Cover Story

Work Safely This Winter

During winter, the secrets to preventing injuries and staying safe are preparation for and awareness of potential dangers. The hazards associated with winter weather include exposure to cold temperatures and wet or icy sidewalks and streets. In FY 2019, Postal Service™ employees reported 743 slips, 2,475 falls, and 8,098 motor vehicle accidents during the months of December, January, and February.

Prevent cold weather-related injuries by dressing appropriately in the following three light layers:

- An inner layer for wicking moisture away from your body.
- A middle layer to insulate you from the cold.
- An outer layer that repels wind, snow, and rain that can be removed, as needed.

Also, protect your hands, neck, and face, and wear warm, waterproof shoes or boots. Prolonged exposure to cold temperatures can cause your body to lose heat, which puts you at risk of hypothermia or frostbite. Frostbite occurs when skin is exposed to extreme cold for long periods and the skin and underlying tissue freeze. The fingers, toes, and feet are most commonly affected, but other extremities such as the nose, ears, and cheeks can also develop frostbite.

At the first sign of frostbite, get out of the cold. Unless absolutely necessary, do not walk on frostbitten feet or toes. Do not rub the frostbitten area because it will cause more damage. Warm the affected area using body heat or by immersing in warm water; avoid using a heating pad, heat lamp, or the heat of a stove, fireplace, or radiator for warming because direct heat can burn damaged tissue. Drink warm beverages to replace lost fluids. In case of severe frostbite, seek medical attention.

Snow and icy conditions increase the likelihood of slips, trips, and falls which result in pain, injury, and lost productivity. Proper footwear with good treads is essential for safe walking on slippery surfaces. Prevent slips, trips, and falls with the following tips:

- Wear grippers (ice cleats).
- Walk with care and take short steps.
- Only finger mail when it is safe to do so.
- Take extra precautions when entering and exiting your vehicle.
- Use handrails on steps.
- Wait for vehicles to stop completely on snow or ice-covered roadways before crossing the street.

Wet and icy road surfaces, longer periods of darkness, and poor visibility from snow, rain, and fog create driving hazards during the winter months. Prepare for driving in bad weather with the following tips:

- Maintain your vehicle and tune up the engine for winter.
- Keep good treads on your tires.
- Make sure your lights function properly.
- Add anti-freeze and windshield wiper fluid, if necessary.
- Replace worn wipers.
- Clear ice and snow from windows, headlights, and the hood and roof of your car before starting out; repeat as needed.
- Keep an emergency kit in your car with the following supplies:
 - Sand or cat litter,
 - An ice scraper or snow brush,
 - A small shovel,
 - Extra clothes and blankets, and
 - Non-perishable food.

If you plan to travel in bad weather, monitor road and weather conditions by checking local news stations or traffic and weather websites. Winter driving can be challenging — practice safe driving techniques with the following tips:

- Leave a few minutes earlier so you have plenty of time to reach your destination.
- Wear your seat belt.
- Avoid distractions while driving.
- Stay alert and calm; keep an eye on traffic farther ahead so you have extra time to react to sudden changes in traffic flow.
- Maintain a safe speed for road conditions and keep a safe distance between you and other vehicles.
- Do not use cruise control; touching your brakes to deactivate it can cause you to skid.
- Avoid making abrupt lane changes; use turn signals well before you turn.
- Make room for maintenance vehicles and snow plows.
- Watch for black ice on slippery overpasses and bridges.
- Do not use alcohol or drugs while driving.

If you get stuck in the snow or skid off the road, stay in your car and wait for help (if your car is safely out of harm's way). Turn on the car heater to stay warm, but make sure your exhaust pipe is clear of snow. Always remember, "Safety Depends on Me."

DMM Revision: Cremated Remains Clarification

Effective January 26, 2020, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), sections 113.3.0 and 213.2.0, to clarify the standards regarding mailing cremated remains.

To provide security and timely delivery, the Postal Service requires that cremated remains be shipped domestically via Priority Mail Express®, and internationally, where applicable, via Priority Mail Express International®. The Postal Service will revise the DMM to clarify that under this standard, the term “Cremated Remains” includes the original form (ashes) and any other form (e.g., keepsakes and jewelry).

In addition, the Postal Service will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®), and Publication 52, *Hazardous, Restricted, and Perishable Mail*, to include this clarification.

Although the Postal Service will not publish these revisions in the DMM until January 26, 2020, the standards are effective immediately.

Effective January 2, 2020, the Postal Service™ is revising the International Country Listing for Brazil in *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to clarify the requirements for customs declaration forms and import documentation used for customs clearance.

This information must be provided either by the mailer in the importer reference field of the customs declaration form or on the commercial invoice, or by the importer through the Correios website.

This revision is based on a formal request made through the UPU via *International Bureau Circular* 161, dated October 7, 2019.

