## Postal Pulse Survey: How is the Postal Service Delivering for You?

The annual Postal Pulse<sup>®</sup> employee survey is your opportunity to tell us how well the Postal Service is delivering for you.

An important goal of the Delivering for America plan is investing in our employees to help them grow and succeed. As Deputy Postmaster General and Chief Human Resources Officer Doug Tulino has said, “You and your colleagues are the heart of Delivering for America.”

The Delivering for America plan focuses heavily on improving the employee experience by offering:

- Significant investment in training, tools, and technology to expand long-term career opportunities and the safety and well-being of our employees.
- A more stable career path and structure that provides greater opportunities for advancement.
- An improved workplace that fosters a culture where all employees are valued.

In the 2 years since we introduced the plan, the Postal Service has aggressively advanced our core strategies and initiatives. To help stabilize our workforce, we have converted 130,000 workers to full time in the first 2 years of the plan, including more than 71,000 employees since January 2022.

This year, we introduced “Delivering Your Best” career conferences so employees could network with Postal Service leaders and explore career advancement, as well as potential career paths. We also kicked off a series of virtual career fairs for front-line supervisor positions that explored supervisor roles and expectations, and offered tips on searching, applying, and interviewing for available positions.

All year round, the Postal Service offers a variety of employee development opportunities, including online courses, hands-on functional and technical training, lead-

ership and management development, and funding for non-postal training programs.

Additionally, we invested in our infrastructure to ensure employees have the equipment and support needed to do their best work every day. We installed 137 new package sorting machines, which expanded our daily package processing capacity to 60 million. Last year, we announced our plan to acquire 106,000 vehicles between now and 2028, including at least 66,000 battery electric delivery vehicles. Not only are these vehicles better for the environment — they are better for employees by offering air conditioning and advanced safety technology.

As a result of these investments in our network and workforce, and the hard work of our employees this past holiday season, we exceeded the previous peak season service by delivering 91.7 percent of First-Class Mail<sup>®</sup>, 94.1 percent of Marketing Mail, and 85.5 percent of Periodicals on time when compared with USPS<sup>®</sup> service standards.

Are we meeting our goals? Complete the Postal Pulse employee survey and let us know. The survey is open April 25 through May 26, 2023. Participation is voluntary. Employees may take the survey the following ways:

- **If you have a Postal Service email account:** You will receive an electronic survey.
- **If you don't have a Postal Service email address:** You will receive a paper survey at work and at home. You are encouraged to bring the survey to work and fill it out while on the clock.

For more information about the survey, visit [lite-blue.usps.gov/emp-engagement/welcome.htm](https://lite-blue.usps.gov/emp-engagement/welcome.htm).

We look forward to hearing from you.

### DMM Revision: Counterfeit Postage

Effective July 9, 2023, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, in various sections, to reflect a change in handling mail items bearing counterfeit postage.

To distinguish handling mail articles without postage under section 604.8.2 from those that contain counterfeit postage, the Postal Service is revising section 604.8.4 to state that mail articles with counterfeit postage will be considered abandoned and disposed of at the discretion of the Postal Service. These items will no longer be returned to the sender. The Postal Service believes that affixing counterfeit postage reflects a refusal to pay postage or an intentional effort to avoid paying postage. For clarity, the Postal Service will also revise various other sections related to the revisions in section 604.8.4.

Although the Postal Service will not publish these revisions in the DMM until July 9, 2023, the standards will be effective May 7, 2023.

## IMM Revision: Updates to Various Individual Country Listings

Effective April 20, 2023, the Postal Service™ is revising the Individual Country Listing (ICL) for various countries in *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* to add text requiring that the customs declaration form include a Harmonized System (HS) code that corresponds to the detailed description for any good mailed to 27 European Union (EU) countries, and to Norway and Switzerland.

This addition reflects changes in European customs regulations that took effect on March 1, 2023, as outlined in Commission Delegated Regulation (EU) 2021/234 of December 7, 2020, and associated Universal Postal Union (UPU) International Bureau Circulars.

