrawal request form are posted on *https://liteblue.usps.gov.*

Review of Basic FSA Provisions

Eligibility to Participate

Participation in the FSA program is limited to career employees. To enroll, a career employee must have completed at least 26 full pay periods of Postal Service career service during the current appointment by the end of Pay Period (PP) 26-2014 (December 12, 2014). A career employee who is in a leave without pay (LWOP) status that has lasted for eight consecutive full pay periods as of December 12, 2014, is not eligible to participate in the FSA program, unless he or she is returning from uniformed military service.

Election Opportunities — Health Care and Dependent Care FSAs

Eligible career employees may elect to participate in one, or both, of two FSAs — the Health Care FSA and the Dependent Care FSA. Each FSA covers eligible expenses for services that are received during the employee's period of participation during the 2015 plan year (for most employees this will be January 1, 2015 through March 15, 2016). Annual contributions to the Health Care FSA are limited to $2,500. Annual contributions to the Dependent Care FSA are limited to $5,000 for a family and $2,500 for a married employee filing a separate income tax return. FSA BK1, *Flexible Spending Accounts,* describes eligible and ineligible expenses and provides guidelines for estimating 2015 expenses.

Reminder: Health care expenses for dependents must be included in the Health Care FSA contribution amount and not in the Dependent Care FSA.

Withholding of FSA Contributions

There are 27 pay periods in 2015 (most years have 26). Therefore, the maximum Health Care FSA contribution per pay period in 2015 is $92.60 (normally it is $96.15). The maximum Dependent Care FSA contribution per pay period in 2015 is $185.19 (normally it is $192.31). The minimum contribution for each FSA is $5.00 per pay period, for a total of $135.00 in 2015 (normally it is $130.00). Contributions for each FSA are withheld in equal amounts through payroll deductions covering 27 pay periods (PP 01-2015 through PP 27-2015).

Qualifying Life Event Enrollment and Elections

Participants may neither cancel enrollments nor change contribution levels during the plan year except following qualifying life events, as explained in FSA BK1, *Flexible Spending Accounts.* In those cases, HRSSC specialists determine a participant's eligibility to enroll or to change contribution levels during the plan year and respond to employee inquiries about that eligibility.

Address and Fax Numbers for FSA Claims

Participants should mail or fax Form FSA1, *Flexible Spending Account (FSA) Withdrawal Request,* directly to the FSA Customer Service Center as explained on Form FSA1, or may file claims online at *www.myuhc.com*.

Use of 711 for Employees Who Are Deaf or Hard of Hearing

Employees who are deaf or hard of hearing may call the FSA Customer Service Center number, 800-842-2026, via 711, the Telecommunications Relay Service (TRS).

Open Season Materials

Direct Mailings to Career Employees

Mailings that provide an overview of how FSAs work and the advantages they offer are mailed to each career employee at his or her mailing address of record during the FSA Open Season. Also, the following items are posted on *https://liteblue.usps.gov*; they are no longer mailed to employees:

- FSA BK1, *Flexible Spending Accounts* (November 2014), a booklet that explains plan policies and provisions in detail.
- The FSA *PostalEASE* worksheet.
- FSA1, *Flexible Spending Account (FSA) Withdrawal Request* (November 2014), a form used to request withdrawal of funds from an FSA for payment of eligible expenses for services received during the period of participation.

Employees who are deaf or hard of hearing may call the FSA Customer Service Center number, 800-842-2026, via 711, the TRS.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices, which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international postal money orders.

2. Check that the proper security features are present:

   ■ When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.

   ■ When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.

   ■ There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *https://www.usps.com/shop/accepting-money-orders.htm*.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at *https://amps.mpsa.mil/jy2/frm.htm*.

The entries under "Changes" appear in bold in the APO/FPO/DPO table starting below.

Annual Leave Exchange Option Poster

November 15, 2014, to December 15, 2014

The Annual Leave Exchange Program provides an option for eligible career employees to receive a lump sum payment in exchange for a portion of the annual leave that would otherwise be advanced at the beginning of the 2015 leave year. American Postal Workers Union (APWU)-represented, part-time flexible employees may exchange a portion of the leave they are expected to earn during the 2015 leave year. ***Annual leave that has been earned and accumulated during the 2014 leave year, which ends January 9, 2015, cannot be exchanged for cash.*** Exchanging next year's annual leave for cash is strictly a voluntary action. The exchange option is not intended to discourage an employee's use of annual leave. Any leave exchanged will not be available for use in leave year 2015.