Form W-4 Completion for Employees Claiming Exempt Status for 2020

Internal Revenue Service (IRS) regulations permit employees who anticipate no federal tax liability for 2020 to claim total exemption from federal tax withholding if they owed no federal taxes for 2019. These regulations also require that employees submit a new Form W-4, *Employee's Withholding Allowance Certificate*, every calendar year if they claim an exempt status. However, employees can use *PostalEASE* to file their Form W-4 instead of filing a hard copy Form W-4.

Employees may meet IRS filing requirements for exempt Forms W-4 using the following methods:

- Log on to *PostalEASE* at liteblue.usps.gov, or
- Call *PostalEASE* toll-free at 877-477-3273, option 1.

To update your Form W-4 for calendar year 2020, follow the Form W-4 instructions provided by *PostalEASE*. If you need to contact the HR Shared Service Center (HRSSC) in Greensboro, NC, for more information, call 877-477-3273, option 5, and then request "Benefits" when prompted. If you have a hearing disability and you need to contact the HRSSC, call the Federal Relay Service at 800-877-8339.

Any employee currently in an exempt status who does not submit a new Form W-4 claiming a continuation of the exempt status will be converted to a taxable status, effective Pay Period (PP) 05-2020. For the exempt status to remain effective into 2020, the employee must enter updated Form W-4 information into *PostalEASE* no later than Wednesday, February 26, 2020, 3:00 P.M. CST. However, to ensure a seamless continuation of the exempt

status for 2020, the Postal Service™ encourages employees to update their W-4 information no later than a day or two in advance of the February 26 cut-off date.

Note: An employee currently in an exempt status may use *PostalEASE* to file for exemption after the February 26 cut-off date; however, in that instance, the employee's exempt status will not be continuous from 2019 to 2020. Depending on the day of the pay period in which the employee enters his or her W-4 information into *PostalEASE*, the 2020 exempt status is effective the pay period of entry or the pay period following entry.

Any employee who claimed exempt status for 2019 and who does not submit a new Form W-4 will have federal taxes withheld at the rate normally applicable to an employee claiming "Single" with "0" allowances. Employees with an exempt status (as of PP 26-2019) will receive printed messages on their earnings statements during PP 02-2020, PP 03-2020, and PP 04-2020 reminding them of the requirement to file a new Form W-4.

Reminders

- The Postal Service prohibits all administrative and managerial employees from providing any tax advice to employees about the completion of Form W-4.
- The Postal Service no longer requires employees to send information about exempt Form W-4 to Eagan Accounting Services.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

USPS Shipping and Return Season

The Postal Service™ is making improvements to its shipping and returns infrastructure to prepare for the annual returns hustle and bustle.

This shopping season is likely to be even more hectic with a projected 800 million package deliveries between Thanksgiving and New Year's Day. The Postal Service delivers more packages to homes than any other shipper.

The Postal Service is ready for the challenge in the following ways:

- **Automated authorization letter and PS Form 3801, Standing Delivery Order.** The automated form allows our Parcel Return Service partners to electronically submit requests to expand pickup locations and identify agents authorized to pick up mail on their behalf. USPS® has over 16,714 Return Delivery Units and 186 Return Sectional Center Facilities across the country.
- **Consumers package fewer returns.** Through an operational test in 53 locations (within the Southern Area in the Dallas district), consumers may provide Retail Associates with an unpacked return item and a QR Code to have the item packaged and labeled for them at the Post Office™, and returned to the appropriate merchant.
- **USPS Electronic Signature Online™ informed.** This new online service allows Informed Delivery® customers to use an electronic signature to sign for Priority Mail Express®, Signature Confirmation™, and items insured for \$500 or more, which increases the likelihood that USPS can deliver these signature items on the first attempt.
- **Surface Visibility Mobile scanner enhancement.** We have increased visibility by adding two new scan events for our Postal Vehicle Service drivers:
 - Pickup.
 - Delivered.

Return Labels

Return labels can either be included in the original order or requested through a merchant's call center. Consumers then affix the return label to their package and mail it using one of the following options:

- Take it to one of 31,324 Post Offices nationwide,
- Drop it in more than 143,000 collection boxes (packages must meet aviation mail security guidelines), or
- Go to usps.com to schedule a Package Pickup at any of the 41,711 available ZIP Codes.

The Postal Service also offers a number of options that help businesses create and deliver return labels to customers. Businesses that use Priority Mail Returns® Service, First-Class Package Return® Service, Ground Return Service, and Parcel Return Service can use the Print and Deliver application to order return labels; USPS will then create those labels and deliver them, along with return instructions, to the following:

- One of 31,324 Post Offices nationwide;
- A domestic address; or
- One of more than 2,821 self-service kiosks, where consumers can print them.

Merchants can also instruct the Postal Service to hold the labels for pickup at a designated Post Office. Small and medium-sized merchants have the following options:

- Use the Merchant Returns Label Tool to generate USPS return labels.
- Use Label Broker™ to offer customers an easier way to print return shipping labels. Participating label providers simply give customers a Label Broker ID with a QR Code, and let USPS do the label printing at a Post Office.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of
