Growing the USPS "Returns" Business: Nobody Does It Better!

The Postal Service™ wants to be America's "Return Shipper of Choice" and has a portfolio of return products that can meet the needs of merchants of all sizes.

A USPS[®] training video is now available for employees that is titled "Growing the USPS 'Returns' Business: Nobody Does It Better!". This video emphasizes the processes for returns, improving the visibility of the shipments and the \$3 billion worth of returns business.

After the holidays, consumers are returning gifts that they have received, along with all types of merchandise they have ordered and have decided to return for various reasons. The United States Postal Service[®] wants this business and has the infrastructure to support it. Whatever the reason, a "hassle-free" customer returns policy helps merchants win their first order and a positive returns experience earns repeat business.

eCommerce marketplace revenue is expected to grow about 9.5 percent annually through 2018 according to Forrester Research. Shipments to consumers are outpacing shipments to businesses. By 2018, total online sales in the U.S. are expected to reach close to \$414 billion. As eCommerce shopping grows, so does the demand for user-friendly "Returns" solutions.

Why should customers choose the Postal Service for their "Returns"?

- Convenience: With more than 31,000 retail Post Offices™ throughout the U.S., we offer convenient choices for customers to deposit their return packages. We offer Package Pickup from the customer's doorstep during regular mail delivery (132 million addresses) and conveniently placed collection boxes (approximately 160,000).
- Affordability: Merchants can better manage shipping expenses because USPS up-front pricing means no surprises. There are no surcharges or fees

- to print return labels. We offer ounce-based pricing for lightweight return shipments.
- Flexibility: USPS has convenient return shipping label printing options that can fit customers' needs and has IT support capabilities. A return label can be made available with the order or a PDF image is emailed to the customer when requested. Through the Print and Deliver service, merchants can request that a USPS return label be delivered to their customer's address by a USPS carrier, be picked up by their customer at one of 31,000 Post Offices or made available at one of 2,500 Self-Service Kiosks.
- Visibility: Our customers have peace of mind because they can track their return packages throughout the return process, resulting in fewer calls to their customer call center. The Intelligent Mail[®] package barcode (IMpb) on the return shipping label will be scanned as it is processed on postal equipment until it is delivered, providing up to 11 scan events
- Options for Returns: The Postal Service now offers Priority Mail Returns[®], First-Class Package Return[®], Ground Return service, USPS Returns[®] Scan Based Payment, Parcel Return service, Merchandise Return service, Bulk Parcel Return service and Business Reply Mail Parcels.

The USPS Returns — Customer Guide provides customers with various options for returns. Requests for the guide can be made by sending an email to returns@usps.gov. Look for upcoming "Returns" solutions by the Postal Service that will meet the needs of both consumers and merchants.

DMM Revision: New Mailing Standards for Domestic Mailing Services Products

Effective January 25, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) in various sections to reflect minor mail classification updates, product and service enhancements, and to eliminate outdated references, publications, and forms, as follows:

Publication 109 and Publication 91

To provide a single, more comprehensive technical reference guide related to Intelligent Mail® package barcodes, including extra service barcodes, the Postal Service began incorporating information from multiple technical guides into the Intelligent Mail Package Barcode (IMpb) Implementation Guide for: Confirmation Services and Electronic Verification System (eVS) Mailers, in early 2014. As a result, Publication 91, Confirmation Services Technical Guide, was officially retired in March 2014. Subsequently, Publication 109, Special Services Technical Guide: Postal Forms and Labels (Domestic Service Only), will be retired effective January 25, 2015. The DMM will be revised to remove all references to Publication 109 and Publication 91, and replace them with Intelligent Mail Package Barcode (IMpb) Implenentation Guide for: Confirmation Services and Electronic Verification System (eVS) Mailers reference, as applicable. The guide is available RIBBS at https://ribbs.usps.gov/ index.cfm?page=intellmailpackage.