The new customs regulations include an expanded “Item Attribute” (ITMATT) data set for all items containing goods destined to the 29 participating countries. Many of these data elements are already mandatory as indicated in IMM 123.711a and supported by the EU’s Import Control System 2 (ICS2). The ICS2 is used by European customs authorities, postal operators, and international transporta-

tion networks designed to support the communication of advance electronic data for safety and security risk analysis before the entry of goods into these 29 countries.

With an exception for noncommercial shipments, the new European customs regulations use the 6-digit HS code for all items containing goods. At this time, the mandatory ITMATT data set, as established by the UPU, does not include a “party type” field that would clarify for European customs authorities when the exception would apply. Therefore, the 6-digit HS code is required for all items containing goods destined to the 29 countries participating in ICS2. Additional country-specific data elements will be added to the IMM’s Individual Country Listings, as needed. Those data elements include the following:

- Country of origin, recommended to expedite customs clearance.
- Economic Operator Registration Identification (EORI), if such a number has been assigned.
- The sender’s and/or the addressee’s telephone number and email address, if available.

The ICL revisions apply to the following destination countries:

1. Austria.	7. Denmark.	13. Hungary.	19. Malta.	25. Slovak Republic (Slovakia).
2. Belgium.	8. Estonia.	14. Ireland.	20. Netherlands.	26. Slovenia.
3. Bulgaria.	9. Finland.	15. Italy.	21. Norway.	27. Spain.
4. Croatia.	10. France.	16. Latvia.	22. Poland.	28. Sweden.
5. Cyprus.	11. Germany.	17. Lithuania.	23. Portugal.	29. Switzerland.
6. Czech Republic.	12. Greece.	18. Luxembourg.	24. Romania.	

The mailer remains solely responsible for the accuracy and completeness of all customs information related to the mail, including the accuracy of HS codes and any other codes that correspond to the detailed descriptions of goods. The Postal Service is not liable for any of the following:

- Any incorrect or insufficient HS code or other code classifications.
- Any other incorrect or incomplete information for customs declarations in whatever form such information is made.
- Any decision taken by any domestic or foreign customs authority.

*[Add 2 new entries to read as follows:]*

8. A harmonized code (i.e., a code for the Integrated Tariff of the European Communities, also known as a “TAR-IC code”) is required for all goods destined to Ireland. The Irish customs authority has a tiered classification system. Some items require a 10-digit TARIC code while other items may be described using the 8-digit or 6-digit TARIC code. Items that require a 10-digit TARIC code may be returned by Irish customs, at the mailer’s expense, if the mailer provides only the first six or eight digits. Therefore, USPS recommends that mailers provide the 10-digit TARIC code for all goods destined to Ireland. More information can be found at [anpost.com/Commerce/SME/InternationalSending/Find-a-TARIC-Commodity-code](https://anpost.com/Commerce/SME/InternationalSending/Find-a-TARIC-Commodity-code).

Although effective April 20, 2023, the Postal Service will incorporate these revisions into the next edition of the online IMM, which is available via Postal Explorer® at [pe.usps.com](https://pe.usps.com).

## Handbooks

### Handbook EL-312 Revision: Executive Administrative Schedule Positions and Supervisor Selection Process

Effective April 20, 2023, the Postal Service™ is revising Handbook EL-312, *Employment and Placement*, subchapters 74, “EAS Positions,” and 75, “Supervisor Selection Process,” to clarify Postal Service policy regarding Executive Administrative Schedule (EAS) positions and the supervisor selection process. Revisions reflect modifications to job postings and a reduction in the number of applications required for review committee action.

Although the Postal Service does not expect to publish these revisions in Handbook EL-312 until later this summer, the standards are effective immediately.

