Work Safely This Winter

During winter, the secrets to preventing injuries and staying safe are preparation for and awareness of potential dangers. The hazards associated with winter weather include exposure to cold temperatures and wet or icy sidewalks and streets.

Prevent cold weather-related injuries by dressing appropriately in the following three light layers:

- An inner layer for wicking moisture away from your body.
- A middle layer to insulate you from the cold.
- An outer layer that repels wind, snow, and rain that can be removed, as needed.

Also, protect your hands, neck, and face, and wear warm, waterproof shoes or boots. Prolonged exposure to cold temperatures can cause your body to lose heat, which puts you at risk of hypothermia or frostbite. Frostbite occurs when skin is exposed to extreme cold for long periods and the skin and underlying tissue freeze. The fingers, toes, and feet are most commonly affected, but other extremities such as the nose, ears, and cheeks can also develop frostbite.

At the first sign of frostbite, get out of the cold. Unless absolutely necessary, do not walk on frostbitten feet or toes. Do not rub the frostbitten area because it will cause more damage. Warm the affected area using body heat or by immersing in warm water; avoid using a heating pad, heat lamp, or the heat of a stove, fireplace, or radiator for warming because direct heat can burn damaged tissue. Drink warm beverages to replace lost fluids. In case of severe frostbite, seek medical attention.

Snowy and icy conditions increase the likelihood of slips, trips, and falls that result in pain, injury, and lost productivity. Proper footwear with good treads is essential for safe walking on slippery surfaces. Prevent slips, trips, and falls with the following tips:

- Wear grippers (ice cleats).
- Walk with care and take short steps.
- Only finger mail when it is safe to do so.
- Take extra precautions when entering and exiting your vehicle.
- Use handrails on steps.
- Wait for vehicles to stop completely on snow- or ice-covered roadways before crossing the street.

Wet and icy road surfaces; longer periods of darkness; and poor visibility from snow, rain, and fog create driving hazards during the winter months. Prepare for driving in bad weather with the following tips:

- Maintain your vehicle and tune up the engine for winter.
- Keep good treads on your tires.
- Make sure your lights function properly.
- Add anti-freeze and windshield wiper fluid, if necessary.
- Replace worn wipers.
- Clear ice and snow from windows, headlights, and the hood and roof of your car before starting out; repeat as needed.
- Keep an emergency kit in your car with the following supplies:
 - Sand or cat litter,
 - An ice scraper or snow brush,
 - A small shovel,
 - Extra clothes and blankets, and
 - Non-perishable food.

If you plan to travel in bad weather, monitor road and weather conditions by checking local news stations or traffic and weather websites. Winter driving can be challenging — practice safe driving techniques with the following tips:

- Leave a few minutes earlier so you have plenty of time to reach your destination.
- Wear your seat belt.
- Stay alert and calm; keep an eye on traffic farther ahead so you have extra time to react to sudden changes in traffic flow.
- Maintain a safe speed for road conditions and keep a safe distance between you and other vehicles.
- Do not use cruise control; touching your brakes to deactivate it can cause you to skid.
- Avoid making abrupt lane changes.
- Make room for maintenance vehicles and snow plows.
- Watch for black ice on slippery overpasses and bridges.
- Do not use alcohol or drugs while driving.

If you get stuck in the snow or skid off the road (and your car is safely out of harm's way), stay in your car and wait for help. Turn on the car heater to stay warm, but make sure your exhaust pipe is clear of snow. Always remember, "Safety Depends on Me."

Policies, Procedures, and Forms Updates

Manuals

IMM Revision: Changes to International Inquiry Online

Effective February 6, 2019, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)*, sections 921.3 and 921.4, to reflect revisions related to online international inquiries and claims.

As of February 6, 2019, a customer who initiates an eligible inquiry through the online tool automatically proceeds to online International Claims for claim processing. This revised process makes the international inquiry and claims processes more seamless for customers as well as more cost-efficient for the Postal Service. In the revised process, the customer must provide documentation during the inquiry phase to initiate the claims process — a customer who does not include or attach the required documentation is not able to submit an inquiry.

Previously, a customer could initiate an online international inquiry related to loss, damage, or missing contents at any time by logging on to usps.com/help/claims.htm, clicking on *International Shipments*, and then clicking on *Create an Inquiry*. The customer would then provide the following information:

- a. A tracking number from the receipt.
- b. The sender's name, mailing address, email address, and telephone number.
- c. The addressee's name, mailing address, email address, and telephone number (if available).
- d. The date of mailing, weight of the item, postage paid, and any additional fees paid.
- e. A description of the contents and its value.

After the USPS® International Research Group (IRG) processed the inquiry and determined that it was eligible for a claim, the IRG mailed the customer an international claims packet, which the customer completed (also providing supporting documents) and returned by mail. This process was time-consuming for customers and was not cost-effective for the Postal Service, partially because many customers contacted the Customer Care Center and Accounting Help Desk numerous times during the process, requesting updates on the status of their inquiries or claims.

[Revise the text in its entirety to read as follows:]

921.31 Online Inquiry

To initiate an International Inquiry Online at usps.com/help/claims.htm, the customer must be the U.S. sender and a registered *usps.com* account holder — U.S. senders without a registered *usps.com* account must create an account at the beginning of the online inquiry process (see 921.41). Also, the customer must do the following:

- a. Create an International Inquiry Online within the time limits listed in Exhibit 921.2.
- b. Provide information regarding the mailing, including but not limited to the following:
 1. The USPS Tracking number that appears on the receipt.
 2. The sender's name, mailing address, email address, and telephone number.
 3. The addressee's name and mailing address.
 4. The addressee's email address and telephone number, if available.
 5. The date of the mailing, weight, postage paid, and additional fees (if applicable).
 6. A description of the contents.
 7. Evidence of mailing.
 8. Evidence of value.

921.32 Telephone Inquiry

To start the inquiry process by telephone (see 921.42), the customer must be the U.S. sender. Also, the customer must do the following:

- a. Call 800-222-1811 within the time limits listed in Exhibit 921.2.
- b. Provide information regarding the mailing, including but not limited to the following:
 1. The USPS Tracking number that appears on the receipt.
 2. The sender's name, mailing address, email address, and telephone number.
 3. The addressee's name and mailing address.
 4. The addressee's email address and telephone number, if available.
 5. The date of the mailing, weight, postage paid, and additional fees (if applicable).
 6. A description of the contents and its value.

921.4 Inquiry Process

[Revise the text in its entirety to read as follows:]

921.41 Online Inquiry Process

After the Postal Service customer provides the relevant mailing information and documentation online, the following occurs:

- a. The International Research Group corresponds with the appropriate foreign post and advises the customer of the results by updating their online inquiry. For inquiries on Priority Mail International items or Registered Mail items, customers must allow foreign posts approximately 60 days to research and respond to the International Research Group.

- b. When the International Research Group determines that an inquiry is eligible for a claim, it changes the claim status to "Claim Sent for Review" and emails the customer a notification of a change in claim status.
- c. After the International Research Group notifies the customer, the Accounting Service Center begins the claims process.

921.42 Telephone Inquiry Process

After the Postal Service customer provides the relevant mailing information by telephone, the following occurs:

- a. The International Research Group corresponds with the appropriate foreign post and advises the customer of the results of the inquiry. For inquiries on Priority Mail International items or Registered Mail items, customers must allow foreign posts approximately 60 days to research and respond to the International Research Group.
- b. When the International Research Group determines that an inquiry is eligible for a claim, it mails a claim packet to the customer. The packet includes a letter of instruction on how to complete and submit the claim by mail.
- c. After the Accounting Service Center receives the completed claim packet, the claims process begins.

IMM Revision: Individual Country Listing for the Philippines

Effective January 31, 2019, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect changes to the Individual Country Listing for the Philippines.

As a result of a formal request made through the Universal Postal Union via *International Bureau Circular* 155, dated November 5, 2018, Philippine Postal Corporation is requiring documentation for plants and similar items, especially those obtained through online shopping, to prevent the spread of foreign or exotic plant pests that can pose risks to the country's agricultural sector. Philippines national legislation authorizes the destruction or disposal of items that do not contain the proper documentation.

Consequently, the Postal Service is adding a restriction requiring sanitary and phytosanitary import clearances and phytosanitary certificates from the Philippines Bureau of Plant Industry (National Plant Protection Organization).

USPS Launches Insider Threat Program

The Postal Service™ Corporate Information Security Office (CISO) is asking employees and contractors to be on the lookout for potential cases of an insider threat in their workplaces.

Insider threats occur when an individual intentionally or unintentionally misuses their access to an organization's resources to steal information or disrupt operations. An insider can be anyone with access to an organization — including employees, contractors, or vendors.

Common indicators of an insider threat include the following:

- Excessive copying or downloading of sensitive materials.
- Unexplained foreign travel.

- Changes in personality or wealth.
- Unauthorized off-hour work.
- Misuse of organization equipment.

Help CISO stop insider threats by staying vigilant of suspicious behaviors in your workplaces. Employees and contractors who observe insider threat activity must notify the CISO Insider Threat Program (InTP) via email at insider_threat@usps.gov.

To learn more about InTP and the different behaviors associated with insider threats, visit blue.usps.gov/itweb/ciso/insider-threat-program.htm. Immediately report any *physical threats* to Postal Service personnel or equipment to the United States Postal Inspection Service® at 877-876-2455; select option 2.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

We have eliminated “Not Active” entries from the table below to save space and paper.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at randall.f.sobol@usps.gov.

Mover's Guides and Internet Change of Address Message Cards

Postal Service™ employees must recycle any old copies of Publication 75, *Mover's Guide*, by January 1, 2019. All Post Offices should have received the new January–March 2019 issue of Publication 75 by December 31, 2018.

Since more customers submit change-of-address orders online, Post Offices need fewer *Mover's Guide* copies. Conserve copies the following ways:

- Make sure customers know that usps.com is the most convenient, safe, and secure way to submit a change-of-address order.
- Encourage carriers to take Internet Change of Address (ICOA) message cards on their routes instead of *Mover's Guide* copies.

Important Reminders

When ordering *Mover's Guide* copies, remember the following information:

- The Postal Service prints and distributes *Mover's Guide* four times per year.
- Keep *Mover's Guide* copies behind the counter only, not in inner or outer lobbies or on clerk counters.
- Give customers who are unwilling or unable to submit their change of address at usps.com a complete, unopened copy of *Mover's Guide*.
- Provide no more than three *Mover's Guide* copies to each customer.

Shipment Information and Inventory Management

Post Offices will receive copies of *Mover's Guide* in one or two shipments. The first shipments should have arrived by the end of December. The second shipments will arrive 3 to 5 weeks later.

- Boxes with pink stickers are the first shipment for this print run.
- Boxes with green stickers are the second and final shipment for this print run.

To track shipment information, go to blue.usps.gov/purchase/operations/ops_downloads.htm and click *Mover's Guide* (Pub75) Distribution for January–March 2019. To search for your office, highlight the “Fedstrip” column and press Ctrl+F.

To reorder copies of *Mover's Guide*, use the eBuy2 website (blue.usps.gov/supplymanagement/eBuy2_home.htm) and search for PSN 7610-03-000-4795.

Internet Change of Address Message Card Information

The Postal Service no longer mails ICOA message cards directly to Post Offices. To reorder ICOA message cards, use the eBuy2 website (blue.usps.gov/supplymanagement/eBuy2_home.htm) and search for PSN 7610-18-000-2416.

For questions regarding eBuy2, contact National Materials Customer Service at 800-332-0317, option 4.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

5-Gallon Bottled Drinking Water Service

The new Nestle eBuy2 catalog for 5-gallon bottled drinking water service is now available. Sites currently receiving service from Nestle must complete a new eBuy2 requisition to fund service for the remainder of Fiscal Year (FY) 2019. Use the following guidelines to place an order:

- Sites that began new service from Nestle in December 2018 using the Nestle order request form must complete an eBuy2 requisition for 10 months of quantity to cover FY 2019.
- Sites with existing service that did not have a valid eBuy2 purchase order to fund their purchase through December 30, 2018, must complete an eBuy2 requisition for 12 months of quantity to cover FY 2019.
- Sites with existing service that had a valid eBuy2 purchase order to fund their purchase through December 30, 2018, must complete an eBuy2 requisition for 9 months of quantity to cover FY 2019.

Sites requesting *new* service must confirm service through Nestle by calling 800-950-9907 or sending an email to RREnterpriseSupport@waters.nestle.com. Be sure to provide your “ship to” address and ZIP Code™ before completing the eBuy2 requisition to begin service.

For instructions on completing the eBuy2 requisition, see the new Material Logistics Bulletin MLB-CO-19-001 at blue.usps.gov/purchase/_pdf/ops_mlb19-001.pdf.

Federal Reporting Requirements for Hazardous and Toxic Chemicals

Postal Service™ policy requires all USPS® facilities to comply with the reporting requirements of the Emergency Planning and Community Right-to-Know Act (EPCRA). Postal Service sites that store certain quantities of hazardous and toxic chemicals must complete and submit the EPCRA Tier II Form by March 1 every year.

Reporting requirements apply to any location that stores threshold quantities of EPCRA-regulated hazardous and toxic chemicals.

Applicable Chemicals

Commonly reported chemicals and thresholds for USPS facilities include the following:

- **Lead-acid batteries.** USPS facilities that meet the 500-pound threshold for sulfuric acid by having more than six tow motor batteries or more than two forklift batteries, or a combination of these batteries, onsite. Estimate the percent weight of sulfuric acid in each battery by multiplying the battery weight by 18 percent.
- **Gasoline, diesel, or heating fuel.** The 10,000-pound threshold for these fuels is equivalent to 1,639 gallons of gasoline (6.1 pounds/gallon) or 1,351 gallons of diesel/heating fuel (7.4 pounds/gallon).
- **Ice melt/anti-skid products.** Rock salt, calcium magnesium acetate, and sand have a 10,000-pound threshold. The threshold applies whether the materials are stored by bulk in one location or dispersed in bags and on pallets throughout the site.

Reporting Process

By March 1, 2019, USPS installation heads must submit the emergency and hazardous chemical inventory reporting form, known as the EPCRA Tier II Form, to the following organizations:

- The State Emergency Response Commission;
- The Local Emergency Planning Committee; and
- The local Fire Department that would respond to an emergency at your facility.

States require report submission via the following ways:

- Submittal of the hard copy Tier II Form,
- Electronic reporting through the EPA Tier2 Submit software program, or
- Reporting through state-specific software programs or websites.

For states that require report submission through the EPA Tier2 Submit 2018 software, USPS facilities can request a download of the Tier2 Submit 2018 software through eAccess. If other state electronic reporting software or website applications are not accessible or authorized on your USPS ACE computer system, you must submit the Tier II Form in a hard copy format. To find the individual reporting requirements, procedures, and forms for each state, visit epa.gov/epcra-tier-i-and-tier-ii-reporting.

Note: USPS facilities are not required to pay any fees associated with reporting (including electronic reporting user and registration fees).

You can also get detailed reporting instructions by contacting the appropriate regional manager of Environmental Compliance and Sustainability or by visiting the Sustainability website at blue.usps.gov/sustainability/environmental/tier-ii-reporting.htm.

If you have any questions about your need to report under EPCRA, contact your designated manager, Regional Environmental Compliance:

- For the East region (Northeast, Eastern, Capital Metro Areas, and Headquarters-related facilities), contact Nicholas DeCarlo at nicholas.decarlo@usps.gov.
- For the West region (Great Lakes, Western, Southern, and Pacific Areas), contact Judy Wingo-Stalinger at judy.wingo-stalinger@usps.gov.
