Regulations for Proper Flag Display

The United States Postal Service® periodically reprints part 47 of the *Administrative Support Manual* (ASM), so postmasters can ensure that the American flag, the Postal Service™ flag, and the MIA-POW flag are properly displayed. To read all of the regulations concerning the display of flags at Postal Service facilities, see blue.usps.gov/cpim/ftp/manuals/asm/asmtc.pdf.

47 Flags

471 Flags at Postal Facilities

471.1 Which May Be Displayed

Except as governed by host facilities as noted in 472.21, the only flags to be displayed at postal facilities are the flag of the United States of America, the Postal Service flag, the POW-MIA flag, and, when authorized by the vice president of Corporate Relations, flags directly related to the programs, missions, and activities of the United States Postal Service. Flags of states, commonwealths, or local governments must not be displayed.

471.2 Relative Placement

471.21 When Displayed on Flagstaffs

Other flags are flown below the U.S. flag if displayed on the same flagstaff and at the same level or lower if displayed on a separate flagstaff. When the U.S. flag is flown at half-staff, all other flags are to be at half-staff.

471.22 When Displayed on Speaker's Platform

When the United States flag and the Postal Service flag are displayed on a speaker's platform in an auditorium, the United States flag must occupy the position of honor and be placed at the speaker's right as the speaker faces the audience, with the Postal Service flag at the speaker's left.

472 U.S. Flag Display

472.1 Regulations for Proper Display

472.11 Placement

If the flag of the United States is not flown from a vertical flagstaff, the following regulations apply:

- a. When the flag is displayed from a staff projecting horizontally or at an angle from the window sill, balcony, or front of a building, the union of the flag (blue field

and stars) must be placed at the peak of the staff unless the flag is at half-staff.

- b. When the flag is suspended over a sidewalk from a rope extending from a building to a pole at the edge of the sidewalk, the flag must be hoisted out, union first, from the building.
- c. When the flag is displayed otherwise than by being flown from a staff, it must be displayed flat, whether indoors or out, or so suspended that its folds fall as free as though the flag were staffed.

472.12 Respect

No disrespect may be shown to the flag of the United States of America. It must never:

- a. Be dipped to any person or thing.
- b. Be displayed with the union down save as a signal of dire distress.
- c. Be used as drapery of any sort whatsoever; never festooned, drawn back, nor up in folds, but always allowed to fall free.
- d. Touch anything beneath it, such as the ground, the floor, water, or merchandise.
- e. Be fastened, displayed, used, or stored in such a manner as will permit it to be easily torn, soiled, or damaged in any way.
- f. Be used as a covering for a ceiling.
- g. Have placed upon it, nor on any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture, or drawing of any nature.
- h. Be used as a receptacle for receiving, holding, carrying, or delivering anything.

472.13 Raising and Lowering

472.131 Full Staff

As soon after sunrise as practicable, the flag must be hoisted briskly to the peak of the staff. Care must be taken that it not touch the ground. The flag must always be displayed with the union (blue field) at the peak of the staff (unless the flag is at half-staff). No later than sunset, the flag must be lowered ceremoniously and not allowed to touch the ground. It must be folded or rolled carefully and stored where it will not be soiled or otherwise damaged. If the flag is wet when taken down, it must be carefully spread out and allowed to dry thoroughly before being stored.

472.132 Half-Staff

Displaying the flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff. The flag must first be hoisted to the peak of the staff and then slowly lowered to half-staff. When the flag is lowered for the day, it must be raised again to the peak and then lowered slowly before being stored for the night. When the flag is displayed at half-staff during a period of mourning, it must be so displayed on all days included in such period.

472.14 Bad Weather

During severe weather when it is probable that the flag will be damaged, it should not be flown.

472.2 Postal Display**472.21 Where Displayed**

The flag of the United States must be displayed on stationary flagstaffs at all Post Offices, branches, stations, terminals, garages, and postal facilities, including leased and rented premises. If the Post Office unit is located in a facility operated by the General Services Administration, that agency's regulations on the display of the flag govern. If the Post Office unit is located on a military reservation, the military regulations on the display of the flag on the reservation govern.