#### Handbook EL-312, *Employment and Placement*

\* \* \* \* \*

#### 74 EAS Positions

##### 741 Purpose of Subchapter 74

*[Revise the text of 741 to read as follows:]*

These policies and procedures are to be used in filling Headquarters, area, and field nonbargaining positions, including most supervisory, managerial, administrative, clerical, and postmaster positions under the following pay systems:

- a. Executive and Administrative Schedule (EAS);
- b. Management Pay Band; and
- c. Technical Pay Band.

Subchapter 74 does not cover selections for attorney, Compensation System, positions. The positions of Supervisor, Customer Services, and Supervisor, Distribution Operations, are filled using the policies and procedures in subchapter 75, “Supervisor Selection Process.”

\* \* \* \* \*

#### 743 Selection Process

##### 743.1 Internal Recruitment

\* \* \* \* \*

##### 743.11 When to Consider Noncompetitive Applications

*[Revise the text of 743.11 to read as follows:]*

Management may consider qualified employees eligible for a noncompetitive voluntary lateral reassignment or change to a lower level at any of the following times:

- a. When applications are received.
- b. Before the competitive announcement process begins.

- c. During the competitive announcement process.
- d. After the applications have been assessed.

Employees selected in this manner must meet the qualification requirements for the position. Selection is solely at the discretion of the selecting official.

Individuals with a saved grade are considered noncompetitively for positions up to the level of their former position.

Employees seeking noncompetitive placement into a position at the same or lower level may submit a written request to the selecting official for consideration. If an employee with a disability seeks reasonable accommodation by reassignment to a position at the same or lower level, the employee must work with the appropriate reasonable-accommodation committee at the district, area, or Headquarters level.

\* \* \* \* \*

##### 743.131 Minimum Area of Consideration

*[Revise the text of 743.131 to read as follows:]*

The following applies:

- a. The minimum area of consideration for Headquarters vacancies is career nonbargaining employees service-wide.
- b. The minimum area of consideration for field vacancies is career nonbargaining employees in the local area of consideration.

**Exception:** Position vacancies to be filled under the Supervisor Selection Process (see 75) must be posted to all career employees (including bargaining employees) in the local area of consideration before any consideration is given to expanding the area of consideration.

All eligible career nonbargaining employees (including Field, Headquarters, and Headquarters field units) may apply if their current work location (duty station) is located within the geographic area of consideration stated in the vacancy announcement.

*[Revise the title and text of 743.132 to read as follows:]*

##### 743.132 Expanding the Area of Consideration

After the assessment of potential applicants, the area of consideration may be expanded to include:

- a. Career bargaining employees;
- b. A larger geographic territory (i.e., area-wide or service-wide); or
- c. An external announcement.

**743.14 Determining Eligibility**

\* \* \* \* \*

[Revise the text of items a. and b. to read as follows:]

- a. *Extended eligibility.* Eligibility is extended for certain postmaster positions, as follows:
  1. Postmaster. Postmaster Relief/Leave Replacements (PMR/LRs) and Postmaster Relief (RMPO) may apply and compete for internally announced career 6-hour postmaster vacancies posted within their district when the area of consideration has been expanded to career bargaining employees.
  2. PMRs applying for a posted postmaster position at their employing Post Office must be considered by the selecting official at that Post Office.
- b. *Special nomination for nonbargaining positions.* Area and Regional Operations vice presidents, and the Senior Director of National Human Resources may nominate employees from any location within the Postal Service for any vacancy advertised so that they may be considered in competition with applicants from within the area of consideration. This nomination process is to ensure expanded opportunities to resolve saved-grade situations, hardship, and trailing-spouse cases.

**743.15 120-Calendar-Day Time Limit on Higher-Level Temporary Assignments**

[Revise the last sentence of the introductory text of 743.15 to read as follows:]

\*\*\*A vacant position is a position in which the previous employee has separated or has been placed in another job.

\* \* \* \* \*

[Revise the text of items 743.15a(1) and 743.15a(2) to read as follows:]

- (1) Could become or is a potential candidate for the vacant position, then the higher-level assignment must be terminated before the 121st calendar day.
- (2) Is not a candidate, then the next higher-level manager over the manager with the vacancy must verify the employee’s non-candidate status to approve extending the temporary assignment beyond 120 calendar days.

