## Store Empty Sacks Flat for Return to Mail Transport Equipment Service Centers

It's time to make a change in sack storage. For decades, Post Offices™ and processing plants have “bummed” canvas and nylon sacks. The term “bum” is a carryover from the days when mail moved by rail. Sacks rode the rails without “working,” which they would do if they were carrying mail.

Nineteen sacks were stuffed into one for return to the mailbag depositories for storage until they were needed again. Now, the Postal Service™ purchases plastic sacks rather than canvas or nylon sacks. Crumbling and stuffing these plastic sacks inside of each other reduces their life, wastes work hours, and can hide mailpieces from employees.

To properly store empty sacks for return to Mail Transport Equipment Service Centers (MTESCs), employees must:

1. Empty the mail sack;
2. Pull the label;
3. Elbow the sack to ensure all mail is out;
4. Lay the sack flat on a pallet, in a cardboard Gaylord box, or in a hamper; and
5. Return the sacks to the closest MTEC.

For more information about sacks and other mail transport equipment, please visit [http://blue.usps.gov/network\\_operations/mte.htm](http://blue.usps.gov/network_operations/mte.htm).

## Manuals

### DMM Revision: Elimination of Fees

Effective April 3, 2017, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) in various sections to clarify the standards for the applicability of certain fees.

Effective with the January 22, 2017, price change, the Postal Service eliminated certain fees for outbound and return products. The Postal Service eliminated the permit imprint application fee for certain products, the annual mailing fee for certain products, the Business Reply Mail® (BRM) annual permit fee for parcel returns, the Qualified Business Reply Mail™ (QBRM™) annual permit fee, and the fees for Merchandise Return Service (MRS), including USPS® Return Services.

The Postal Service eliminated the permit imprint application fee for all Priority Mail Express®, Priority Mail®, First-Class Package Service®, Media Mail®, Library Mail, Bound Printed Matter (BPM) Parcels, and Parcel Select® mailpieces. Other than for mailers using the Electronic Verification System (eVS®), a permit imprint application fee will continue to be required for mailing First-Class Mail®, USPS Marketing Mail™, BPM Flats, and international mail that uses a permit imprint.

The Postal Service also eliminated the annual mailing fee for mailings of Media Mail, Library Mail, BPM Parcels, and Parcel Select. An annual mailing fee will continue to be required for mailings of First-Class Mail automation or pre-sort, USPS Marketing Mail, and destination entry BPM Flats.

The BRM Basic or High Volume annual permit fee is not required for the exclusive return of parcels. An annual permit fee is required for the return of letters, cards, or flats, including when a mailer also receives the return of parcels. The QBRM Basic and High Volume annual permit fees have been eliminated. An annual permit fee may be required if the BRM permit is not used exclusively for the return of QBRM pieces. QBRM will also be subject to the payment of an annual permit fee if pieces prepared as QBRM do not meet the format requirements for QBRM.

The annual permit fee and account maintenance fee for MRS (including USPS Return Services) have been eliminated.

In addition to the above DMM revisions, the Postal Service will also update Quick Service Guide (QSG) 505, *Business Reply Mail*, and Notice 123, *Price List*.

Although we will not publish the changes in the DMM until April 3, 2017, these standards are effective immediately.

*[Revise the text of 1.2.6 to read as follows:]*

A destination entry mailing fee for BPM Flats destination entry mailings must be paid once each 12-month period at each Post Office of mailing by or for any person or organization that mails at the BPM Flats destination entry prices, except as provided otherwise for plant-verified drop shipments. For BPM Flats destination entry mail manifested using eVS under 705.2.9, only one annual BPM Flats destination entry mailing fee (paid at the Post Office where the eVS permit imprint account is held) is required regardless of the number of Postal Service facilities where mailings are verified. All BPM Flats destination entry prices are covered under the payment of a single annual fee. The fee may be paid in advance only for the next 12 months and only during the last 60 days of the current service period. The fee charged is that which is in effect on the date of payment. Payment of this fee is waived for mailers who present only qualified full-service flat-size automation mailings under 705.23.0.

*[Revise the text of items a. and b. to read as follows:]*

- a. Mailers must pay postage, and for BPM Flats mailings the correct mailing fees, at each Post Office where they are authorized to present mailings for verification unless using the Electronic Verification System (eVS) under 705.2.9. Except for plant-verified drop shipments (see 705.17.0) and eVS shipments (see 705.2.9), mailers must have a permit imprint authorization at the parent Post Office for mailings deposited for entry at a DNDC, ASF, DSCF, or DDU. Correct mailing fees for BPM Flat mailings must be paid for the current 12-month period at the USPS facility where postage is paid for the mailing.
- b. Mailers who mail parcels paid with a permit imprint and claimed at Bound Printed Matter destination entry prices may use eVS under 705.2.9. Mailers using eVS must pay postage and applicable fees at the Post Office where they hold the permit used for all eVS mailings.

\* \* \* \* \*

##### **1.1.3 Basic Qualified BRM (QBRM)**

*[Revise the text of 1.1.3 to read as follows:]*

For basic qualified BRM, a permit holder is required to pay an account maintenance fee under 1.1.8, and a per piece fee under 1.1.7 in addition to the applicable letter or card First-Class Mail postage for each returned piece. An annual permit fee may also be required under 1.2.3 if the BRM permit is not used exclusively for the return of QBRM pieces. #### **1.2 Permits**

\* \* \* \* \*

##### **1.2.2 Application Process**

*[Revise the second sentence of 1.2.2 to read as follows:]*

<sup>\*\*\*</sup>If a completed PS Form 3615 is already on file for the mailer for other permits at that office, then the mailer must submit the annual BRM permit fee, if required under 1.2.3, and the USPS amends PS Form 3615 by adding the BRM authorization.<sup>\*\*\*</sup>

##### **1.2.3 Annual Permit Fee**

*[Revise the text of 1.2.3 to read as follows:]*

Except for permits used for only BRM parcels and QBRM, a permit fee must be paid once each 12-month period at each Post Office where a BRM permit is held. The fee may be paid in advance only for the next 12 months and only during the last 60 days of the current service period. The fee charged is that which is in effect on the date of payment. For agents authorized by a permit holder to distribute and receive BRM, see 1.7.

**1.2.4 Renewal of Annual Permit Fee**

*[Revise the introductory text of 1.2.4 to read as follows:]*

Except for permits used for only BRM parcels and QBRM, an annual renewal notice is provided to each BRM permit holder by the USPS. Permits used for only BRM parcels and QBRM do not expire unless the account is unused for a period of 24 months. The renewal notice and the payment, if applicable, for the next 12 months must be returned by the expiration date to the Post Office that issued the permit. After the expiration date, the returned BRM pieces are treated as follows until the permit fee is paid, the unused permit is reactivated, or a new permit is obtained, as applicable:

- a. Permit — The main permit holder or “corporate” office applies for the permit number and pays the permit fee, if applicable.\*\*\*

*[Revise the text of item b. to read as follows:]*

- b. Annual Permit Fee — Agents do not pay a separate annual permit fee but must submit evidence (usually a copy of PS Form 3544) to the local office once each 12-month period to show that the annual permit fee, if applicable, has been paid. This evidence is not required if the permit holder has a centralized account processing system (CAPS) account, through which the local Post Office can determine that the permit fee, if applicable, has been paid.

*[Revise the title and text of 3.1.1 to read as follows:]*

*[Revise the title and text of 3.1.2 to read as follows:]*

**3.1.2 Advance Deposit Account**

A permit holder must pay postage and extra service fees through an advance deposit account. **3.2 Basic Standards**

\* \* \* \* \*

**3.2.6 Application Process**

*[Revise the text of 3.2.6 to read as follows:]*

The applicant must submit a completed PS Form 3615 to the Post Office issuing the permit, or amend an existing PS Form 3615 on file at that office by adding the merchandise return service authorization to existing Returns Service permit authorizations. Except for MRS labels generated by the USPS Application Program Interface (API), PS Form 3615 must be accompanied by copies of the MRS labels (including printed copies of labels intended to be faxed to customers or transmitted to customers electronically) and the instructions provided to the permit holder’s customers. All MRS labels that have preprinted USPS Tracking barcodes must be approved by the USPS. If articles are to be returned from customers as Registered Mail, the applicant must indicate “Registered Mail” on the application. After a MRS permit is obtained, any change to label formats or customer instructions must be approved by the Post Office where the permit is held. MRS permits do not expire unless the account is unused for a period of 24 months.

