### **Cover Story**

### December is USPS Motor Vehicle Safety Month

According to the U.S. Department of Transportation's National Highway Traffic Safety Administration, more than 38,600 people died in motor vehicle crashes in the United States in 2020. Even as the U.S. imposed tight restrictions and Americans drove less, deaths from traffic accidents increased. The three most common causes of fatalities on the road were impaired driving, speeding, and not wearing seat belts. Employers directly or indirectly bear the cost of these accidents, whether they occur on or off the job.

Accidents have far-reaching financial and psychological effects on employees and their families, as well as their coworkers and employers. Similarly, when USPS® employees are involved in motor vehicle accidents, the United States Postal Service® absorbs those costs. Employees' lives and finances are often adversely affected.

To highlight the importance of driving safely, the Postal Service<sup>™</sup> has designated December as "Motor Vehicle Safety Month," and the theme this year is "Hazards may appear — ensure your path is clear."

Historically, during December, the Postal Service experiences an increase in accident activity. A rise in accidents is primarily due to:

- Inclement weather.
- New hires' inexperience with driving postal vehicles.
- A workload associated with increased parcel volumes.

Whether you manage a fleet of vehicles and drivers, or drive yourself, basic safe driving practices can greatly reduce the risks associated with a motor vehicle accident. Focusing on motor vehicle safety provides the following benefits:

- Saves lives and reduces the risk of life-altering injuries.
- Protects both human and financial resources.
- Guards against potential financial liabilities associated with employee accidents.

Many accidents are caused by distraction or haste when inexperienced employees drive unfamiliar vehicles in unfamiliar territory or when experienced employees fail to follow established safe driving procedures. Today's technology tempts us to make phone calls, send texts or emails, and update social media while driving — all actions that contribute to distracted driving.

By reviewing accident data and analyzing the results of driver observations, Postal Service management identifies and addresses unsafe driving practices and provides training to help Postal Service drivers avoid tragedy. Data for Fiscal Year (FY) 2020 showed:

- Postal Service employees had more than 26,000 motor vehicle accidents in FY 2020. More than half of all motor vehicle accidents involved employees with little USPS driving experience.
- More than 11,000 USPS motor vehicle accidents occurred when the vehicle's line of travel was straight.
- Almost two-thirds of USPS motor vehicle accident fatalities involved employees not wearing seatbelts.

The data indicates that the Postal Service can prevent motor vehicle accidents by addressing the following issues:

- Driving in inclement weather.
- Avoiding collisions caused by distraction or inattention.
- Wearing seatbelts.

During December, the Postal Service will send employees stand-up talks focused on:

- Defensive driving.
- Seatbelts.
- Distracted driving.
- Winter driving.
- Postal industrial truck (PIT) safety.

### Motor Vehicle Safety Includes Forklift Operation

The ability to drive a car or truck does not qualify you to operate a forklift. A forklift operates differently from other motor vehicles. It cannot stop as quickly, can tip over more easily, and has a different turning radius. Unsafe operation of a forklift can cause it to tip over, the load to collapse, or could result in bystanders being struck by the machine, the forks, or the load. PIT operators must be properly trained and licensed for the type of vehicle that they will be driving. The vehicle must be maintained in a safe operating condition and must be inspected by the operator before each operational tour.

Here are some reminders about safe forklift operation:

- Use your inspection checklist before operating the forklift to determine if it is in good working order and safe to operate. If it is not, remove the forklift from service until it can be repaired.
- To lift the load, put the forks all the way in. After slowly lifting the load, tilt it back so it will remain on the forks. Keep the forks low so you can see where

you are going and to prevent tipping accidents. When the forklift is empty, the forks must be pointed downhill.