**Exception:** If the detail assignment was originally approved by a PCES manager, additional approval for the extension is not necessary. (See 716.144.)

The extension lasts until a selection is made and a new employee permanently assumes the position.

\* \* \* \* \*

**743.16 Exceptions to the 120-Calendar-Day Limit**

[Add the following introductory text to 743.16 to read as follows:]

The following applies:

\* \* \* \* \*

[Revise the text of 743.16a(4) and 743.16a(5) to read as follows:]

- (4) To an initial-level supervisor position.
- (5) To a Headquarters position.

\* \* \* \* \*

[Revise the text of 743.16b(1) and 743.16b(2) to read as follows:]

- (1) Director, Human Resources (Field) — for field assignments; or
- (2) Functional officer — for assignments to a Headquarters position.

[Revise the text of 743.17 to read as follows:]

**743.17 Posting a Nonbargaining Vacancy Announcement**

**743.171 Requirements**

Announcements are posted for a minimum of 15 calendar days. The following must be included in the vacancy announcement:

- b. Position title.
- c. Occupation code.
- d. Grade.
- e. Duty station.
- f. Position duties.
- g. Nonscheduled days.
- h. Work hours.

If any of these elements require frequent change to meet operational requirements, the announcement must state this.

Section 763.22, “Local Options for Basic Computer Skills and Driving Requirements,” describes the circumstances in which computer skills and driving may be added as requirements.

**743.172 Exceptions to 15-Day Posting of Nonbargaining Vacancy Announcements**

The following applies:

- a. Exceptions may apply during periods of organizational change.

- b. The 15-day minimum posting period does not apply to the EAS positions below. These positions are posted for a minimum of 7 calendar days:

Job Title	Level
Mgr, Customer Services	EAS 17-21

Postmaster	EAS 18-21
Postmaster (PTPO)	PTPM-56
Supv, Customer Services	EAS-17
Supv, Distribution Operations	EAS-17
Supv, Maintenance Operations	EAS-17

### 743.18 Conditions for Not Announcing

*[Revise the text of 743.18 to read as follows:]*

The following applies:

- a. A vacancy does not have to be announced again if:
- (1) An identical vacancy was announced previously; and
  - (2) Less than 120 calendar days have elapsed since the identical announcement's closing date.
- b. The two vacancies must have the same:
- (1) Position title;
  - (2) Occupation code;
  - (3) Grade;
  - (4) Location;
  - (5) Tour (where applicable); and
  - (6) Position requirements.

\* \* \* \* \*

### 743.21 Recruiting for Additional Applicants

*[Revise the introductory text of 743.21 to read as follows:]*

Generally, nonbargaining positions are filled from within the Postal Service. Management is not required, however, to select Postal Service applicants over significantly better qualified external applicants. Every effort must be made to select the individual who best meets the position requirements. The following procedures apply:

\* \* \* \* \*

*[Revise the text of 743.21b(1) through 743.21b(3) to read as follows:]*

- (1) Reinstatement of a qualified former nonbargaining Postal Service employee separated due to a reduction-in-force who has been placed on a Reinstatement List under the conditions described in *Employee and Labor Relations Manual*, section 354.27.
- (2) Use one of the external recruitment sources described in 233.

- (3) Initiate a competitive process by posting the vacancy on [usps.com/careers](https://usps.com/careers).

\* \* \* \* \*

### 743.22 Competitive Recruitment Source

#### 743.221 General

*[Revise the text of 743.221 to read as follows:]*

When a noncompetitive recruitment source is not used to fill a nonbargaining vacancy externally, the vacancy must be posted on [usps.com/careers](https://usps.com/careers) for a minimum of 5 calendar days to ensure adequate public notice (see 42). Additional recruitment activities to attract a diverse mix of qualified applicants for the vacancy's specialty may be used.