Package Services — Bound Printed Matter

On April 18, 2013, the Postal Service published a Final Rule [FR Doc No: 2013-08721] modifying the eligibility requirements for mailers to qualify for automation prices. This included a requirement of Full-Service compliance for Bound Printed Matter flats. On December 27, 2013, the Postal Service provided notice [FR Doc No: 2013-30705] of a partial deferral of the Full-Service compliance date. Subsequently, all of the new DMM language provided in the final rule was removed, instead of being revised accordingly. This article serves to revise the DMM language for flats mailed at Bound Printed Matter prices accordingly, which allows a barcode discount when optionally prepared as a Full-Service mailing. This change will align the DMM language with the postage statements and systems changes completed at the time of the partial deferral.

Extra, Additional, and Mailer Services

Bulk Proof of Delivery

The Postal Service will revise the DMM to streamline the current language for Bulk Proof of Delivery (BPOD) service. Mailers will continue to find the technical standards for BPOD in revisions to the Intelligent Mail Package Barcode (IMpb) Implementation Guide for: Confirmation Services and Electronic Verification System (eVS) Mailers Supplement for Bulk Proof of Delivery Services, available on RIBBS at: https://ribbs.usps.gov/index.cfm?

Package Intercept

Standards for USPS Package Intercept[®] service will be revised to charge the intercept fee once the USPS[®] successfully intercepts the mailpiece, instead of when the intercept request is initiated. Any applicable postage and fees for the mailpiece will be charged based on the customer's method of established payment.

Postage Payment Methods

Alternate Postage

Alternate Postage is a regular offering following a market test, which began on January 2, 2011, as Alternate Postage Payment Method for Greeting Cards. Alternate Postage is a postage payment mechanism for single-piece First-Class Mail[®] letters or postcards, addressed to any domestic location by the sender, that weigh no more than one ounce each. Participation in the Alternate Postage program requires, at a minimum, that postage be debited from a Centralized Account Processing System (CAPS) account, that a signed marketing agreement exists between the mailer and the USPS, that the mailpieces are USPSapproved and bear: unique Intelligent Mail® barcodes, a special Facing Identification Mark (FIM E), and an approved permit imprint indicia (or optionally, an approved picture permit imprint indicia with applicable markings, for no additional charge). The program requires authorization through the Manager, New Solutions, Mailing Services, United States Postal Service, 475 L'Enfant Plaza SW, Room 5440, Washington, DC 20260-4440.

Refunds and Stamp Exchanges

The Postal Service will provide a clarification in the DMM language that applies to stamp exchanges for both ordinary and precanceled postage stamps affixed to unusable commercial envelopes and postcards. This revision

will replace minor wording that was inadvertently condensed into the DMM text in a prior DMM revision.

Publication 75, Mover's Guide, News

As of January 1, 2015, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should receive the new January–March 2015 issue of Publication 75 by December 31, 2014. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

Make sure customers are aware that USPS.com[®] is the most convenient, safe, and secure way for customers to submit a change-of-address order.

- Encourage carriers to take ICOA message cards on their routes instead of *Mover's Guide* copies.
- Give Mover's Guide copies out to moving customers only.

Important Reminders and Alerts

Alert: The Postal Service[™] offers the *Mover's Guide* as a service to our customers to assist them with forwarding mail to new addresses. Remember, provide only one *Mover's Guide* per mover unless the visitor asks for more. In that event, provide no more than three. The Postal Service has determined that this number is sufficient for cus-

tomers who use the *Mover's Guide* to submit a Change of Address Order relating to a move.

Reminders:

- Copies of Mover's Guide must be kept behind the counter ONLY, not in inner or outer lobbies or on clerk counters.
- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of Mover's Guide.
- Limit of one Mover's Guide per customer. Upon request, up to three can be provided.
- Mover's Guide is printed and distributed four times a year.

Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should arrive by the end of December. The second shipments will arrive 3 to 5 weeks later.

- Boxes with ORANGE stickers are the first shipment for this print run.
- Boxes with GREEN stickers are the second and final shipment for this print run.