- Observe the speed limits and slow down for corners, rough or sloping surfaces, and large loads. Honk the horn at intersections.
- Use extreme caution around the edges of loading docks. The bridge plate must be secure before driving onto the truck you are loading or unloading.
- When driving with a load, go forward up a slope, but back down the slope.
- When backing up, look in the direction the forklift is moving. Constantly scan the area for pedestrians or objects and proceed very slowly.
- Stay inside the operator's cage: keep your head, arms, and legs inside and never reach through the mast. Always wear a seatbelt.
- Do not pick up passengers because they can easily fall and be crushed by the forklift.

Always stay within marked forklift travel lanes and aisles, and slow down and use the horn to alert pedestrians when you travel across any marked or customary pedestrian traffic lanes.

### Be Part of the Solution

The Postal Service can reduce motor vehicle and PIT accidents with training and by emphasizing the importance of basic safe driving practices. By doing so, we not only reduce our accident counts, but also ensure that our employees feel prepared for their jobs. Employees are our

most valuable assets. Workplace driver safety programs not only make good business sense, but also engage and empower employees.

The goal of Motor Vehicle Safety Month is to keep our drivers and those with whom they share the road safe. By changing attitudes about driving behavior and improving driving skills, the Postal Service can create and sustain a safety culture where everyone understands that "Safety Depends on Me."

### Local Tax Code Information

The United States Postal Service<sup>®</sup> collects appropriate federal, state, and in some cases, local taxes directly from the pay of its employees who are subject to these deductions. Based on agreements between individual local taxing authorities and the U.S. Department of the Treasury, the Postal Service<sup>™</sup> collects a number of city and county income taxes, occupational taxes, mental health taxes, residence taxes, local service taxes, and in some locations, more than one of these taxes.

The local taxes listed in the following table are the taxes for which there are agreements between the taxing authorities and the U.S. Department of the Treasury. Some of these taxes are automatically deducted from the salaries of Postal Service employees who work within the geographic boundaries of the specific taxing authorities. However, most of these taxes are not automatic deductions. If you are subject to any of these local taxes, you must be proactive and submit a completed PS Form 4, *Employee's City or County Withholding Certificate*, to the HR Shared Service Center (HRSSC). As a Postal Service employee, you are personally responsible for ensuring correct local taxes are deducted from your pay. If you have any questions regarding your tax liability or responsibility, contact your local taxing authority.

In addition to the taxes listed in the following table, there are other local taxes for which there are no agreements between the individual local taxing authorities and the U.S. Department of the Treasury. Employees must make their own payments to these taxing authorities. The Postal Service will not collect local taxes for a taxing entity that has not established an agreement with the U.S. Department of the Treasury.

We remind all Postal Service employees that they are bound by the materials contained within the Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees. This includes Principle 12, which states: "Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law."

If you live or work in a locality that is subject to one or more of the taxes listed in the table and the correct deduction(s) is not being withheld from your pay, you can immediately complete a PS Form 4, *Employee's City or County Withholding Certificate*. After completing this form, mail it to the following address:

HR Shared Services Center PO Box 970400 Greensboro, NC 27497-0400 Direct all questions concerning these local taxes to the HRSSC by phone at 877-477-3273, option 5 (Federal Relay Service: 800-877-8339).

### IRS Reporting Requirements of Attorney Fees, Back Pay, or Wages

The purpose of this notice is to ensure that employees are aware of the Internal Revenue Service (IRS) income reporting requirements when attorney fees are awarded.

In 2005, the IRS issued regulations that changed how attorney fee awards are to be treated for tax reporting purposes, based upon the Supreme Court's decision in Commissioner v. Banks, 125 S. Ct. 826 (2005). Previously, when payment of attorney fees was made directly to the attorney, the payment to the attorney was only reported on the attorney's Form 1099-MISC, *Miscellaneous Income*. In Commissioner v. Banks, the Supreme Court held that when a litigant's recovery constitutes income, the litigant's income includes the portion of the recovery paid to the attorney as a contingent fee. Thus, pursuant to Internal Revenue Code (IRC) section 6041(a) and 6045(f), these fees cannot be excluded from the plaintiff's gross income for tax reporting purposes.

The following situations require variations in the reporting requirements:

- Attorney Fees Paid Directly to an Attorney These fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. These fees will also be reported on the attorney's Form 1099-MISC.
- Settlement (no back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified — The entire amount of the settlement (including attorney

fees) will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.

- Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified The back pay or wages portion of the settlement is subject to income and Federal Insurance Contributions Act (FICA) tax withholdings. The back pay or wages portion will be reported on the employee's Form W-2. The identified attorney fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are not Identified — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The employee's attorney will not be issued a Form 1099-MISC.
- Settlement Check (no back pay or wages) is Issued Jointly to Employee and Attorney The entire amount of the settlement will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC and will also be reported on the attorney's Form 1099-MISC.

- Settlement Check (back pay or wages) is Issued Jointly to Employee and Attorney The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The net amount of the settlement (the actual amount of the check) will be reported on the attorney's Form 1099-MISC.
- Settlement Check (back pay or wages) is Split between Employee and Attorney The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The settlement check is issued to the employee, but before disbursement, the check is pulled and the net of the settlement (the actual amount of the check) is

split between the employee and his or her attorney. The entire amount of the settlement will be reported on the employee's Form W-2. The actual amount of the check paid to the attorney will be reported on the attorney's Form 1099-MISC.

The United States Postal Service<sup>®</sup> makes no representation regarding the taxability of these payments. Potential tax liability resulting from any of these payments is the employee's responsibility. The IRS makes the determination on whether taxes must be paid. The Postal Service does not provide tax advice, and employees must direct any tax reporting questions to the IRS or a qualified tax attorney or accountant.

### Tax Obligations of USPS Employees

As employees of the United States Postal Service<sup>®</sup>, we have a legal, moral, and fiduciary obligation to obey the tax laws of our country. As both citizens and public servants who are obligated to uphold the public trust, we are ethically mandated to complete and file all required tax forms for our federal, state, and where applicable, local taxes. We are required by appropriate taxation laws to pay all of our required taxes in a timely and accurate manner.

We remind all Postal Service<sup>™</sup> employees that they are bound by the materials contained within the *Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees.* This includes Principle 12, which states: "Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law." All Postal Service employees must adhere to the highest possible ethical standards concerning the payment of their taxes and other debts.

As a Postal Service employee, you are personally responsible for ensuring correct federal, state, and local taxes are deducted from your pay. If you are subject to federal, state, or local taxes, and the correct deductions are not being withheld from your pay, you must take immediate action to ensure appropriate tax withholdings.

### To Update Federal and State Tax Withholdings:

■ Complete the federal Form W-4, Employee's With-holding Certificate, or the state equivalent of the federal Form W-4. For example, to update Minnesota tax withholdings, complete Form W-4MN, Minnesota Withholding Allowance/Exemption Certificate. Complete the federal Form W-4 if your state does not have its own state equivalent of the federal Form W-4. Make sure you write "(Name of State)" and "State Copy" on the top of the form. Go to the LiteBlue home page (liteblue.usps.gov) to access the PostalEASE App.

- Update your "Federal W-4" Payroll Module and your "State Tax" Payroll Modules.
- If you do not have access to a computer or the Internet, mail your completed form(s) to:

HR Shared Service Center (HRSSC) PO Box 970400 Greensboro, NC 27497-0400

**Note:** It is to your advantage to complete the paper form before your *PostalEASE* update as the paper form comes with instructions, which can be particularly helpful if your state has complex withholding selections.

### To Update Local Tax Withholdings:

- Complete PS Form 4, Employee's City or County Withholding Certificate.
- Mail your completed PS Form 4 to: HR Shared Service Center (HRSSC) PO Box 970400 Greensboro, NC 27497-0400

Direct all questions concerning these taxes to the HRSSC at 877-477-3273, option 5 (Federal Relay Service: 800-877-8339).

The Postal Service does not provide tax advice. Direct any questions about your tax liability or responsibility to the Internal Revenue Service (IRS) or a qualified tax attorney or accountant.

Adherence to these requirements will help all USPS® employees avoid costly penalties and potential tax enforcement action by the IRS. The IRS provides free tax information and services to inform and assist taxpayers concerning tax laws and individual responsibilities. You can research federal tax information at *irs.gov* or contact an IRS representative toll-free at 800-829-1040 (TDD 800-829-4059) for assistance.

### Wage Overpayment Indebtedness —Tax Treatment

When a Postal Service<sup>™</sup> employee is overpaid, the United States Postal Service<sup>®</sup> establishes an account receivable for the overpayment and initiates the collection of the debt from the employee through the process described in the *Employee and Labor Relations Manual* (ELM), in either ELM 450, Collection of Postal Debts From Non-bargaining Unit Employees by Salary Offset, or ELM 460, Collection of Postal Debts From Bargaining Unit Employees by Salary Offset.

If the overpayment occurred in a prior year, the Postal Service bills the employee for the gross amount of the overpayment. The gross amount includes the net amount of the check or direct deposit plus all payroll-related taxes withheld and other miscellaneous deductions or allotments. The wages paid in error in the prior year remain W-2 reportable and taxable to the employee for that year. This is because the employee received and had use of those funds during that year. If repayment is made within 3 years of the issuance of the W-2 that includes the overpayment, the employee is entitled to a refund of Social Security (if applicable) and Medicare taxes from the Postal Service. The employee is not entitled to file an amended return (Form 1040X) to recover the federal income tax paid on

these wages. Instead, the employee may be entitled to a deduction (or credit in some cases) for the repaid wages on his or her income tax return for the year of repayment (Internal Revenue Service Publication 15). Employees are encouraged to seek the services of a qualified tax preparer if they have questions.

If the overpayment occurred in the current year, the Postal Service *initially* bills the employee for *only* the net value of the overpayment; thus, federal, state, local, Social Security (if applicable), and Medicare taxes are not part of the bill. However, if an employee has not fully repaid the overpayment by the end of the tax year (December 31, 2021), the Postal Service must report the unreturned value of the overpayment as taxable income on the employee's Form W-2. Additionally, the employee must now pay appropriate federal, state, local, and FICA/Medicare taxes on the remaining value of the unpaid debt. The Postal Service establishes a second account receivable at the close of the tax year for the value of the taxes the employee owes related to the unpaid debt. The Postal Service uses the debt collection processes in ELM 450 and ELM 460 to collect the additional debt.

### Good Health is Essential During the Holidays

The Postal Service™ Wellness Team wants to help employees have a safe and healthy holiday season. Here are some tips:

- Follow the coronavirus pandemic safety protocols. Wash your hands with soap and water for at least 20 seconds to prevent the spread of germs. Continue adhering to social distancing guidelines and wearing face masks.
- Stay safe outdoors and on the road. During cold weather, dress warmly with appropriate outdoor clothing and layers. Do not drink and drive or let others drink and drive. Fasten seat belts while driving or riding in a vehicle.
- Mind your physical and mental health. Avoid smoking and secondhand smoke. Stay updated with vaccinations, screenings, and medical exams. Manage stress by giving yourself a break, getting rest, and finding ways to connect socially.

- Practice fire safety. Most fires occur during the winter, so don't leave fireplaces, space heaters, food cooking on stoves, or candles unattended. Create an emergency plan and practice it regularly.
- Prepare food safely. Wash hands and surfaces often, avoid cross-contamination, cook foods to proper temperatures, and refrigerate foods quickly.
- Eat healthy. Load up on fruits and vegetables and limit portion sizes and foods high in fat, salt, and sugar.
- Stay active. Adults need at least 2.5 hours of physical activity a week, and children and teenagers need at least 60 minutes of physical activity every day.

### Emerging Mobile Threats: Smishing and Vishing

Smishing and vishing are new forms of cyberattack, and they threaten millions of Americans daily. In 2020, according to the Federal Bureau of Investigations, these attacks cost Americans more than \$50 million, and those costs are expected to rise significantly.

Both smishing and vishing are forms of phishing; however, smishing scams are conducted via text messaging. Crafty phishers send texts appearing to be from trusted senders, such as banks and online retailers. These messages typically contain URLs or links that trick recipients into visiting websites that download viruses and other forms of malware onto the victim's mobile device.

Vishing — a combination of the parts of the words "voice" and "phishing" — is the telephone version of phishing. This technique uses a spoofed caller ID to make attacks look like the call originates from a known number or perhaps an 800-number that might compel you to answer the phone.

Avoid smishing and vishing scams and keep the USPS® network secure with these tips:

- **Do not click.** Do not open any link or attachment from a telephone number you do not have saved in your contacts list or from a sender you cannot verify.
- Filter messages. Filtering unknown senders will block notifications from unsaved phone numbers, which decreases the likelihood of falling for a smishing scam. To filter unknown numbers, follow these steps:
  - Apple users: Go to Settings > Messages and toggle on the "Filter Unknown Senders" option. This will create a new tab in your Messages app called "Unknown Senders."
  - Android users: Go to Settings > Spam Message Settings and select the "Block Unknown Senders" option.

### Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service  ${}^{\text{TM}}$  money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
- 2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at *usps.com/shop/money-orders.htm*.

3. If the money order seems suspicious, call the U.S. Postal Service Money Ordxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

### Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mail-

ing restrictions codes (see the  $\underline{\mbox{Restrictions}}$  page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

We have eliminated "Not Active" entries from the table below to save space and paper.

### Stamp Announcement 22-2: U.S. Flags 2022 Stamp

#### ©2021 USPS

On January 9, 2022, in Findlay, OH, the United States Postal Service<sup>®</sup> will issue the *U.S. Flags 2022* stamp (Forever<sup>®</sup> priced at the First-Class Mail<sup>®</sup> rate) in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 121700), a PSA Double-sided Booklet of 20 stamps (Item 683600), a PSA Coil of 100 stamps (Item 740400), a PSA Coil of 3,000 stamps (Item 750700), and a PSA Coil of 10,000 stamps (Item 760900). This stamp will go on sale nationwide January 9, 2022, and must not be sold or canceled before the first-day-of-issue.

The Postal Service™ continues its tradition of celebrating the U.S. flag with this new stamp in panes of 20, booklets of 20, and coils of 100, 3,000, and 10,000. The stamp art is a painting of three flags in a circular formation, reminiscent of the 50 flags encircling the Washington Monument. The artist used three separate photographs of the same flag taken seconds apart as reference and stitched together the images into a single composition. Laura Stutzman was the stamp designer and illustrator. Ethel Kessler was the art director.

### Stamp Announcement 22-3: Love 2022 Stamps

### ©2021 USPS

On January 14, 2022, in Romeo, MI, the United States Postal Service<sup>®</sup> will issue the *Love 2022* stamps (Forever<sup>®</sup> priced at the First-Class Mail<sup>®</sup> rate) in two designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 578200). These stamps will go on sale nationwide January 14, 2022, and must not be sold or canceled before the first-day-of-issue.

The two new *Love 2022* stamps with similar designs feature graphic illustrations of flowers inspired by old European folk art. Twisting vines, which hold small petaled flowers form abstract heart shapes. The word "Love" is interspersed among the decorative vines. The background of one stamp is powder blue, the other stamp is coral. Greg Breeding was art director; Bailey Sullivan created the original art and designed the stamps.

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or post-card bearing at least the minimum First-Class Mail<sup>®</sup> postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

### How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail<sup>®</sup> requirements. Customers may purchase new stamps at their local Post Office<sup>TM</sup>, by phone at 844-737-7826, or on The Postal Store<sup>®</sup> website at usps.com/shop.

### **Digital Color Postmarks**

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue) USPS Stamp Fulfillment Services 8300 NE Underground Drive, Suite 300 Kansas City, MO 64144-9900