472.22 When Displayed

When employees are on duty in a postal facility, the flag must be displayed except in severe weather as noted in

472.14. It is raised as soon after sunrise as practicable and lowered at the time of closing or no later than sunset.

472.23 When Displayed Half-Staff**472.231 Specific Days**

When the flag is being displayed, it must be flown at half-staff (see 472.132) on the following dates:

May 15	Peace Officers Memorial Day (see note 1)
Last Monday in May	Memorial Day Observed (see note 2)
December 7	National Pearl Harbor Remembrance Day

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, the Postal Service follows the regulations in the United States Code (36 U.S.C. 175) and flies the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, the flag must be flown at half-staff from sunrise, or the hour at which it is raised, *until 12 noon*, and then hoisted to the peak of the staff, where it must be flown until the time of closing or no later than sunset.

472.232 Deaths of Prominent Persons

When the flag is being displayed, it must be flown at half-staff on the death of any person as indicated in Exhibit 472.232.

Exhibit 472.232 Half-Staff Display on Death of a Prominent Person

- a. On days proclaimed by the president of the United States.
- b. The heads of government departments and agencies may direct that the flag be flown at half-staff on buildings, grounds, etc., under their jurisdiction on occasions other than those specified which they consider proper. The vice president of Corporate Relations notifies area, district, and plant managers by either broadcast fax or electronic mail of such an order. They, in turn, notify the heads of all postal facilities reporting to them.
- c. The flag may be displayed at half-staff on days when funerals of returned war dead are being held locally, when the flags on municipal, county, or state buildings and business establishments generally are being displayed in that manner.

IMM Revision: Cross-Reference to Acceptable Forms of Identification

Effective May 23, 2019, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®), sections 123.64 and 372.2, to reflect current information about acceptable forms of identification.

As published in the article titled “DMM Revision: Required Forms of Identification” in *Postal Bulletin 22519* (5-9-19, page 18), the Postal Service is adding to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) a new section 608.10.0, “Forms of Identification.” This new section will act as the primary source for consistent standards of acceptable and unacceptable forms of identification, including a description of the acceptable primary forms of photo identification in 608.10.3. Consequently, in the IMM, we are revising the applicable sections to reference DMM 608.10.3.

IMM Revision: First-Class Mail International Flats Weight Limit

The Postal Service™ is revising several sections of *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect classification changes to Mailing Services. These changes implement a lower maximum weight limit on First-Class Mail International® (FCMI) large envelopes (flats), to bring them closer to compliance with standards established by the Universal Postal Union (UPU).

Regulatory History

On October 17, 2018, the Postal Service published a *Federal Register* proposed rule (83 FR 52351) titled “International Mailing Services: Product and Price Changes—CPI,” that included a change in the maximum weight limit for FCMI large envelopes (flats) from the current 64 ounces to under 16 ounces (the actual weight limit is 15.994 ounces, to accommodate Postal Service systems that round to three decimal places and thus round items that weigh 15.995–15.999 ounces up to 16 ounces). This change would more closely align the Postal Service’s definition of FCMI large envelopes (flats) with the UPU Convention’s definition, which allows a maximum weight of 500 grams (17.6 ounces) for flat-shaped letter-post items.

On October 19, 2018, the Postal Regulatory Commission (PRC) issued an interim order precluding the Postal Service from including the proposed revision to the FCMI large envelopes (flats) maximum weight limit in the published price change that would go into effect on January 27, 2019. However, on December 19, 2018, the PRC favorably reviewed the FCMI large envelopes (flats) maximum weight limit, and on March 11, 2019, the Postal Service announced an implementation date of June 23, 2019, for the revised FCMI large envelopes (flats) maximum weight limit.

Changes effective June 23, 2019

Effective June 23, 2019, the Postal Service will charge the applicable First-Class Package International Service® (FCPIS®) price when a mailer presents a mailpiece as an FCMI large envelope (flat) weighing 16 ounces or more (the actual weight is 15.995 ounces or more, to accommodate Postal Service systems that round to three decimal places and thus round items that weigh 15.995–15.999 ounces up to 16 ounces). Alternatively, the mailer can elect to use another class of mail (such as Priority Mail Express International® service or Priority Mail International® service) if the mailpiece meets the requirements for that mail class.

As of the price change effective on January 21, 2018, no merchandise has been permitted in FCMI large envelopes (flats) (see “IMM Revision: Changes to Pricing and Products for International Mailing Services,” *Postal Bulletin* 22482, 12-7-17, pages 16–20 and 41–44). As of June 23, 2019, when the maximum weight limit for FCMI large enve-

lopes (flats) is reduced to under 16 ounces (the actual weight limit is 15.994 ounces, as explained in this article’s second paragraph), the only FCMI pieces that might require a customs form are nonnegotiable documents controlled by export regulatory agencies, covered in IMM 510–540, as set forth in Exhibit 123.61.

International Priority Airmail® (IPA®) service, including IPA M-bags, is a commercial service designed for volume mailings of all FCMI postcards, letters, and large envelopes (flats), and for volume mailings of FCPIS packages (small packets). IPA shipments are typically flown to a foreign destination (exceptions apply to Canada and Mexico) and are then entered into that country’s air or surface priority mail system for delivery. To qualify for IPA service, a mailpiece must meet either the FCMI characteristics defined in IMM 141.5 or the FCPIS characteristics defined in IMM 141.6, except for weight, as follows:

- The maximum weight limit for IPA large envelopes (flats) is 17.6 ounces.
- The maximum weight limit for IPA packages (small packets) is 4.4 pounds.

International Surface Air Lift® (ISAL®) service, including ISAL M-bags, is a commercial service designed for volume mailings of all FCMI postcards, letters, and large envelopes (flats), and for volume mailings of FCPIS packages (small packets). ISAL shipments are typically flown to a foreign destination (exceptions apply to Canada and Mexico) and are then entered into that country’s surface nonpriority mail system for delivery. To qualify for ISAL service, a mailpiece must meet either the FCMI characteristics defined in IMM 141.5 or the FCPIS characteristics as defined in IMM 141.6, except for weight, as follows:

- The maximum weight limit for ISAL large envelopes (flats) is 17.6 ounces.
- The maximum weight limit for ISAL packages (small packets) is 4.4 pounds.

Observations

[Revise the Observation section to read as follows (keeping item 1 the same, consolidating the text in current items 2 and 4 into a new item 2, adding a new item 3, renumbering the current item 3 to new item 4, adding a new item 5, and renumbering current items 5 and 6 to items 6 and 7):]

1. Empresa Brasileira de Correios e Telégrafos (ECT) is introducing a “Fee for Postal Dispatch” with a current value of 15 Brazilian reais (BRL) for items presented to customs. If the addressee has not properly paid this fee, ECT will return the item to the sender.
2. Import licenses are required for many kinds of goods. ECT recommends that the sender ascertain from the addressee before mailing that the addressee holds the necessary documents. A shipment that does not have a required import permit is subject to confiscation as contraband.

3. The mailer must affix all necessary or relevant documents including invoices, export/import licenses, certificates of origin, health certificates, etc., to the outside of the item.
4. Imports are allowed by mail, including mail order catalog shipments, up to a value of U.S. \$500 (U.S. \$1,000 for computer software) without the requirement of an import license provided the item is not for resale. Shipments valued at no more than U.S. \$50 are duty-free and are delivered to the addressee; shipments above U.S. \$50 can be picked up at the post office upon payment of import duties. Imports that are prohibited or subject to special regulations must comply with applicable Brazilian government provisions. Identical shipments from the same source to the same person or address in Brazil within a 90-day period are considered part of the same shipment and may be subject to confiscation. Other merchandise that usually enters duty-free include items such as newspapers, maps, books, and magazines.
5. The mailer must fully and accurately complete the customs declarations, including the landline or mobile telephone number of the addressee, if available, and detailed information concerning the contents and value of the item, such as branded product description, model, serial number, and value of each individual article within the item. ECT immediately returns to the sender an item that does not have a properly completed customs declaration.
6. Shipments that do not indicate the applicable postage and fees on PS Form 2976-A will hinder the customs clearance process, causing delays to clear the items.
7. Used consumer goods may only be sent to charitable organizations that are recognized by the Brazilian government as being entities which serve the public interest.

