Cover Story

October is National Energy Action Month

In addition to being Energy Action Month, October is also the beginning of the fiscal year (FY) for the U.S. Postal Service®. At the Office of Sustainability, we believe the new fiscal year is a great time to examine our past successes and plan for the future (see about.usps.com/what-we-are-doing/green/report/2016/).

The following are noteworthy achievements in FY 2016 and FY 2017:

- **Energy intensity reduction.** In 2016, the Postal Service™ reduced energy usage per square foot by 4.1 percent. We are on target to reduce energy intensity 25 percent by 2025. We will report our 2017 performance in the coming months.
- **Water intensity reduction.** In 2016, the Postal Service reduced water consumption per square foot by 50.8 percent since 2007. This is well above our goal of reducing our water intensity 36 percent by 2025.
- **Renewable energy.** In 2017, we completed one of our most ambitious renewable energy projects — the installation of a solar energy generation system at the Los Angeles Processing and Distribution Center (see link.usps.com/2017/07/18/solar-system/). Using approximately 35,000 solar panels covering 23 acres, our system generates enough energy to power more than 2,000 American households.

And we're not done yet. In the coming months, we will evaluate and report our progress on energy and water reduction goals for FY 2017. In addition to planning more energy-saving projects, our future projects will build on past accomplishments such as:

- Renewable energy,
- Efficient lighting, and
- Heating and cooling optimization.

You can find information about these topics and more at usps.com/green.

We hope that learning about the Postal Service's energy achievements has also inspired you to save energy. Here are some tips to save energy at home and at work:

- Program your thermostat to 65 degrees in the winter and 78 degrees in the summer. Always set the thermostat properly if you are away for the day.
- Maintain your heating and cooling units. Maintenance ensures optimal performance and can save you money on your utility bills.
- Save energy when doing laundry by air-drying your clothes.
- Turn off the lights when you leave the room.

Remember to do your part and be energy smart!

DMM Revision: First-Class Package Service — Retail

Effective October 2, 2017, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), in various sections, as a result of the transfer of First-Class Mail® Parcels, a market-dominant product, to the competitive product list.

On July 20, 2017, the Postal Regulatory Commission (PRC) conditionally approved the Postal Service's request to transfer First-Class Mail Parcels, a market-dominant retail product for lightweight parcels, to the competitive product list. The PRC's conditions for approval include the subsequent proposal, review, and approval of prices for the transferred product.

On July 28, 2017, pursuant to Governors' Decision 16-9, the Postal Service filed a notice of price change seeking to implement new prices and a name change for First-Class Mail Parcels. On August 9, 2017, the Commission approved the new prices and name change.

We have renamed First-Class Mail Parcels as First-Class Package Service — Retail and it will remain available at retail with the same service and content restrictions.

Additionally, we are renaming the existing single-piece First-Class Package Service® price category as First-Class Package Service — Commercial.

Although we will not publish this clarification in the DMM until October 2, 2017, these revisions are effective immediately.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by telephone at 800-782-6724, or at The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:
