# Cover Story

NCPW: The Postal Inspection Service reminds you to ask, “Do You Know Who You’re Talking To?”

As part of National Consumer Protection Week (NCPW), from March 2–8, 2025, postal inspectors are reminding consumers: Beware of the person on the other end of that digital communication — they might not be who they claim to be.

The United States Postal Inspection Service® works with the Federal Trade Commission (FTC) during each annual NCPW campaign to help consumers understand their rights and avoid fraud and scams.

During the 2025 NCPW campaign, the Inspection Service and the FTC will warn consumers about “imposter scams,” designed to steal money and identity. Each of the four types of imposter scams starts with messages like, “I’m in trouble...,” “I need...,” “You’ve won!” or “I have a great offer for you!” These scammers lull consumers into a false sense of trust, gain access to privileged information, and then drain financial accounts.

But you don’t have to be a victim. If you recognize a scam, you can stop a scam.

Beware of the following four types of scams:

## 1. Investment Scams

Investment opportunities or “get rich quick” schemes are a favorite of fraudsters. Whether they sell bogus securities or commodities, oil wells, or gold coins, these fraudulent promoters try to get you to invest your money — and lots of it.

Even smart investors can fall for a well-orchestrated investment scam. Take the Ponzi scheme, for example. Named for Charles Ponzi, who in the early 1900s duped 30,000 Americans out of an estimated \$10 million. Ponzi schemes rely on money from new investors to pay the promised returns, rather than any actual profit. Inevitably, the earnings are less than the payments, the scheme fails, and the investors lose money.

Oil and gas production and gold coin scams are other types of investment fraud. These scams use telephone solicitors and high-pressure sales tactics that promise high profits. All of these “get rich quick” schemes have one thing in common: You won’t get your money back.

### PROTECT YOURSELF

To protect yourself from investment scams, do the following:

- **Do your research.**
  - Independently verify promises of profitability. Never invest solely on what you read in one source of information. Check out the reputation of any company with the Better Business Bureau or your state’s Office of the Attorney General.
- **Watch out for high-pressure sales pitches.**
  - That “once in a lifetime” chance is probably too good to be true.
- **Remember, there are no guarantees.**
  - Investing in oil, gas, or gold can be risky, and return on a legitimate investment is never promised.

## 2. Grandparent Scams

Have you ever received a frantic call from someone posing as your grandchild? Scammers will call or email grandparents and, while pretending to be their grandchild, make urgent requests for the following:

- Bail money,
- Lawyer’s fees,
- Hospital bills, or
- Other fictitious expenses.

To make the story seem plausible, the scammer will add details about how, what, or where the emergency happened, or tell you that a third person, such as a lawyer, doctor, or police officer, will “explain everything to you” if you call him or her. Once the money is sent, the scammers bolt, and the grandparent loses hundreds, even thousands of dollars.

#### PROTECT YOURSELF

To protect yourself from these types of scams, do the following:

- **Verify the story before sending money.**
  - Before sending any money, verify the details of the story with the relative that the scam artist is claiming to be.
- **Be suspicious of urgent requests.**
  - The scammers’ preferred methods of payment are wire transfers or reloadable prepaid credit cards. Be suspicious of any urgent requests to wire money or provide credit card numbers over the phone.
- **Be wary of late-night calls.**
  - Remember, scammers may call late at night to confuse their potential victims.
- **Think before acting.**
  - Don’t be quick to act; be quick to think.

### 3. Romance Scams

Unfortunately, the Internet, social media, and dating websites are perfect for tricking susceptible consumers into romantic relationships. Anyone who is socially isolated is susceptible to this scam. Scammers will pretend to be interested in an unwitting person and, after building a rapport, ask them to send money or to cash a check or money order. Often, the scammers create urgency by claiming to have a medical emergency or promising to come to the U.S. to be with that person—just as long as a check or money order is sent to cover expenses. None of their stories are true.

#### PROTECT YOURSELF

Do the following to protect yourself from romance scams:

- **With any Internet-based relationship, keep your personal details to yourself.**
  - Next, do a quick Google search of the other person’s name and the town they claim to be living in.
  - From there, proceed slowly and look for any inconsistencies in the other person’s profile and the information they share.

- **Keep conversations on an official dating site’s platform.**
  - Apply the brakes if your new friend pushes to take the conversation to private email.
- **If your new love interest begins to ask for money to visit you, or for any emergent need: Stop.**
  - This is a red flag that you may have encountered a romance scammer.

### 4. Foreign Lottery and Sweepstakes Offers

*You’ve Won!* A familiar phrase, filled with excitement. However, that joy will be short-lived if you fall victim to a lottery or sweepstakes scam. Lottery and sweepstakes offers are designed to pull you in with the excitement of a “big win,” but all these offers are worth nothing more than the ink on the paper you received in the mail, or the time you spent on the phone with the scammer. If you have to pay to play, it’s a scam.

#### PROTECT YOURSELF

Do the following to protect yourself from foreign lottery and sweepstakes offers:

- **Never pay to win.**
  - A sweepstakes contest you pay to enter is considered an illegal sweepstakes. Don’t pay to enter or to win.
- **Avoid foreign sweepstakes.**
  - If a lottery or sweepstakes is based in another country and conducted through the mail, it’s illegal.
- **Don’t give out financial information.**
  - Never give out personal financial information such as bank accounts or credit card numbers to enter a sweepstakes contest.
- **Don’t feel pressured.**
  - Take your time when deciding to enter a contest, making a purchase, or giving a donation.

Remembering these tips will help you identify a scammer and put a stop to their web of lies. For more information on fraud prevention and tips, go to [uspis.gov/ncpw-2025](https://uspis.gov/ncpw-2025).

### DMM Revision: Connect Local Mail as Permanent Product

Effective April 7, 2025, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, in various sections, to reflect that the Postal Service has added Connect Local Mail as a permanent market-dominant product.

On October 3, 2024, the Postal Service filed a request with the Postal Regulatory Commission (PRC) to add Connect Local Mail as a new product to the market-dominant product list based on Connect Local Mail market test results since January 9, 2022.

On December 23, 2024, the PRC found that the experimental product Connect Local Mail would become a permanent market-dominant product, as proposed by the Postal Service, to become effective January 1, 2025. Related documents are available under Docket No. MC2025-19 on the PRC website at [prc.gov](http://prc.gov).

Although the Postal Service will not publish these revisions in the DMM until April 7, 2025, the standards are effective immediately.

## IMM Revision: International Return Receipt

Effective January 1, 2025, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* to reflect changes to international Return Receipt as established by the Universal Postal Union. The Postal Service made similar revisions to Notice 123, *Price List*, available on Postal Explorer® at [pe.usps.com](https://pe.usps.com).

In Order No. 8179 issued on December 2, 2024, in Postal Regulatory Commission (PRC) Docket No. MC2025-58, the PRC favorably concluded that the termination of international Return Receipt as an extra service for Priority Mail International service and First-Class Package International Service may go into effect on January 1, 2025. However, international Return Receipt will continue to be available for First-Class Mail International letters and flats when Registered Mail is purchased as an extra service. The order is available on the PRC website at [prc.gov](https://prc.gov).

These IMM revisions implement changes associated with the termination of international Return Receipt as an extra service for the following:

- Priority Mail International® Service.
- First-Class Package International Service®.
- Retention for First-Class Mail International® Service when used with international Registered Mail® Service.

## Finance

### Federal Taxation Percentage Rate for Supplemental Wages

Postal Service™ employees are reminded that the percentages used to tax supplemental wages are different from the “normal” taxation percentages. Supplemental wages may include, but are not limited to the following:

- Annual leave exchange.
- Pay for performance.
- Back-pay awards.
- Prizes.
- Terminal leave.
- Severance pay.

Effective January 1, 2025, the American Jobs Creation Act of 2004 and Section 31.3402(g)-1 of IRS regulations created a 2-tiered taxation rate for supplemental wages.

These regulations apply to all supplemental payments received by USPS® employees in the United States, and U.S. territories.

Current regulations provide taxation of supplemental wages up to a total of 1 million dollars within a calendar year at a *mandatory* withholding rate of 22 percent. These regulations remain in effect until Congress and the IRS change the taxation percentages.

State and local supplemental tax rates are also applicable if a supplemental rate exists. The state or locality determines the rate, and the rate may change every year.

— Payroll,  
Controller, 2-20-25

## IRS Reporting Requirements of Attorney Fees, Back Pay, or Wages

The purpose of this notice is to ensure that employees are aware of the Internal Revenue Service (IRS) income reporting requirements when attorney fees are awarded.

In 2005, the IRS issued regulations that changed the manner in which attorney fee awards are to be treated for tax reporting purposes, based upon the Supreme Court's decision in *Commissioner v. Banks*, 125 S. Ct. 826 (2005). Previously, when payment of attorney fees was made directly to the attorney, the payment was only reported on the attorney's Form 1099-MISC, *Miscellaneous Income*.

In *Commissioner v. Banks*, the Supreme Court held that when a litigant's recovery constitutes income, the litigant's income includes the portion of the recovery paid to the attorney as a contingent fee. Thus, pursuant to Internal Revenue Code (IRC) section 6041(a) and 6045(f), these fees cannot be excluded from the plaintiff's gross income for tax reporting purposes.

The following situations require variations in the reporting requirements:

- *Attorney Fees Paid Directly to an Attorney* — These fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. These fees will also be reported on the attorney's Form 1099-MISC.
- *Settlement (no back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The entire amount of the settlement (including attorney fees) will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The back pay or wages portion of the settlement is subject to income and FICA tax withholdings. The back pay or wages portion will be reported on the employee's Form W-2. The identified attorney fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are not Identified* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The employee's attorney will not be issued a Form 1099-MISC.

## Information Security

### Mandatory Mobile Device Security Biennial Course — Deadline is April 14

Threats to digital information are growing in frequency and sophistication worldwide. Protecting USPS® employee, customer, and supplier data from these threats is a priority for the Postal Service™. Everyone has a role to play in protecting Postal Service data.

Employees and contractors who have USPS-issued mobile devices can do their part in protecting critical Postal Service data by completing the mandatory, biennial Mobile Device Security course.

#### Course Availability

The course will be available in learning plans on February 18, 2025. Employees and contractors who have USPS-issued smart mobile devices can access the course now at [usps.csod.com/LMS/catalog/Welcome.aspx](https://usps.csod.com/LMS/catalog/Welcome.aspx). You must complete the course by **April 14, 2025**.

By taking the Mobile Device Security training course, employees and contractors will learn the following:

- Proper security measures to be taken when using their USPS-issued smart mobile devices, such as cellular phones and tablets.
- Policy information.
- Best practices.
- Tools to help in securing their devices.

#### Test-Out of Course Option

The Mobile Device Security training course offers you the option to “test out” of the entire course. The course contains a pre-test that covers the topics in the training. You must receive a score of 80 percent or higher to pass the pre-test. If you pass the pre-test, then you have tested out so you will receive credit and do not need to take the full course. If you do not test-out, you must take the full course, pass the end-of-course assessment, and complete the course acknowledgement to receive credit for the course.

Employees and contractors who do not meet the April 14, 2025, deadline will have limited mobile device access (quarantined) until they complete the course.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

*Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

## Stamp Services

### Stamp Announcement 25-11: Betty White Stamp

© 2024 USPS

On March 27, 2025, in Los Angeles, CA, the United States Postal Service® will issue the *Betty White* stamp (Forever® priced at the First-Class Mail® rate), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 486600). This stamp will go on sale nationwide March 27, 2025, and must not be sold or canceled before the first-day-of-issue.

This stamp honors actor, TV personality, and animal advocate Betty White (1922–2021), whose television appearances spanned the history of the medium and delighted generations of fans. The stamp illustration, digitally created by Dale Stephanos, is based on a photograph taken by Kwaku Alston in 2010. Art director Greg Breeding designed the stamp.

#### Availability to Post Offices: Item 486600, Betty White (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

Stamp Fulfillment Services will make an automatic push distribution to Post Offices of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution are available by logging on to SFS Web at [sfsweb.usps.gov/sfsweb](https://sfsweb.usps.gov/sfsweb). Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web; offices must also check the amount they will receive on their automatic push distribution.

#### Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Betty White* stamp. The word “Station” or the abbreviation “STA” is required somewhere in the design because it will be a temporary station. Use of any image other than the following special pictorial image is prohibited.

#### Guidelines for Finalizing Betty White Stamp Pictorial Postmark Art

To finalize the *Betty White* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1 inch.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to [blue.usps.gov/formmgmt/forms/ps413.pdf](https://blue.usps.gov/formmgmt/forms/ps413.pdf).

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office® station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office®, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
 USPS Stamp Fulfillment Services  
 8300 NE Underground Drive, Suite 300  
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
 USPS Stamp Fulfillment Services  
 8300 NE Underground Drive, Suite 300  
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Only during your return cycle may you submit items according to local established procedures, under the guidelines in Handbook F-101, *Field Accounting Procedures*, and subchapter 11-6, "Returning Stock to SFS."