Focusing on Men's Health

June is Men's Health Month, which aims to raise awareness of men's health issues and health care needs.

According to data from the Centers for Disease Control and Prevention, 12 percent of men who are 18 and older are in fair or poor health (see cdc.gov/nchs/fastats/mens-health.htm). Over 36 percent of men who are 20 and older are obese, while hypertension is found in a third of men in this age group. Heart disease and cancer are among the leading causes of death in men.

Here are some tips for men who want to take control of their health:

- Get screening tests.
- Make sure you are up-to-date on your vaccinations.
- Seek help for depression, and familiarize yourself with the symptoms of hypertension and type 2 diabetes.
- Eat a healthy diet and exercise regularly.

For more information about men's health issues, visit the Wellness *LiteBlue* page at liteblue.usps.gov/humanresources/benefits/health-wellness/welcome.shtml.

MEN'S HEALTH MONTH

Tips for living well throughout your life:

20s and 30s

Maintain a healthy weight and establish healthy habits to help with stress. Talk to your doctor about mental health screenings, especially if you have a family history of depression or other mental illnesses.

40s

Talk to your doctor about what preventive medicines you can take such as Vitamin D or aspirin to help prevent against osteoporosis and heart disease.

50s

Talk to your doctor about what screenings you should receive. Start colon and prostate cancer screenings at age 50 if you have a family history.

60s

Immunizations are important because ailments like the flu or a common cold can more easily turn deadly if you are not protected.

70s

Keep your mind active by spending time with friends and family, playing brain games and exercising.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Changes

APO/FPO/DPO	Action	Effective Date	See Restrictions

Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Information Security

Third-party Cyber Threats: How to Protect the USPS Network

Like many organizations, the United States Postal Service® relies on third parties to support its critical business needs.

If a cyber threat were to impact any of these third parties, the Postal Service™ could also be affected. This concept is called third-party risk. By remaining vigilant, employees can help keep the USPS® network safe and secure.

In working with third parties, the CyberSafe at USPS® team suggests the following tips:

- **Protect your inbox.** All emails from external or non-USPS senders automatically display [EXTERNAL] in the subject line. Report any suspicious emails using the “Report to CyberSafe” Outlook button. For more information visit blue.usps.gov/cyber/protect-your-inbox.htm.
- **Share only need-to-know data.** Only send data to third parties with a business need for the information or when a data-handling agreement is in place.

- **Send emails safely.** Use #sensitive# in the subject line when sending sensitive and sensitive-enhanced information to authorized third parties. For more information visit blue.usps.gov/cyber/sensitive-external.htm.
- **Securely transfer large files.** If your role requires it, use Secure Large File Transfer (blue.usps.gov/cyber/slft-web-application.htm) to share large files with third parties.
- **Separate for security.** Plug only USPS-approved devices into the USPS network. For more information, visit blue.usps.gov/cyber/utilize-encryption.htm.

Report any suspicious activity on USPS systems, networks, or equipment to the CyberSecurity Operations Center by sending an email to CyberSafe@usps.gov or by calling 866-877-7247.

For more information on how to report suspected threats, visit the CyberSafe at USPS websites on *Blue* (blue.usps.gov/cyber/) and *LiteBlue* (liteblue.usps.gov/cyber/).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertical) by 4 inches (horizontal). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold
