A U.S. Passport is Your Key to International Travel

The Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda; and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. However, the wallet size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The U.S. Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment online or on a mobile device at usps.com/scheduler.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a day.
2. Choose a location.
3. Choose a time.
4. Provide your details.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will receive notifications of their scheduled appointment.

If you are renewing your passport, you must do so by mail; you do not need to make an appointment. Simply take your documents and payment to the nearest Post Office and mail everything to the Department of State using Priority Mail® or Priority Mail Express® service.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website (travel.state.gov/content/travel.html) for the following information:
 - Find out how to apply for or renew your passport;
 - Get passport fees and forms;
 - Track your application; and
 - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at step.state.gov/step/. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.

DMM Revision: Address Quality Census Measurement and Assessment Process

Effective May 7, 2018, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), sections 507.1, 507.4, 602.5, and 705.23, to include the Address Quality Census Measurement and Assessment Process, a new method of Move Update verification and assessment procedure for evaluating address quality. This new procedure applies to mailers who enter eligible letter- and flat-size pieces of First-Class Mail® and USPS Marketing Mail® that meet the requirements for Basic or Full Service mailings. In addition, the Postal Service is extending no-fee Address Correction Service (ACS™) to mailers who enter qualifying mailpieces.

Although we will not publish these revisions in the DMM until May 7, 2018, the standards are effective immediately.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the RSS terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at randall.f.sobol@usps.gov.

Information Security

Stay CyberSafe During Tax Season

Doing your taxes can be stressful enough — that's why you need to be more aware of potential tax scams. With the April 17, 2018, tax filing deadline approaching, taxpayers would be wise to put cybersecurity at the top of their tax checklist.

The best way to avoid becoming a victim is to follow some helpful cybersecurity tips that can keep you safe all year, while adding a degree of caution when submitting the sensitive information from your tax returns. Implementing the following tips will help ensure you don't fall prey to tax scams:

- **Be cautious.** The Internal Revenue Service (IRS) does not contact taxpayers through email, text message, or social media — never share any personal or payment information through these channels.
- **Think before you click.** Be especially cautious with emails that claim to be from the IRS and contain links or attachments. Cyber criminals may try to install malware on your computer to steal your tax information.
- **Verify site authenticity.** Scammers will sometimes create websites with URLs that are very similar to authentic tax filing websites. Misspelled brand names or “government” websites that use .com rather than .gov typically indicate fraudulence.
- **Use secure networks.** Criminals can use public Wi-Fi or weak networks to intercept information. When filing taxes, use a secure, password-protected network.
- **Use strong passwords.** If you file your taxes online, use a strong password to protect your personal information (see blue.usps.gov/cyber/password-safety.htm).

- **File early.** Criminals can file fraudulent tax returns using stolen personal information. One of the best defenses is to file before they have the chance.

Beware of the following signs¹ that you may be a victim of tax fraud:

- You are notified that a tax return was already filed for the current year using your Social Security Number.
- You are asked to pay additional taxes for a year you did not file a tax return.
- You are informed that you received wages from an employer for whom you never worked.

The IRS website offers more information to help you choose a tax return preparer (see irs.gov/tax-professionals/choosing-a-tax-professional). If you believe you've been a victim of fraud, report your suspicions to the IRS at irs.gov/individuals/how-do-you-report-suspected-tax-fraud-activity.

Remember to report any suspicious activity encountered on USPS® systems, networks, or equipment to the CyberSecurity Operations Center (CSOC) via email at CyberSafe@usps.gov or by phone at 866-877-7247.

For more information on how to report suspected threats, visit the CyberSafe at USPS® websites on *Blue* (blue.usps.gov/cyber/) and *LiteBlue* (liteblue.usps.gov/cyber/), or the public-facing website at uspscybersafe.com.

Requesting Refunds for Domestic Priority Mail Express and Extra Services Online for PC Postage Vendors, Meter Vendors, Commercial Customers, and Resellers

On September 30, 2017, the Postal Service™ implemented an online application to allow retail and commercial customers to request refunds for domestic service performance failures for Priority Mail Express® and applicable Extra Services. The new tool does the following:

- Eliminates the requirement for customers to visit a Post Office™ to request refunds,
- Improves the customer experience, and
- Expedites processing time.

Customers can access the online refund tool at usps.com/help/refunds.htm for a single request or through the Business Customer Gateway (BCG) where commercial customers can submit a bulk file upload for up to 1,000 refund requests. The online refunds requests are available for the following services:

- Priority Mail Express (1- and 2-Day Delivery, 10:30 A.M. Delivery, Collect on Delivery, Sunday/Holiday Delivery, and Administrative Post Office/Foreign Post Office/Diplomatic Post Office Priority Mail Express Delivery);

- Certified Mail® (excluding Certified Mail Restricted Delivery);
- Return Receipt and Return Receipt Electronic;
- Signature Confirmation™ (excluding Adult Signature Services and Signature Confirmation Restricted Delivery); and
- USPS Tracking® (USPS Marketing Mail®, parcels only).

Effective May 4, 2018, commercial and online customers (i.e., PC Postage® vendors, meter vendors, and resellers) **must** file all refund requests for Priority Mail Express and applicable Extra Services through the online refund tool at usps.com/help/refunds.htm or through the BCG.

Exception: Customers must request refunds for Adult Signature Restricted Delivery services at their local Post Office as these services require proof of identity.

For more information about the online refund tool, visit usps.com/help/refunds.htm or send an email to Shipping-Services@usps.gov.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 or 120 days to obtain the first-day-of-issue postmarks by mail (check the dates by each postmark). Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