Eligible Employees

Employees eligible for the Annual Leave Exchange Program include the following:

- Career nonbargaining unit employees from rate schedule codes (RSCs) D (levels 1–8), E, F, S, U, V, and Z (levels 1–12) who have an annual leave balance of at least 160 hours at the end of the 2014 leave year.
- Career bargaining unit employees — full-time employees, part-time regular employees, and APWU-represented, part-time flexible employees — from the following RSCs who have an annual leave balance of at least 440 hours at the end of the 2014 leave year and have used less than 75 hours of sick leave during the 2014 leave year:
  - American Postal Workers Union, AFL-CIO — Rate Schedule Code (RSC) P.
  - Operating Services Division, Headquarters & Facility Services Section, Merrifield VA/APWU — RSC K.
  - Mail Equipment Shops & Material Distribution Centers/APWU — RSC C.
  - The National Postal Mail Handlers Union — RSC M.
  - National Postal Professional Nurses/APWU — RSC G.
  - Information Technology/Accounting Service Centers/APWU — RSC N.
  - Postal Police Officers' Association — RSC Y.

PostalEASE Elections

Employees who meet the eligibility criteria and want to exercise this option must use *PostalEASE* to make elections. For the election to be considered timely, employees must complete their entries in *PostalEASE* by 11:59 P.M. CT, December 15, 2014.

- The employee is deaf or hard of hearing.
- The employee cannot use the telephone, Internet, employee self-service kiosk, or Intranet for a medical reason.
- The employee receives a message in *PostalEASE* directing him or her to contact the HRSSC when attempting to make an election.

Mailings that provide an overview of how FSAs work and the advantages they offer are mailed to each career employee at his or her mailing address of record during the FSA Open Season. Also, the FSA BK1, *Flexible Spending Accounts* (November 2014), a booklet that explains plan policies and provisions in detail, and the FSA *PostalEASE* worksheet are posted on *https://liteblue.usps.gov*; they are no longer mailed to employees.

IRS Reporting Requirements of Attorney Fees, Back Pay, or Wages

The purpose of this notice is to ensure that employees are aware of the Internal Revenue Service (IRS) income reporting requirements when attorney fees are awarded.

In 2005, the IRS issued regulations that changed the manner in which attorney fee awards are to be treated for tax reporting purposes, based upon the Supreme Court's decision in *Commissioner v. Banks,* 125 S. Ct. 826 (2005). Previously, when payment of attorney fees was made directly to the attorney, the payment to the attorney was only reported on the attorney's Form 1099-MISC, *Miscellaneous Income.* In *Commissioner v. Banks,* the Supreme Court held that when a litigant's recovery constitutes income, the litigant's income includes the portion of the recovery paid to the attorney as a contingent fee. Thus, pursuant to Internal Revenue Code (IRC) Section 6041(a) and 6045(f), these fees cannot be excluded from the plaintiff's gross income for tax reporting purposes.

Following are a number of different situations requiring variations in the reporting requirements:

- *Attorney Fees Paid Directly to an Attorney —* These fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. These fees will also be reported on the attorney's Form 1099-MISC.

- *Settlement (no back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified —* The entire amount of the settlement (including attorney fees) will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.

- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified —* The back pay or wages portion of the settlement is subject to income and FICA tax withholdings. The back pay or wages portion will be reported on the employee's Form W-2. The identified attorney fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.

- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are not Identified —* The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The employee's attorney will not be issued a Form 1099-MISC.

- *Settlement Check (no back pay or wages) is Issued Jointly to Employee and Attorney —* The entire amount of the settlement will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC and will also be reported on the attorney's Form 1099-MISC.

- *Settlement Check (back pay or wages) is Issued Jointly to Employee and Attorney —* The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The net amount of the settlement (the actual amount of the settlement check) will be reported on the attorney's Form 1099-MISC.

- *Settlement Check (back pay or wages) is Split between Employee and Attorney —* The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The settlement check is issued to the employee, but prior to disbursement the check is pulled and the net of the settlement (the actual amount of the check) is split between the employee and his or her attorney. The entire amount of the settlement will be reported on the employee's Form W-2. The actual amount of the check paid to the attorney will be reported on the attorney's Form 1099-MISC.

The Postal Service™ makes no representation regarding the taxability of these payments. Potential tax liability resulting from any of these payments is the employee's responsibility. The IRS makes the determination on whether taxes must be paid. The Postal Service does not provide tax advice, and any tax reporting questions should be directed to the IRS or a qualified tax attorney or accountant.

Local Tax Code Information

The Postal Service™ collects appropriate federal, state, and, in some cases, local taxes directly from the pay of its employees who are subject to these deductions. Based on agreements between individual local taxing authorities and the United States Treasury Department, the Postal Service collects a number of city and/or county income taxes, occupational taxes, mental health taxes, residence taxes, local service taxes and, in some locations, more than one of these taxes.

The local taxes listed below are the taxes for which there are agreements between the taxing authorities and the United States Treasury Department. Some of these taxes are automatically deducted from the salaries of Postal Service employees who work within the geographic boundaries of the specific taxing authorities. However, most of these taxes are not automatic deductions. If you are subject to any of these local taxes, you must be proactive and complete and submit the proper taxation paperwork to the HR Shared Service Center (HRSSC). As a Postal Service employee, you are personally responsible for ensuring correct local taxes are deducted from your pay. Should you have any questions regarding your tax liability/responsibility, contact your local taxing authority.

In addition to the taxes listed below, there are other local taxes for which there are no agreements between the individual local taxing authorities and the United States Treasury Department. Employees must make their own payments to these taxing authorities. The Postal Service will not collect local taxes for a taxing entity that has not established an agreement with the Treasury Department.

All Postal Service employees are reminded that they are bound by the materials contained within the Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees. This includes Principle 12, which states: "An employee shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law."

If you live or work in a locality that is subject to one or more of the taxes listed below and the correct deduction(s) is not being withheld from your pay, you should immediately complete a PS Form 4, *Employee's City or County Withholding Certificate.* After completing this form, forward it to the following address:

HR Shared Service Center (HRSSC)
PO Box 970400
Greensboro, NC 27497-0400

Direct all questions concerning these local taxes to the HRSSC:

Wage Overpayment Indebtedness — Tax Treatment

When a Postal Service™ employee is overpaid, the Postal Service establishes an account receivable for the overpayment and initiates the collection of the debt from the employee through the process described in either ELM 450, Collection of Postal Debts from Non-bargaining Unit Employees, or ELM 460, Collection of Postal Debts from Bargaining Unit Employees.

If the overpayment occurred in a prior year, the Postal Service bills the employee for the gross amount of the over-payment. The gross amount includes the net amount of the check/direct deposit plus all taxes withheld and other deductions. The Postal Service cannot recover federal, state, and local tax withholdings on behalf of the employee once the IRS Form W-2 is issued. Tax refunds due once the overpayment has been made are the responsibility of the IRS, state, and local taxing authorities.

If the overpayment occurred in the current year, the Postal Service *initially* bills the employee for the net value of the overpayment; thus, federal, state, local, and FICA/Medicare taxes are not part of the bill. However, if an employee has not fully repaid the overpayment by the end of the tax year (December 31, 2014), the Postal Service must report the unreturned value of the overpayment as taxable income on the employee's Form W-2. This is because the employee received and had use of those funds during the year. Additionally, the employee and employer must now pay appropriate federal, state, local, and FICA/Medicare taxes on the remaining value of the debt. The Postal Service establishes an additional account receivable at the close of the tax year for the value of the taxes the employee owes related to the unpaid debt. The debt collection processes in ELM 450 and ELM 460 are used to collect the additional debt.

Information Security

Avoiding Undeliverable OIG Emails

Some employees are receiving "undeliverable" responses when they try to email the USPS® Office of the Inspector General (OIG) because of a glitch that occurred during a recent system upgrade.

To avoid this problem, users should type the recipient's full email address (i.e. *JDoe@uspsoig.gov)* when sending emails to the OIG.

For more information, contact the Postal Service's Computer Incident Response Team at 866-877-7247 or via email at *uspscirt@usps.gov.*

- Every category of U.S. stamps: definitive, commemorative, airmail, duck stamps, stamped envelopes, and more are all organized into easy-to-use, color-coded sections for quick access.
- Detailed listings for each stamp, with color illustrations, Scott catalog numbers, dates of issue, used and unused prices, quantities (when known), and separate listings for design variations.

Initial Supply to Designated Post Offices

Minnesota Diversified Industries (MDI) will begin shipping supplies of the *2014 Stamp Yearbook* and *The Postal Service Guide to U.S. Stamps — 41st Edition* to designated Post Office locations by late November. Quantities sent to each unit are based upon past sales. The new stamp guide should be made available for sale upon receipt but the new stamp yearbook cannot be sold until December 10, 2014, which is the first-day-of-issue of the *Circus Souvenir Sheet* that is packaged with the other commemorative stamps with the actual book.

POS ONE offices must reflect stamp yearbooks and stamp guides along with all philatelic products in Retail Floor Stock to ensure inventory detection and accurate replenishment. Failure to do so will trigger additional shipments of unwanted products causing unnecessary accountability inflation.

Offices will receive hang tags for both the Yearbook and the Postal Guide with their initial shipment for placement on slat walls. The *2013 Stamp Yearbook* can be removed from display once your new 2014 book arrives; however, the *2013 Yearbook* may still be sold until officially withdrawn from sale.

Ordering Instructions for All Other Post Offices

Offices not receiving automatic shipments of the *2014 Stamp Yearbook* (Item #991400) and *The Postal Service Guide to U.S. Stamps — 41st Edition* (Item #891400), can order the books from SFS Web at *https://sfsweb.usps.gov.* Sales of the stamp yearbook and stamp guide must be reported in AIC 092, Philatelic Product Sales.

The Postal Service Guide to U.S. Stamps — 40th Edition (Last Year's Edition)

As the 41st edition of *The Postal Service Guide to U.S. Stamps* becomes available, Post Offices must withhold all remaining copies of the 40th edition (Item #891300) from sale. Actions should be taken as described below:

- *Retail Outlets.* Collect remaining copies of the 40th edition of the guide from stamp credits and immediately return them to main stock using PS Form 17, *Stamp Requisition/Stamp Return.*
- *Post Offices.* Consolidate all remaining copies of the 40th edition of the guide, if any, into the unit reserve stock. Prepare all 40th editions of the guide in accordance with procedures established for disposing of obsolete and redeemed stock, and submit according to local district quarterly stamp destruction or return schedules.
- *Local Office Philatelic Programs.* Submit PS Form 17 to Stamp Fulfillment Services for the number of 40th editions of the guide (Item #891300) needed for philatelic/promotional programs. One or more copies may be donated to local schools, libraries, student groups, stamp clubs, and retirement homes.
- *Stamp Fulfilment Services.* Stamp all copies of the guide used in promoting philatelic programs NOT FOR RESALE. The SFS custodian of accountable paper must verify that each item is stamped and prepared using PS Form 17, endorsed as PHILATELIC PRODUCTS GIVEN TO PHILATELIC PROGRAMS. Program coordinators must acknowledge receipt of Item #891300 and be responsible for its control.

Note: The instructions for providing obsolete editions of the guide for philatelic and promotional purposes are an exception to general guidelines for destruction of accountable items, especially regarding obsolete (withdrawn from sale) items. In this instance, it is Postal Service policy not to destroy copies of the previous year's edition of the guide when they can be used for valid promotional and/or educational purposes.

Disposition of Excess Guides

Dispose of all remaining copies of the 40th edition of *The Postal Service Guide to U.S. Stamps* (Item #891300) in accordance with Handbook F-1, *Accounting and Reporting Policy,* part 4-11.6, Destruction of Stamps. Because disposition instructions are issued annually for past issues of the guide, your office should have only the new 41st edition in inventory after completing the above procedures. If previous editions are on hand, dispose of them immediately, in accordance with Handbook F-1, 4-11.6.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at *www.usps.com/shop.*

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Ser-

vices, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified enve-

lopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-

issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