#### 743.222 Limiting External Area of Consideration

*[Revise the text of 743.222 to read as follows:]*

The external area of consideration for postings of career nonbargaining vacancies grade EAS-18 and below may be limited to:

- a. Current non-career Postal Service employees; and
- b. Preference-eligible persons, other than current career Postal Service employees, who are not eligible to apply to external postings.

When limiting the area of consideration, the vacancy announcement must include the following statement: "Eligibility to apply is limited to current non-career Postal Service employees and persons entitled to veterans' preference. Current career Postal Service employees are not eligible to apply."

Human Resources personnel are responsible for determining the eligibility of individual applicants and justifying any rejection based on the eligibility statement.

#### 743.223 Alternate Arrangements for Veterans and Persons Entitled to Veterans' Preference

*[Revise the introductory text of 743.223 and the text of 743.223a to read as follows:]*

Alternate arrangements to apply may be made for the following applicants:

- a. Veterans' preference-eligible persons; and

\* \* \* \* \*

### 743.24 Evaluating External Applicants

*[Revise the text of 743.24 to read as follows:]*

Evaluate external applicants, including those who qualify based on testing requirements, by using the methods described in 743.4 and the "Nonbargaining Selection Methods" training, unless otherwise stated.

**743.3 Internal Applications**

*[Revise the text of 743.3 to read as follows:]*

Internal applicants for all posted nonbargaining positions must submit applications by the closing date of the announcement using the online applicant tracking system.

**Exception:** In accordance with USERRA, employees who are on active duty with the uniformed services may apply at any time (before or after the deadline) for an announced vacancy and must be given subsequent consideration if they meet the vacancy’s eligibility requirements (see 772.1b).

Applicants for promotion who meet one or more of the following conditions are ineligible for further consideration for the vacancy (see 422 and 433):

- a. Are not otherwise eligible based on an examination requirement;
- b. Do not achieve a passing score on a required examination; or
- c. Fail to complete the examination process.

The selecting official may verify any information provided on the application with appropriate individuals.

**743.4 Assessing Applications**

*[Revise the introductory text of 743.4 to read as follows:]*

The following sections include standards and information on two components used in assessing applications for both internal and external applicant pools:

**743.41 Using Guidelines**

*[Revise the text of 743.41 to read as follows:]*

Selections must be made in line with the philosophy and methods described in the “Nonbargaining Selection Methods” training course, available on the Postal Service learning management system. This course is required training for selecting officials and review committee members.

**743.42 Process and Documentation Requirements**

**743.421 KSA Requirements**

*[Revise the text of 743.421 to read as follows:]*

Applicants must be evaluated based on their demonstration of the knowledge, skills, and abilities (KSAs) relevant to the position’s requirements. The KSAs to be considered are specified on the vacancy posting. Applicants may use all fields within the application to address KSAs and are not limited to presenting all qualification information within specific application response boxes, individually, or in a narrative description.

Applicants must demonstrate the KSAs only within the application and any required documentation. They may not use a separately attached document. The only allowable attachments to applications submitted through the appli-

cant tracking system are résumés and specific documents identified in the vacancy announcement (e.g., certifications, writing samples, and transcripts).

Applicants’ qualifications are assessed as described in 743.43, “Assessing Nonbargaining Applicants.”

\* \* \* \* \*

**743.423 Use of Notes**

*[Revise the text of 743.423 to read as follows:]*

Any notes that the committee chairperson makes in the consensus discussion, or the selecting official makes regarding any applicants, while reviewing applications or conducting interviews, are considered official documentation of the assessment process and must be preserved in their original state regardless of the format and medium used for recording. The committee chairperson or selecting official must date and sign all notes taken.

All review committee members are responsible for maintaining any notes made during their independent application reviews, or when conducting interviews.

See 743.442 for retention requirements.

\* \* \* \* \*

**743.432 Completing the Requirement-by-Applicant Matrix**

\* \* \* \* \*

*[Revise the last sentence of 743.432a to read as follows:]*

- a. \*\*\*If a review committee is not used, the selecting official must record the applicants’ ratings on the matrix.

\* \* \* \* \*

*[Revise the text of 743.432b(2) and 743.432b(3) to read as follows:]*

- (2) In the appropriate space on the matrix, record “YES” if the applicant meets the requirements, or “NO” if the applicant does not meet them.
- (3) Do not assign points when evaluating requirements other than KSAs. “YES” or “NO” is the only rating for such requirements.

\* \* \* \* \*

*[Revise the introductory text of 743.432e to read as follows:]*

- e. *Using conversion tables for external applicants only.* See Appendix F, “Conversion Tables for Nonbargaining Positions,” and follow these instructions:

\* \* \* \* \*

*[Revise the text of 743.432e(3) to read as follows:]*

- (3) The evaluator (review committee chairperson or selecting official) completing the matrix enters the Basic Scores into the applicant tracking system.

*[Add a new paragraph immediately before the last paragraph of 743.432 to read as follows:]*

The review committee chairperson or the selecting official is responsible for forwarding the completed matrix to Field Human Resources. Field Human Resources must attach PS Form 5957 and interview notes (see 743.423 for types of notes) into the applicant tracking system for retention as part of the vacancy package.

*[Revise the last paragraph of 743.432 to read as follows:]*

Exhibit 743.432 shows a sample completed matrix for an externally announced vacancy.

\* \* \* \* \*

#### **743.44 Documentation Retention**

##### **743.441 Responsibilities**

*[Revise the text of 743.441 to read as follows:]*

The review committee chairperson and the selecting official are responsible for forwarding the documentation cited in 743.422 and 743.423 to Field Human Resources for retention in the applicant tracking system as part of the vacancy package.

Review committee members are responsible for maintaining the documentation cited in 743.423 and retaining it for 5 years (see 743.442).

The selecting official is responsible for creating a vacancy file for vacancies filled outside the applicant tracking system and retaining them for 5 years (see 743.442). The vacancy files include records that make it possible to demonstrate how established selection procedures have been followed.

##### **743.442 Retention Period**

*[Revise the text of 743.442 to read as follows:]*

Vacancy files are retained for 5 years.

#### **743.5 Roles of the Selecting Official and Review Committee**

##### **743.51 Selecting Official**

\* \* \* \* \*

*[Revise the text of 743.51d to read as follows:]*

- d. Ensures that selections are made in keeping with all applicable selection principles, including equal employment opportunity laws and the Postal Service Affirmative Employment Program.

#### **743.52 Review Committee**

##### **743.521 General**

*[Revise the text of 743.521 to read as follows:]*

If six or more applications are received, a review committee of at least three members must assess eligible applicants. (See 743.523 and 743.524 for review committee membership and restrictions.) If there are less than six applications, a review committee is not required. When assembling a review committee, the selecting official is responsible for:

- a. Selecting an inclusive and diverse group of committee members. The Postal Service values diversity in many forms, including individuals of differing gender identities, races, ethnicities, ages, and abilities.
- b. Ensuring the committee understands and adheres to the equal employment opportunity commitments of the Postal Service to provide an equitable competitive selection process.
- c. Selecting review committee members who have a reputation for being fair and objective and have demonstrated a commitment to the Postal Service's equal employment opportunity and diversity, equity, and inclusion principles.
- d. Seeking assistance from the Human Resources manager to identify available employees who meet the criteria for membership, if necessary.

##### **743.522 Function**

*[Revise the introductory text of 743.522 to read as follows:]*

The review committee's major functions are to:

\* \* \* \* \*

##### **743.523 Management Level of Members**

*[Revise the text of 743.523 to read as follows:]*

Review committee members must be nonbargaining employees at a level equal to or higher than that of the vacant position. The review committee chairperson must be at an equal or higher level than all other review committee members. For review committee membership, level is defined as the grade of the position the employee currently holds, not a saved grade, or a part-time or temporary level resulting from a temporary assignment (detail) or ad hoc assignment.