To track your office's shipment information, go to http://blue.usps.gov/purchase/operations/ops_downloads.htm and click Mover's Guide (Pub 75) Distribution for January–March 2015. Use the Ctrl + F Function, while the "Fedstrip" Column is highlighted, to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

ICOA Message Card Information

If your Post Office has an ICOA message card display, replenishment cards and updated banners will be mailed with your *Mover's Guide* shipments. DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS. THEY DO NOT EXPIRE. The display is REQUIRED to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA Message cards between shipments, use the website at http://imagitas.com/postal-order-form.html or call 800-816-6837 for replenishment.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices.

which must be recycled. Acceptance clerks must not accept Priority Mail Express[™] shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Missing, Lost, or Stolen U.S. Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the num-

bers listed appear in the *Postal Bulletin*. The actual serial numbers consist of the first 10 digits on the money orders. Check for altered dollar amounts by holding money orders to the light.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service $^{\text{TM}}$ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- 2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at https://www.usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the <u>Restrictions</u> page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at https://amps.mpsa.mil/jy2/frm.htm.

The entries under "Changes" appear in bold in the APO/FPO/DPO table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service[®] only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the Summary of the Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

Federal Income Tax Withholding

Effective Pay Period 03-2015, payroll checks will reflect changes in the withholding of federal taxes. All information in this article is based on Internal Revenue Service (IRS) Notice 1036, revised December 2014. The Early Release Copies of the Percentage Method Tables for Income Tax Withholding will appear in the IRS Publication 15 (Circular E), *Employer's Tax Guide.*

The biweekly personal exemption value for each federal tax allowance will increase from \$151.90 to \$153.80 per allowance. In addition, the dollar amounts for the withholding tables have changed. The existing withholding rates (10%, 15%, 25%, 28%, 33%, 35%, and 39.6%) did not change.

^{*} Wages are determined after subtracting withholding allowances, CPP, FEDVIP, FEHB, (NCE-HB, if pre-tax in place), FSA, HSA, and TSP contributions from your gross earnings.

Contributions made by employees to the following are treated as pre-tax monies for federal tax computations:

- Commuter Program (CPP) up to the transit/parking pre-tax limits.
- Federal Employees Dental and Vision Insurance Program (FEDVIP).
- Health Benefits (HP)
 - Federal Employees Health Benefits (FEHB), unless employee declined the pre-tax benefit.
 - USPS Non-Career Employee (NCE) Health Benefits, only if employee opted for pre-tax contributions
- Flexible Spending Accounts (FSA).
- Health Savings Account (HSA).
- Traditional Thrift Savings Plan (TSP).

When calculating your federal taxes, remember to subtract from your gross earnings your withholding allowance amount as well as these pre-tax contribution amounts to determine your federal taxable wage amount.

Upon submission of your federal tax return, you are urged to review your federal tax withholdings particularly if you owed a significant amount of money or were due a

large refund. If necessary, update your Federal Form W-4 (Employee's Withholding Allowance Certificate).

To determine the amount of withholding, follow steps 1 through 10:

- Determine biweekly gross wages from earnings statement.
- Determine biweekly Traditional TSP employee contributions from earnings statement.
- Determine biweekly FSA contributions from earnings statement. If applicable, add the amounts from both the FSA Dependent Child (FSADC) Sub-Account and the FSA Health Care (FSAHC) Sub-Account.
- 4. Determine biweekly FEHB pre-tax employee contribution from earnings statement (abbreviated as HP).
- Determine biweekly USPS NCE pre-tax employee contribution from earnings statement. *Note:* Generally NCE contributions are treated as post-tax monies.
- Determine biweekly CPP employee contributions from earnings statement.
- 7. Determine biweekly FEDVIP employee contributions from earnings statement.

- 8. Determine biweekly HSA contribution from earnings statement.
- Multiply the number of exemptions claimed by the biweekly exemption value of \$153.80 (withholding allowance). The federal tax line on the earnings statement shows the number of exemptions claimed (e.g., S1 = single with one exemption, M3 = married with three exemptions).
- 10. Subtract the amounts in step 2 (Traditional TSP), step 3 (FSA), step 4 (FEHB), step 5 (USPS NCE, only if appropriate), step 6 (CPP), step 7 (FEDVIP), step 8 (HSA) and step 9 (exemptions) from step 1 (biweekly gross wages). The balance is the amount subject to withholding.
- 11. Determine into which range this amount falls on the Federal Income Tax Withholding Table; follow the instructions listed in the table.

The following is an example of how to compute federal income taxes for a Federal Employee Retirement System (FERS) employee who claims married with three exemptions, and makes pre-tax contributions to the TSP, FSA, FEHB, CPP, and FEDVIP.

