National Consumer Protection Week is March 5-11, 2017

This year, National Consumer Protection Week (NCPW) runs from March 5–11, 2017. NCPW helps consumers by providing information, materials, and services to improve their ability to protect themselves and loved ones from fraud. We encourage Postmasters and facility managers to conduct local activities to support National Consumer Protection Week. Those interested in holding local events may visit the NCPW website at https://www.ncpw.gov/ to view and print resources for consumer outreach activities, or contact their local Postal Inspector. The online materials will replace the lobby kits mailed to Post Offices in the past.

Overview

NCPW is a federal program designed to heighten awareness of fraud and help consumers improve their ability to combat crime. During NCPW, federal, state, and local consumer protection agencies — together with consumer organizations and industry associations — launch consumer protection and education efforts around the country. This year, the Postal Service[™] and the Postal Inspection Service are partnering to educate postal employees and the general public about scams to which older Americans are increasingly susceptible. Postal Inspectors want to:

- Increase awareness about age-related vulnerabilities that can lead to financial exploitation.
- Provide valuable information to postal employees and the general public about the need to protect their own assets as they age, and how to help an older loved one do the same.
- Establish a central location where everyone can learn more about helping an older family member or friend who has been taken advantage of — and keep it from happening again.

Anyone can be a victim of a scam, but scammers often target individuals whom they perceive as vulnerable, so older adults tend to be targeted again and again. These crimes take a toll, both financially and emotionally. Financial exploitation can seriously affect the lives of seniors and their families, who are often unaware until it's too late.

Experts say financial decision-making declines in all older adults to one degree or another, even healthy seniors who don't suffer from dementia. Declining decision-making — especially where money is concerned — is increasingly regarded as a natural part of aging. During NCPW, Postal Inspectors will discuss how everyone should plan for the day they need an extra set of eyes on their financial affairs.

The Postal Inspection Service wants postal employees and consumers to learn more about reducing their exposure to fraud and the deceptive marketing practices frequently directed at older Americans. If someone's been victimized by a phony charity or fake prize promotion, Postal Inspectors also offer steps that families and friends can take to keep it from happening again.

Persons who expose themselves to sales situations, even legitimate ones, are more likely to be victimized by fraud. We recommend that consumers of all ages take these actions today:

- Get a non-published number and install an answering machine with a large caller ID display. Screen all incoming calls. Pick up only if you recognize the caller. Otherwise, let the call roll to the answering machine.
- Reduce robocalls and block unwanted telemarketing offers. Visit www.DeliveringTrust.com for details.
- Opt-out of pre-approved credit offers by enrolling in the national credit bureaus' OptOut program. Call (888) 567-8688 or go to www.DeliveringTrust.com and sign up online.
- Never enter free prize and sweepstakes drawings.
- Never attend free lunch seminars.
- Never respond to any solicitation you receive over the Internet.

An educated public is the first line of defense. Visit www.DeliveringTrust.com for more information on how to protect yourself and your loved ones from fraud.

Earnings Statement Redesign of Leave Sections

We revised PS Form 1223-B, *Earnings Statement* (known as PayStub), to provide additional information on the leave data. We intend for the changes to:

- Improve communication about earned annual leave (AL) balance.
- Better align the information on the paystub or paycheck with the leave information that is already available to employees using ePayroll.
- Enable employees to better plan for the use of leave or to calculate Terminal Leave (the payment to employee for earned AL when separating or retiring).

At the beginning of every leave year (LY), full- and parttime regular employees are advanced their annual leave hours for the entire year. These hours become earned as employees continue to work through the end of the leave year.

The leave year starts at the first full pay period (PP) of the year. This means that the first and last work day of the pay period is in the new calendar year. For 2017, this is pay period 2.

Leave data on the pay stub represents hours, unless you are a rural carrier. Annual leave and sick leave are expressed as days for rural employees.

Here is a comparison of old and revised Leave sections of PS Form 1223-B, *Earnings Statement*, as of pay period 5-2017.

The "Old" and "Revised" tables in this article show the paystub of an employee who has annual leave, category 8. Eight hours are earned for each working pay period:

Type of Leave	Hours			
Annual leave carried over from 2016	104.28			
+ Annual leave earned from pay period 2 to pay period 5 (4 periods x 8 hours = 32)	+32.00			
+ Holiday hours worked. Exchanged for annual leave in 2017	+0.00			
- 62.50 hours of annual leave used in the last four pay periods	- 62.50			
= Earned annual leave balance	73.78			
Earned annual leave balance from previous table	73.78			
+ Advanced annual leave (22 pay periods x 8 hours = 176.00)	+176.00			
= Available annual leave balance	249.78			

For sick leave, category 4, four hours are earned for each working pay period:

Type of Leave	Hours
Sick leave carried over from 2016	502.61
+ Sick leave earned (YTD) from pay period 2 to pay period 5 (4 periods x 4 hours = 16)	+16.00
- Sick leave hours used (YTD) from pay period 2 to pay period 5	-8.00
= Current sick leave balance	510.61

The individual field names are prefixed with +, -, and = symbols to better explain how the annual leave balances are calculated.

Other leave balances (e.g. advanced sick leave, donated leave, and military leave) continue to be displayed as a single line message at the bottom right of the earnings statement (e.g. DONATED LV BAL = 16.00 hours).

If you have any questions or problems with how you have been paid or with the information that is on your earnings statement, talk to your immediate supervisor or manager. If you need further assistance, call the Accounting Help Desk at 866-974-2733 (7:00 A.M. – 7:00 P.M., Monday – Friday, CST) or send an email to helpdeskaccounting-st.louis@usps.gov.

You are encouraged to view your online earnings statements. Use your USPS[®] Employee Identification Number and Password to log into the *ePayroll* App via *LiteBlue* (*www.liteblue.gov*).

The *ePayroll* option provides many advantages over the hard copy earnings statement:

- Your online statements will be available as soon as your pay record has been processed; you don't have to wait for the hard copy to arrive by mail.
- Your online statements are available for the past 40 pay periods.
- Your online statements provide much greater detail about withholdings, benefit deductions, leave balances, and adjustments. This is an improvement from what was provided on the limited space of the traditional hard copy earnings statement.
- ePayroll provides a guide to understanding your earnings statement as well as answers to frequently asked questions.

Think Before You Click — Avoid Falling Victim to Cyber Threats

Do you think before you click? In today's cyber landscape, it only takes one click to expose the Postal Service [™] networks to cyber attacks. Hackers use a variety of techniques to execute fraudulent activities, such as phishing emails, fake websites, and fraudulent text messages.

To protect yourself and the Postal Service from potential cyber threats, do the following when you receive a message via email, text message, or otherwise.

- Analyze the content. Check for incorrect grammar, spelling errors, generic salutations, and requests for account information, such as login credentials or payment information. Never click on a suspicious looking link or attachment, or visit an unknown website.
- Check the sender. Confirm the message is from a reliable source before taking any action. Be wary of messages from unknown senders, especially those with suspicious-looking attachments or links or requests for sensitive information. This applies to both emails and text messages. Even if you know the sender, check for anything suspicious, including the email address or phone number used to contact you. Hackers may try to impersonate someone you know, such as your bank, a department within your organization (IT is a common one), or even a friend or colleague.

Report suspicious activity. If you see something suspicious, say something. Even if you aren't sure if you've become the victim of a cyber threat, report any suspicious activity encountered on Postal Service equipment or networks to the CyberSecurity Operations Center (CSOC) by emailing CyberSafe@usps.gov. If using a personal device, contact your manufacturer's IT Department for further guidance. Depending on the nature of the situation, you may also want to contact the Federal Trade Commission (FTC) and/or your local police department. Never respond to or engage with a suspected hacker.

Remember, cyber threats are everywhere. Stay vigilant when you're online or using an electronic device, and familiarize yourself with the common warning signs of cyber threats to keep yourself "CyberSafe."

For additional information on reporting cyber threats, check out the new public-facing CyberSafe at USPS $^{\text{TM}}$ website at www.usps.com/cybersafe or the CyberSafe at USPS pages on Blue (https://blue.usps.gov/cyber/) and LiteBlue (https://liteblue.usps.gov/cyber/).

Stay Alert for Postal Service Cyber Threats

Cyber threats are on the rise everywhere and are expected to continue growing in number. Although we can't eliminate cyber threats altogether, we can take steps to actively protect Postal Service $^{\text{TM}}$ information. Here are some guidelines to guard against potential cyber threats:

■ Set strong passwords. Make sure your passwords are unique and easy to remember, such as a phrase or a short sentence that includes numbers and/or special characters. For example, take the phrase "Be CyberSafe" and turn it into "B3_Cyb3rS*f3." To differentiate across multiple accounts, add a unique identifier, such as "w0^K" for your work account, or "M0b!13" for your mobile account.

Remember: The Postal Service requires you to create a password that is at least 15 characters long and includes three of the following: (1) uppercase letters, (2) lowercase letters, (3) numbers, or (4) special characters.

Never plug personal devices into Postal Service equipment. Plugging in any personal device into Postal Service equipment is strictly prohibited. This applies even if you are not connected to the Postal Service Intranet or Wi-Fi. Never plug in cell phones, tablets, fitness trackers, and other Wi-Fi and Bluetooth-enabled devices, or devices that use a USB cable. Similarly, never plug USPS-issued devices into your home computer or other devices.

Remember: If you need to charge a device, always use an outlet in an approved area.

■ Check all links and attachments carefully before opening them. Always think carefully before clicking on links, opening attachments, or downloading files or apps, especially those sent by an unknown sender or entity. Additionally, be wary of emails that ask you for personal information, such as account or payment information. This could be a phishing attempt to obtain access to USPS[®] data, or even your own personal data.

Remember: Do not open emails from someone you don't know. Even if you do know the sender, check the email carefully — hackers may try to impersonate a person or organization that you know to obtain sensitive information.

It is our shared responsibility to protect Postal Service systems and networks. Report suspicious activity to the CyberSecurity Operations Center at *CyberSafe@usps.gov*. For additional information on reporting cyber threats, check out the new public-facing CyberSafe at USPS™ website at *www.usps.com/cybersafe* or the CyberSafe at USPS pages on *Blue* (https://blue.usps.gov/cyber/) and *LiteBlue* (https://liteblue.usps.gov/cyber/).

Invalid USPS Corporate Account Numbers

Please provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices, which

must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- 2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at https://www.usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the <u>Restrictions</u> page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at https://amps.usps.gov/jy2/frm.htm.

The entries under "Changes" appear in bold in the APO/FPO/DPO table starting below.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds. Future performance of the funds will vary and may be significantly different from the returns shown above. See the Summary of the

Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001. See next page for L Funds.

The Stamp Ceremony Memento

In 2017, the United States Postal Service[®] launched a new and exciting product for our customers and collectors — the stamp ceremony memento. This memento will be offered for a number of different products wrapped into one first-day-of-issue experience collectable. The stamp ceremony memento is professionally packaged to preserve the contents.

Love Skywriting stamp memento, Item 561634, \$18.95

The Love Skywriting stamp depicts the word "Love" written in white cursive script against a blue sky studded with wispy clouds. The edges of the letters are just beginning to blur into the surrounding sky. Underlining the word is a decorative swirl of smoke that emphasizes the message. A small, stylized plane, dwarfed by the giant letters, completes the end of the swirl, with smoke trailing from its tail.

The stamp ceremony memento for the *Love Skywriting* stamp includes:

First-Day Cover

Announce your affection with this new *Love Skywriting* first-day cover. The #6-3/4 envelope bears one affixed Forever® stamp cancelled with an official first-day-of-issue postmark.

Digital Color Postmark

The Love Skywriting digital color postmark celebrates public displays of affection with handwriting floating between blue arcs representing clouds. Also included are an image of a plane and the stamp title, as well as the date and location of stamp issuance: January 7, 2016, Chino, CA 91710.

Ceremony Invitation

The stamp ceremony memento includes an original invitation to the official first-day-of-issue ceremony. This invi-

tation shows the order of the event and all of the participants.

Ceremony Program

The full-color program features the first-day-of-issue ceremony agenda and participants on one side, with a narrative about the stamp design on the reverse.

The stamp ceremony memento is also currently available for the *Lunar New Year: Year of the Rooster* stamp, the *Dorothy Height* stamp, the *Oscar de la Renta* stamp, and the *John Fitzgerald Kennedy* stamp. Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail[®] postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail[®] requirements. Customers may purchase new stamps at their local Post Office[™], by telephone at 800-782-6724, or at The Postal Store[®] website at www.usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16 inches side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high x 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue) USPS Stamp Fulfillment Services 8300 NE Underground Drive, Suite 300 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue) USPS Stamp Fulfillment Services 8300 NE Underground Drive, Suite 300 Kansas City, MO 64144-9900

Federal Reporting Requirements on Hazardous and Toxic Chemicals

Reminder

Postal Service[™] policy requires all USPS[®] facilities to comply with reporting requirements of the Emergency Planning and Community Right-to-Know Act (EPCRA), if applicable. Postal sites that store certain quantities of hazardous and toxic chemicals must complete and submit the ECPRA Tier II Form by March 1 every year.

Reporting requirements apply to any location that stores threshold quantities of EPCRA-regulated hazardous and toxic chemicals. Regulated chemicals used by the Postal Service include sulfuric acid in lead-acid batteries, gasoline, diesel, heating oil, and ice melt/anti-skid products. These chemicals are discussed in greater detail below.

Applicability

Commonly reported chemicals and thresholds applicable to USPS facilities include:

- Lead-acid batteries. The 500 pound threshold for sulfuric acid can be met by having more than six (6) tow motor batteries or more than two (2) forklift batteries, or a combination of these batteries onsite. The percent weight of sulfuric acid in the battery can be estimated by multiplying the battery weight by 18 percent.
- Gasoline, diesel, or heating fuel. The 10,000 pound threshold is equivalent to 1,433 gallons of gasoline or 1,223 gallons of diesel/heating fuel.
- Ice melt/anti-skid products. Rock salt, calcium magnesium acetate, and sand have a 10,000 pound threshold. The threshold applies whether or not the materials are stored in one bulk location or dispersed on bags or pallets throughout the site.

Reporting Process

As applicable, USPS Installation Heads should submit the emergency and hazardous chemical inventory reporting form, known as the Tier II Form, by March 1, 2017, to the following organizations:

 The State Emergency Response Commission (SERC);

- The Local Emergency Planning Committee (LEPC);
 and
- The local Fire Department that would respond to an emergency at your facility.

States may require reporting through the submittal of the hard copy Tier II Form, electronic reporting through the EPA Tier2 Submit software program, or through their own state-specific software programs or websites. Each state's individual reporting requirements, procedures, and forms can be accessed at http://www2.epa.gov/epcra-tier-i-and-tier-ii-reporting.

For states that recommend the EPA Tier2 Submit 2016 software, postal facilities should be able to utilize *eAccess* to request download of the Tier2 Submit 2016 software for use in electronic reporting. If other state electronic reporting software or website applications are not accessible or authorized on your USPS ACE computer system, you should report via hard copy communications using the paper Tier II Form.

Note: USPS facilities are not required to pay any fees associated with reporting (including electronic reporting user and registration fees).

Additional detailed reporting instructions are available through the appropriate regional manager of Environmental Compliance and Sustainability and on the Sustainability website at http://blue.usps.gov/sustainability/environmental/tier-ii-reporting.htm.

If you have questions regarding your need to report under EPCRA, contact your designated manager, Regional Environmental Compliance. For the East region (Northeast, Eastern, Capital Metro Areas, and Headquarters-related facilities), contact Nicholas DeCarlo at *nicholas.decarlo@usps.gov*. For the West Region (Great Lakes, Western, Southern, and Pacific Areas), contact Judy Wingo-Stalinger at *judy.wingo-stalinger@usps.gov*.