##### **743.524 Restrictions on Membership**

*[Revise the text of 743.524 to read as follows:]*

Restrictions on forming a review committee include the following:

- a. Neither the supervisor of the position to be filled nor any manager exercising authority over the supervisor,

up to and including the selecting official, may serve on the review committee or participate in its deliberations.

- b. Only Field Human Resources may approve exceptions to review committee membership. The reason(s) for the exception must be fully documented and placed in the vacancy file.
- c. Review committee members are prohibited from participating in the consideration or recommendation of a relative (as defined in Chapter 5). Each member is responsible for notifying the committee chairperson of the relationship. A member with such a relationship must be excused and replaced immediately.
- d. Each member must be certified by completing the required training course. See 743.41.

#### 743.525 Duties

*[Revise the text of 743.525 to read as follows:]*

The review committee's duties include:

- a. Reviewing and rating applications. Each committee member must independently determine if each applicant has demonstrated each requirement.
- b. Conducting interviews by web conferencing, telephone, or in person, as needed. Review committee interviews are not mandatory.
- c. Reviewing written samples of applicants' past work that demonstrate their abilities to perform requirements directly related to the vacant position. The only allowable attachments to applications submitted through the applicant tracking system are résumés and specific documents identified in the vacancy announcement (e.g., certifications, writing samples, and transcripts).

**Note:** The committee is prohibited from requiring applicants to:

- (1) Take a written test;
  - (2) Write a paper on a specified topic;
  - (3) Analyze and solve in writing a prescribed managerial or technical problem; or
  - (4) Undergo any other kind of written examination.
- d. Recording consensus ratings for each eligible applicant on one PS Form 5957, *Requirement-by-Applicant Matrix*. The chairperson is responsible for ensuring that PS Form 5957 and related notes are included in the vacancy file (see 743.44).
  - e. Recommending the number of qualified applicants who best meet the position requirements, requested by the selecting official.

#### 743.526 Procedures

*[Revise the text of 743.526 to read as follows:]*

The following applies:

- a. The selecting official designates the review committee and ensures that each committee member has taken the required training (see 743.41) or will take the required training before evaluating applicants. The selecting official and the review committee may discuss how filling the vacant position will support business objectives.
- b. Delays in completing selection activity must be avoided. Generally, the review committee should complete its activities within 7 days and the selecting official should complete activities within 5 days.

#### 743.53 Selection of Applicants

*[Revise the text of 743.53 to read as follows:]*

The selecting official, with or without the assistance of a review committee, identifies the applicant whose KSAs best meet the position requirements and who has a high probability of successful performance in the position. Documentation responsibilities are described in 743.42.

- a. If a review committee was used, and the committee:
  - (1) Did not interview the recommended applicants, the selecting official must personally interview each applicant before making a selection.
  - (2) Did interview the recommended applicants, the selecting official may:
    - (a) Interview them again before making a selection; or
    - (b) Select a candidate based on the review committee's recommendations without conducting additional interviews. For externally posted vacancies, the selecting official must use the Rule of Three when making selections (see 624).
- b. If a review committee was not used, the responsibilities of the selecting official depend on whether the vacancy is being filled internally or externally, as follows:
  - (1) Internal:
    - (a) Review and rate the applications.
    - (b) Determine which applicants meet the minimum requirements, documenting ratings on PS Form 5957.
    - (c) Interview all minimally qualified applicants before making a selection.
  - (2) External:
    - (a) Review and rate the applications.

- (b) Do one of the following:
  - (i) Document ratings on PS Form 5957 based on the application review, interview in applicant-rank order, and make a selection, using the Rule of Three (see 624); or
  - (ii) Interview all applicants, in applicant-rank order, document ratings on PS Form 5957, and make a selection, using the Rule of Three (see 624).

**743.6 Selection Approval**

\* \* \* \* \*

*[Revise the last paragraph of 743.6 to read as follows:]*

**Exception:** Clerical positions (e.g., administrative assistant) reporting directly to a PCES manager do not require higher-level approval.

