Cover Story

USPS National Slip, Trip and Fall Prevention Week, October 17 – October 23, 2020

Hazards such as neglected icy surfaces or pallets placed in walkways can pose a serious threat to Postal Service™ employees. Last year, the United States Postal Service® reported that 17,534 Postal Service employees were victims of a slip, trip, or fall.

To bring awareness to this issue, USPS® is sponsoring National Slip, Trip and Fall Prevention Week, a public service campaign that offers safety tips and emphasizes the impact that slip, trip, and fall incidents have on employees, customers, and the organization. This year's theme is "Safety: Every STEP of the Way."

Slip, Trip, and Fall Prevention

Last year, most slip, trip, and fall incidents involved mail carriers. Almost half resulted in at least one day away from work. The following tips can help prevent these incidents:

- Wear proper footwear. Choose high-traction, slip-resistant footwear.

- Stay away from wet leaves, slippery surfaces, or icy areas whenever possible. Shorten your steps and shuffle your feet when near slippery surfaces.
- Be alert. On the work room floor or out on the route, things change quickly. Always remain focused, alert, and ready to react to the conditions in front of you.
- Where available, use handrails or other stable supports. Holding on to something keeps you steady when ascending and descending stairs or entering and exiting vehicles. Keep one hand on the handrail or grab bar, so you can catch yourself if you start to slip.
- Report hazards. Be diligent about examining your path and work area for hazards. Use PS Form 1767, *Report of Hazard, Unsafe Condition or Practice*, to report a hazard to your supervisor.

For more information and resources to help prevent slip, trip, and fall incidents, visit safetytoolkit.usps.gov:12.

DMM Revision: USPS Retail Ground Payment Method

Effective October 18, 2020, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, section 154.1.0, to add USPS Click-N-Ship® as a postage payment option available to military personnel shipping USPS Retail Ground® packages from Army/Fleet/Diplomatic Post Office (APO/FPO/DPO) locations.

This revision is intended to make the standard in the DMM consistent with current postage payment methods for USPS Retail Ground service. The Postal Service allows military personnel from APO/FPO/DPO military locations an option to use USPS Click-N-Ship as a postage payment method on packages mailed with USPS Retail Ground service.

Although the Postal Service will not publish this revision in the DMM until October 18, 2020, the standard is effective immediately.

Publication 52 Revision: Adult Bird Approval and the Animal Welfare Act

Effective August 27, 2020, the Postal Service™ is revising Publication 52, *Hazardous, Restricted, and Perishable Mail*, to centralize the requirements for Adult Bird container approvals, add new Packaging Instruction 10D for clarity, and eliminate redundancy. Previously, this information was only found on the Postal Pro website; however, relocating the requirements and adding the new packaging instructions to one source will eliminate confusion and maintain consistency with current standards. For convenience, the Postal Pro web page will have a direct link to Publication 52.

In addition, the Postal Service will add the Animal Welfare Act to the list of federal statutes in section 52. This revision requires that mailers of certain animals comply with standards set forth in the Animal Welfare Act, and reflects Postal Service policy against violations relating to the care and treatment of mailable animals.

- Contain shavings or similar absorbent material to prevent damage to the bottom of the container.

Marking

Each container must be marked with the following information:

- "Live Birds — USPS Approved Container # (once issued)."
- Complete sender's and recipient's addresses (including phone numbers) on the outer packaging for the necessary notification by Postal Service personnel.
- Directional arrows indicating "up" position (on at least two sides of the container).

Fiscal Year 2020 Closing Guidance: Message from the Vice President, Controller

Thank you for all of your efforts to control expenses during fiscal year (FY) 2020 and provide timely updates on your expenses so that we maintain complete and accurate financial statements. It is important that we carry this effort through to the end of the fiscal year by controlling discretionary activity. This does not mean curtailing business, but it does mean making prudent choices by deferring or eliminating noncritical activity, and purchasing goods or services throughout the fiscal year, rather than at the end of it, simply because budgeted funds are available. Please encourage your contractors to bill us in a timely manner for goods received and services rendered, or inform us of any billing delays so we can recognize the expense before the end of the fiscal year.

The following instructions will assist you, when appropriate, in helping the Postal Service™ close its financial books in a timely and efficient manner so that we meet our mandate with the Postal Regulatory Commission.

Cara M. Greene
Vice President, Controller

I. Instructions for Fiscal Year 2020 Closing

We request that all organizations limit their expense and capital expenditures, particularly for Postal Service support equipment, to essential needs. Accordingly, all vice presidents should review discretionary spending to ensure the Postal Service attains its financial target for this fiscal year.

The instruction and reporting dates in this *Postal Bulletin* supplement procedures followed during the normal monthly or quarterly reporting schedule.

II. Fiscal Year

The Postal Service prepares its annual reports on a government FY basis, which comprises 365 days (366 in leap years), always ending on September 30.

III. End of Year Processing Activities and Timelines, Requisitions, and Contract Actions

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

©2019 USPS

On October 6, 2020, in New Rochelle, NY, the United States Postal Service® will issue the *Hanukkah* stamp (Forever® priced at the First-Class Mail® rate) in one design, in a pressure-sensitive adhesive pane of 20 stamps (Item 574800). The stamp will go on sale nationwide October 6, 2020, and must not be sold or canceled before the first-day-of-issue.

This new stamp celebrates the joyous Jewish holiday of Hanukkah. All eight of the Hanukkah candles have been lit, and the child is reaching up to replace the *shamash*, the helper candle used to light the others in the menorah. Art director Ethel Kessler designed the stamp with original art by Jing Jing Tsong.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