**3.2.7 Permit Renewal**

*[Revise the text of 3.2.7 to read as follows:]*

Written authorization is not needed for permit renewal if there is no change to the authorization on file at the delivery unit.

*[Revise the title and text of 3.2.8 to read as follows:]*

**3.2.8 Canceled or Expired Permit**

If the permit has expired, merchandise return mail bearing the sender’s return address is returned to the sender; otherwise, it is treated as dead mail.

\* \* \* \* \*

*[Revise the title and text of 3.2.10 to read as follows:]*

**3.2.10 Reapplying After Cancellation or Expiration**

To receive a new MRS permit at the same Post Office after a merchandise return permit is canceled or expired, the applicant must amend the PS Form 3615 on file at that

office to reflect the new application date; submit for approval two samples of any label format to be used; if canceled, provide evidence that the reasons for the permit cancellation are corrected; and provide and keep funds in an advance deposit account to cover normal returns for at least two weeks.

### 3.2.11 Using Other Post Offices

*[Revise the text of 3.2.11 to read as follows:]*

The permit holder may distribute merchandise return labels for return through other Post Offices (i.e. stations or branches under a Main Post Office) if the permit holder opens and keeps their advance deposit account at the Post Office where the permit is issued and supplies that Postmaster the name, address, and telephone number of a representative in each additional station or branch, if different from the information on the application.

*[Revise the text of 6.4 to read as follows:]*

Mailers may choose to establish an advance deposit account(s) from which postage, per piece charges, and other fees are deducted. For certain return services, an advance deposit account is required. Mailers may use a single advance deposit account to pay postage due charges for more than one return service (e.g., business reply mail, merchandise return service, and bulk parcel return service).

*[Revise the title and text of 6.5 to read as follows:]*

#### 6.5 Annual Accounting Fee for Return Services

Except for accounts used solely to pay postage due for shortpaid mail, address correction notices, and undeliverable-as-addressed pieces returned to sender (e.g., return service requested) mailers must pay a separate annual accounting fee, if applicable, for each return service paid through an advance deposit account. This fee covers the administrative cost of maintaining the account and provides the mailer with the accounting of all charges deducted from that account. The accounting fee is charged once each 12-month period on the anniversary date of the initial accounting fee payment. The fee may be paid in advance only for the next year and only during the last 60 days of the current service period. The fee charged is that which is in effect on the date of payment.

All employees share responsibility for achieving the Postal Service's goals to build a diverse and inclusive workforce in

- Deliver the high level of service demanded by its customers and the competitive environment.

The Postal Service promotes:

- The diversity of its workforce. We strive to build an inclusive environment that respects the uniqueness of every individual and encourages the contributions of people from different backgrounds, experiences, and perspectives.
- Diversity and inclusion in a manner that instills confidence that employment decisions are made in accordance with our equal employment opportunity policies — where all employees are treated fairly based on merit and neither advantaged nor disadvantaged based on factors like sex, sexual orientation, age, race, religion, national origin, military service, or disability.

The Postal Service reflects strategies to achieve diversity and inclusion by providing equal employment opportunity and refraining from discrimination in the following areas:

- Recruitment.
- Selection.
- Promotion (including succession planning and opportunities for training and development).

### Invalid USPS Corporate Account Numbers

Please provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices, which

must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at <https://amps.usps.gov/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Employees working in the PCI environment or handling PCI information are required to take a combination of the following courses by July 18, 2017, depending on their role and system access. The following users will be auto-enrolled in the courses they are required to complete:

- Any employee who performs credit/debit card transactions at any time, including retail associates/window clerks, Postmasters, and Postmaster relief must take *Protecting Payment Card Information: It's Everyone's Responsibility* (LMS Course #10026255).
- Clerks and supervisors who process credit/debit card transactions must take *Protecting Payment Information: Back Office Training* (LMS Course #10026254).