**744 Implementing the Selection**

**744.1 Effective Dates**

*[Revise the text of 744.1 to read as follows:]*

The gaining and losing organizations must coordinate the employee’s effective position end and start dates to ensure appropriate coverage.

**744.2 Transition**

*[Revise the text of 744.2 to read as follows:]*

Whenever possible, the gaining manager and the successful applicant should meet to share expectations and concerns, and to assist with an effective transition to the new position. The selecting official should introduce newly hired employees to the workforce whenever practical and manage the probation period as described in 584.

**744.3 Postmaster Installation**

*[Revise the last sentence of 744.3 to read as follows:]*

\*\*\*Activities may include scheduled group meetings with community members, open houses, product presentations, and receptions.

(See *Administrative Support Manual [ASM]* 333.5, “Open Houses, Tours, and Postmaster Installations.”)

*[Revise the title and text of 744.4 to read as follows:]*

**744.4 Background Screening**

When a higher-level background investigation or security clearance is required for a nonbargaining position, the manager of the vacancy is responsible for initiating the process for the selected individual (see ASM 272).

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

### Changes

APO/FPO/DPO	Action	Effective Date	See Restrictions
APO AE 09044	Add E	04/04/2023	B-C-C2-D-E-F-F3-H-R-S-U
APO AP 96351	Remove T	03/27/2023	B-C-C2-F-F1-F2-F3-H-M-R-S-Z1

We have eliminated “Not Active” entries from the table below to save space and paper.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds. Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

*Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

## Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

On May 19, 2023, in Wall, SD, the United States Postal Service® will issue the *Endangered Species* stamps (Forever® priced at the First-Class Mail® rate) in 20 designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 483800). These stamps will go on sale nationwide May 19, 2023, and must not be sold or canceled before the first-day-of-issue. **The *Endangered Species* commemorative pane of 20 stamps must not be split and the stamps must not be sold individually.**

Featuring 20 different endangered animals, these 20 stamps pay tribute to the Endangered Species Act and mark the 50th anniversary of the legislation. The stamp art showcases photographs of endangered animals found within the 50 states and American territories and possessions, as well as two North American species living near U.S. borders. The images are among more than 13,000 in photographer Joel Sartore's "Photo Ark," his project to document as many animal species as possible. Art director Derry Noyes designed the stamps with Sartore's existing photographs.

**Availability to Post Offices: Item 483800, Endangered Species (Forever Priced at the First-Class Mail Rate), Pane of 20 Stamps**

Stamp Fulfillment Services will not make an automatic push distribution to Post Offices. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web at [sfsweb.usps.gov/sfsweb](https://sfsweb.usps.gov/sfsweb).

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

### How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

#### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

#### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

## Transportation Strategy

### Use the Preferred Fueling Network to Buy the Lowest Cost Fuel

Since fuel consumption is a major concern for the Postal Service™, delivery drivers must purchase regular unleaded and low-grade diesel fuel through the Postal Service's Preferred Fueling Network (PFN). This will help our organization reduce the overall fleet spend.

The Postal Service routinely updates its PFN agreements, so participating locations may change. Currently, the PFN includes 33 brands with over 20,000 locations that provide discounts for the Postal Service fleet:

- 7-Eleven.
- Casey's.
- Circle K.
- Cumberland Farms and EG Group.
- Holiday Station stores.

- Lukoil.
- Mac's Convenience stores.
- Ramos Oil (California).
- Sheetz.
- Wawa.

PFN brand locations are listed in the Freedom of Information Act Library. For more information, visit [about.usps.com/who/legal/foia/library.htm](https://about.usps.com/who/legal/foia/library.htm) and click one of the links for "Preferred Fuel Network (PFN) Locations" under *Transportation Strategy*.

For inquiries about the PFN or local fuel retailers, send an email to [USPSPreferredFuelingNetwork@usps.gov](mailto:USPSPreferredFuelingNetwork@usps.gov).