Example: A FERS employee receives \$3,826.35 as biweekly gross wages. The employee makes the following contributions: 11 percent of basic earnings (for this example, all of the gross \$ is basic; basic X 0.11 = \$420.90) per pay period (PP) to TSP; \$65 per PP to FSADC; \$95 per PP to FSAHC; \$148.46 per PP to FEHB, \$105 for this PP to the CPP; and \$57.23 per PP to the GEHA PPO High Option Dental Premium. The employee claims "married" with three exemptions (M3 on the federal tax line of the earnings

statement). Using the information provided in the Federal Income Tax Withholding Table in this article, federal taxes are computed as follows:

Biweekly gross wages	\$3,826.35
Minus Traditional Thrift Savings Plan contributions	-420.90
Minus Flexible Spending Account Dependent Care	
contributions	-65.00
Minus Flexible Spending Account Health Care	
contributions	-95.00
Minus Federal Employees Health Benefits	
contributions	-148.46
Minus Commuter Program pre-tax contributions	-105.00
Minus Federal Employees Dental and Vision	
Insurance Program contributions	-57.23
Minus Exemptions (3 x \$153.80)	-461.40
Amount of wages subject to withholding	\$2,473.36

To complete the computation, refer to the Married/Biweekly segment of the Federal Income Tax Withholding Table. The amount of wages subject to withholding (\$2,473.36) falls within the "over \$1,040 but not over \$3,212" range. Using the information provided within that range, the final computation is as follows:

Amount subject to withholding	\$2,473.36
Subtract \$1,040 from \$2,473.36	1,433.36
Multiply \$1,433.36 by .15 (15%)	215.00
Add from the table	70.90
Add \$215.00 and \$70.90	285.90
Total federal income tax* that should be withheld from this employee's biweekly check	\$285.90

^{*} Rounding may vary this total by a few cents.

Federal Taxation Percentages for Supplemental Wages

USPS[®] employees are reminded that the percentages used to tax supplemental wages are different from the normal taxation percentages. Supplemental wages may include, but are not limited to, annual leave exchange, awards, back-pay awards, prizes, severance pay, and reimbursements for moving expenses. *The American Jobs Creation Act of 2004* and Section 31.3402(g)-1 of IRS regulations created a two-tiered taxation rate for supplemental wages, effective January 1, 2005. These regulations apply to all supplemental payments received by USPS employees in the United States, as well as the U.S. territories.

With the passage of the American Taxpayer Relief Act of 2012 (H.R.8), the marginal income tax rate for high-income

taxpayers was increased for wages paid on and after January 1, 2013.

Current regulations provide for taxation of supplemental wages up to a total of 1 million dollars within a calendar year at a *mandatory* withholding rate of 25 percent. Regulations also provide for a *mandatory* withholding rate of 39.6 percent (or the highest rate of income tax for the year) for any supplemental wages paid in excess of 1 million dollars within a calendar year. These regulations remain in effect until taxation percentages are once again changed by Congress and the IRS.

Holiday Safety: Protecting Credit Card Information

With the holiday season approaching, the Corporate Information Security Office recommends employees follow these tips to protect their credit card information:

- Protect your information while shopping or banking online. Use only sites whose Web addresses begin with "HTTPS://."
- Close your browser after you have been on a site that asks for credit card information. Clear your login name and passwords, if using a public computer.

- Change passwords monthly and use different login IDs and passwords for each website.
- When possible, use a credit card instead of a debit card. Federal laws provide consumers more protection for credit cards.
- Keep track of bank and credit card statements, as well as retail purchase receipts, to more quickly identify unauthorized transactions.
- Be wary of emails that ask for credit card information. In most cases, these emails are either a phishing attack or spam to collect credit card information. If you're unsure whether the email is legitimate, go directly to the company's website. Don't use links in emails.
- Take advantage of free annual credit reports available from the three credit bureaus (Equifax, Experian, and TransUnion). Go directly to their websites, since there are many sites that charge for this service.
- Shred outdated credit card or bill statements.

If you think you are a victim of credit card theft or fraud, contact your financial institution immediately.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail[®] postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office[™], by telephone at 800-STAMP-24, or at The Postal Store[®] website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow

sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.