- PCI system, network, and database administrators must take *PCI Administrator Security Awareness* (LMS Course #10026252).

Employees working in the PCI environment will receive an auto-enrollment notification via eAccess. The courses are now available, and employees can log into the Learning Management System (LMS) to complete them.

### Protect Yourself from Cyber Crimes During Tax Season

Tax season is here again. Every year, millions of people fall victim to cyber crimes, such as phishing and identity theft, which occur frequently during tax season.<sup>1</sup> In fact, data from the U.S. Treasury Inspector General for Tax Administration indicates that Internal Revenue Service (IRS)-related scams have cost taxpayers over \$50 million since 2013.<sup>2</sup>

Tax season is a popular time for scammers to try to lure you into providing personal information or paying money. Scammers may also try to impersonate the IRS to ask you to verify tax return information or make a tax payment. Avoid becoming a victim this tax season — take the proper precautions to protect personal and Postal Service™ information from these common tax scams:

- **Phishing Scams.** Pay close attention to emails that contain the IRS logo. Scammers may send emails that resemble “official communications” from the IRS, impersonate tax and software companies to ask

you about refunds and transcript information, or even lure you into a fake tax website. Do not click on any links or open any attachments from suspicious emails claiming to be from the IRS. The IRS will never send an email to you requesting immediate payment or action.

- **Phone Scams.** Watch out for phone calls from unknown numbers claiming to be from the IRS. Scammers may impersonate an IRS agent and give you a fake IRS badge number to appear credible. Don't be fooled — the IRS will never call you to demand payment, threaten you with law enforcement, or ask you for a debit or credit card number.

If you believe you've been a victim of tax fraud in any form, contact the IRS.<sup>3</sup> You may also report instances of IRS-related phishing attempts and fraud to the Treasury Inspector General for Tax Administration at 800-366-4484.

3. Data sourced from IRS: Tax Scams/Consumer Alerts: <https://www.irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity>.

As always, please report any suspicious activity encountered on Postal Service systems, networks, or equipment to the CyberSecurity Operations Center at [CyberSafe@usps.gov](mailto:CyberSafe@usps.gov). If you see something suspicious, say something.

For more information on reporting suspected threats to the Postal Service, check out the new public-facing CyberSafe at USPS™ website at <https://uspscybersafe.com/> or the CyberSafe at USPS pages on *Blue* ([https://](https://blue.usps.gov/cyber/)

Falling victim to cyber crime puts both you and the Postal Service at risk, so stay vigilant and cybersafe this tax season.

### Stamp Announcement 17-18: Mississippi Statehood Stamp

© 2016 USPS

On March 31, 2017, in Gulfport, MS, the U.S. Postal Service® will issue the *Mississippi Statehood* First-Class Mail® stamp (Forever® priced at 49 cents), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 474800). The stamp will go on sale nationwide March 31, 2017.

This stamp celebrates the 200th anniversary of Mississippi statehood. Mississippi became the 20th state on December 10, 1817. The stamp features a photograph taken in 2009 showing a close-up of a musician's hands as he plays his guitar. Mississippi is the birthplace of many legendary blues artists who created a uniquely American genre of music. Art director Greg Breeding designed the stamp with an existing photo taken by Lou Bopp.

#### **Availability to Post Offices: Item 474800, Mississippi Statehood (Forever priced at 49 cents) Commemorative PSA Pane of 20 Stamps**

Stamp Fulfillment Services will make an automatic push distribution to Post Offices™ (in Mississippi only) of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution are available by logging on to SFS Web at <https://sfsweb.usps.gov>. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web. However, we ask that Mississippi offices check the website link in this paragraph to determine the amount they will receive on their automatic push distribution.

#### **Special Dedication Postmarks**

Only the following pictorial postmark is permitted for the *Mississippi Statehood* stamp. The word "Station" or the abbreviation "STA" is required somewhere in the design, because it will be a temporary station.

#### **Guidelines for Finalizing Mississippi Statehood Stamp Pictorial Postmark Art**

To finalize the *Mississippi Statehood* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3-1/2 inches by 1 inch.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services four weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

On Sale Nationwide: January 29, 2016.

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by telephone at 800-782-6724, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16 inches side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high x 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.
