USPS Vehicle Safety Week – August 22-28, 2026

“Safety is Driven by You.”

Countless employees operate vehicles and powered equipment for the Postal Service™ every single day. Whether a carrier in a delivery office, a mail handler in a processing facility, or a logistics employee transporting mail, safe vehicle operation is essential to our daily operations and the success of the Postal Service.

Safe driving protects not only the organization and the people we serve, but most importantly, you and your coworkers. Every decision you make behind the wheel, in a facility, or on the road puts safety into action. Safety is driven by you!

Information for All USPS Drivers

Driving Safety Tips for Employees – Preventing Vehicle Incidents on the Job

Drivers are responsible for the safe operation of any vehicle they drive during the performance of their duties.

Protect yourself by following these tips:

- Only authorized and trained personnel may operate postal vehicles.
- You must have in your possession a valid state driver's license when operating a postal motor vehicle or any motor vehicle when on Postal Service business.
- Obey all state and local traffic laws, and Postal Service regulations when driving any postal vehicle.
- Defensive driving is the best way to prevent vehicle accidents because it involves both the desire and the ability of a driver to control accident-provoking situations.

You are expected to drive all postal vehicles in a dependable, efficient, safe, and courteous manner.

Do the following to stay aware of your surroundings to drive safely:

- Stay alert at all times.
- Don't use devices that could diminish your ability to be aware of your surroundings, and cause distractions while operating a motor vehicle.
- Adjust for various weather or road conditions and remember, the situation can change rapidly due to sudden weather changes or road features.
- Always drive at a safe speed. Never exceed the speed limit.

- Move your vehicle only when you are absolutely certain that it is safe to do so, especially if children may be nearby.
- Scan the roadway. Keep your eyes moving and view the road as a whole. Look ahead and expect the unexpected.
- Always maintain a safe stopping distance.

Motor Vehicle Safety Includes Powered Equipment, Including Forklift Operation

The ability to drive a car or truck does not qualify you to operate a forklift or other pieces of powered industrial equipment. Each type of equipment operates differently and requires specific skills, training, and authorization.

Forklifts present unique hazards because they handle heavy loads, have a different turning radius, cannot stop as quickly, and can tip over more easily. Unsafe forklift operation can cause it to tip over, the load to collapse, or could result in bystanders being struck by the machine, the forks, or the load. Powered industrial vehicle (PIV) operators must be properly trained, evaluated, and authorized to operate the type of vehicle they will be using.

The vehicle must be maintained in a safe operating condition and must be inspected by the operator before each operational tour.

Powered Industrial Vehicle Safety Reminders:

- Use your inspection checklist before operating the powered industrial vehicle to determine if it is in good working order and safe to operate. If it is not, remove it from service until it can be repaired.
- Observe the speed limits and slow down for corners, rough or sloping surfaces, and large loads. Honk the horn at intersections.
- Maintain awareness of your surroundings and keep travel paths clear. Report, spills, obstructions, or unsafe conditions immediately.
- When backing up, look in the direction of travel. Constantly scan the area for pedestrians or objects and proceed very slowly.
- Always stay within marked travel lanes and aisles, and slow down and use the horn to alert pedestrians when you travel across any marked or customary pedestrian traffic lanes.
- Use extreme caution around the edges of loading docks. The bridge plate must be secure before driving onto the truck you are loading or unloading.

Forklift Specific Reminders:

- To lift the load, insert the forks fully into the load before lifting. After slowly lifting the load, tilt it back so it will remain on the forks. Keep the forks low so you can see where you are going and to prevent tipping accidents. When the forklift is empty, the forks must be pointed downhill.
- Always wear a seatbelt.
- Stay inside the operator's cage: keep your head, arms, and legs inside, and never reach through the mast.
- When driving with a load, go forward up a slope, but back down the slope.

Safe vehicle operation involves many important practices, from staying focused and following safe driving techniques and procedures, to understanding the equipment you operate. One simple but critical action every driver can take is wearing a seat belt every time they drive. In a collision, a seat belt can be the difference between life and death. It helps keep you securely positioned and can reduce the risk of serious injury. Seat belts also help protect you during sudden stops or unexpected changes in vehicle movement.

Safe driving starts with the right knowledge, skills, and mindset. By changing attitudes about driving behavior and improving skills, the Postal Service can create and sustain a safety culture where everyone understands that their actions make a difference. "Safety is driven by you."

DMM Revision: Sexually Oriented Advertisements – Electronic Option to File PS Form 1500, *Application for Listing and/or Prohibitory Order*

Effective November 2, 2026, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), section 508.10.0, to add an electronic filing option for requests not to receive unsolicited sexually oriented advertisements in the mail.

Currently, the Postal Service only offers persons who do not want to receive unsolicited sexually oriented advertisements through the mail the right to invoke the protection of Section 3010 of Title 39 USC, which allows individuals to block unsolicited sexually oriented advertisements from their mailboxes, by completing and filing, with any postmaster or designated USPS representative, PS Form 1500, *Application for Listing and/or Prohibitory Order*.

The Postal Service is revising DMM section 508.10.0 to add an electronic option (preferred) for filing PS Form 1500 to invoke the protection of Section 3010. The electronic option for filing PS Form 1500 will be available at [USPS.com/soa](https://usps.com/soa).

Although this revision will not be published in the DMM until November 2, 2026, this standard will become effective October 1, 2026.

DMM Revision: Hazmat Handling and Noncompliance Fees

Effective November 2, 2026, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, in various sections, to reflect a change in the Postal Service assessment process for the Hazmat (Hazardous Materials) Noncompliance Fee, and the assessment of the Hazmat Handling Fee and Hazmat Noncompliance Fee for USPS Returns® service mailpieces.

Currently, the Hazmat Noncompliance Fee is assessed through the Package Quality Compliance validations process. On July 6, 2026, the Postal Service announced a change to this assessment process. Required Procedures for Used Batteries

Most batteries contain hazardous components and must not be disposed of in the trash. Non-alkaline batteries such as the following are typically regulated and are subject to strict waste management requirements:

- Lithium batteries;
- Lithium-ion batteries;
- Other dry cell batteries; and
- Sealed lead-acid batteries.

Regulated batteries also include spent or inoperable batteries from mobile scanners, phones, laptops, emergency lighting, and other electronic equipment. California also regulates alkaline batteries.

The following procedures are required for USPS® sites to ensure compliance with environmental regulations:

- Store regulated used batteries in closed containers that are properly labeled (e.g., “Waste Batteries” or “Used Batteries”).
- Send regulated used batteries offsite for recycling within 1 year of the start of accumulation.
- Recycle regulated used batteries using one of the following services provided by Cleanlites Recycling,

Inc. on eBay+ (see USA Lamp & Ballast Recycling, Inc. catalog):

- **Mailback services:** Use the appropriate Cleanlites “LampMaster” recycling kit based on battery type.
- **Direct or onsite pickup services:** Sites with large quantities of regulated used batteries can schedule a direct pickup.
- Maintain shipment and recycling records.
- **DO NOT** send used batteries to the Atlanta Mail Recovery Center, Ybor City Processing and Distribution Center (Tampa Logistics and Distribution Center), or Topeka Material Distribution Center.

Note: Large batteries, such as vehicle and forklift batteries, have different requirements.

For more information, refer to the Environmental Compliance Bulletin/Standard Work Instruction for Used Small Batteries at blue.usps.gov/sustainability/environmental/_pdf/waste/ecb-used-batteries.pdf or contact your USPS Environmental Specialist at blue.usps.gov/sustainability/regional-environmental-compliance-all.htm.

All requests for first-day-of-issue postmarks (Traditional or Digital Color Postmark) must be sent to the following address with the choice of Traditional or Digital Color Postmark identified. Traditional Black and White Postmarks

Customers may purchase new stamps at their local Post Office™ or at The Postal Store® website at store.usps.com/store/home. They must affix the stamps to envelopes of their choice, address envelopes (to themselves or others), and place them in a larger envelope and mail to the above address.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. There is a 5-cent charge for each additional postmark over 50.

Customers can also submit collectable paper items or memorabilia of their choice for a black and white cancellation provided that such items bear unused, corresponding postage stamps equal to or greater than the applicable First-Class Mail rate. The request must include packaging large enough to accommodate their canceled items along with sufficient postage affixed for the return of their postmarked item.

If the canceled item is not mailable by First-Class, and return packaging with postage is not provided, the order must include a way to contact the customer for payment. Payment for quantities greater than 50 cancels and/or postage for shipping must be submitted by check, money order, or credit card.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Digital color postmarks can only be affixed to paper products. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically)

by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers must affix the corresponding stamps (unused and equal to or greater than the applicable First-Class rate) to the envelopes and address them to themselves or others for return through the mail. Or they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

He wears a dashiki and kufi and carries a kikombe cha umoja, or unity cup; she wears a short-sleeved dress in similar colors and holds a wrapped zawadi, or gift. Traditional Black and White Postmarks

Customers may purchase new stamps at their local Post Office™ or at The Postal Store® website at store.usps.com/store/home. They must affix the stamps to envelopes of their choice, address envelopes (to themselves or others), and place them in a larger envelope and mail to the above address.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. There is a 5-cent charge for each additional postmark over 50.

Customers can also submit collectable paper items or memorabilia of their choice for a black and white cancellation provided that such items bear unused, corresponding postage stamps equal to or greater than the applicable First-Class Mail rate. The request must include packaging large enough to accommodate their canceled items along with sufficient postage affixed for the return of their postmarked item.

If the canceled item is not mailable by First-Class, and return packaging with postage is not provided, the order must include a way to contact the customer for payment. Payment for quantities greater than 50 cancels and/or postage for shipping must be submitted by check, money order, or credit card.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Digital color postmarks can only be affixed to paper products. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches

(vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers must affix the corresponding stamps (unused and equal to or greater than the applicable First-Class rate) to the envelopes and address them to themselves or others for return through the mail. Or they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal money orders.
2. Check that the proper security features are present:
 - For the legacy, green Postal Service money orders:
 - a. Green coloring at the top and bottom.
 - b. A U.S. Mail eagle logo in the center.
 - c. A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.
 - d. On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters “USPS®” weaves in and out of the paper.
 - e. Discoloration around the dollar amounts might indicate the amounts were changed.
 - For the new red and blue Postal Service money orders:
 - a. Red and blue ink with subtle design features of an eagle head and an American flag.
 - b. Two watermarks that are only visible when held up to a light source:
 1. A watermark of a Pony Express® rider.
 2. A watermark that reads “United States Postal Service” in a rectangular box.
 - c. A security thread that runs from the top to the bottom of the Postal Service money order, just

to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters “USPS” alternating right side up and upside down throughout the thread.

- d. A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.

- e. Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at usps.com/shop/money-orders.htm.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.
- You can also check the money order status at usps.com/shop/money-orders.htm. Go to “Check Money Order Status” and input the information.
- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mail-

ing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

We have eliminated “Not Active” entries from the table below to save space and paper.

Stamp Announcement 26-38: Hanukkah Stamp

© 2026 USPS

On September 29, 2026, in New Orleans, LA, the United States Postal Service® will issue the *Hanukkah* stamp (Forever® priced at the First-Class Mail® rate), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 582800). This stamp will go on sale nationwide September 29, 2026, and must not be sold or canceled before the first-day-of-issue.

With this new stamp, the Postal Service™ continues its long tradition of celebrating the joyous Jewish holiday of Hanukkah. The centerpiece of the stamp illustration is a dark blue dreidel featuring rust-colored Hebrew letters, set against a turquoise background. Framing the dreidel are decorative elements like flowers and foliage in light and dark orange, cream, and various shades of blue. Art director Antonio Alcalá designed the stamp with illustrator Lisa Perrin's original art.

Availability to Post Offices: Item 582800, Hanukkah (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

Stamp Fulfillment Services will make an automatic push distribution to Post Offices of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution will be available by logging on to SFS Web at sfsweb.usps.gov. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web; offices must also check the amount they will receive on their automatic push distribution.

How to Order the First-Day-of-Issue Postmark

The first-day-of-issue postmark is a postmark notating the day a stamp is first authorized for use by the Postal Service. Customers have 120 days to obtain the first-day-of-issue postmark by mail. All requests for first-day-of-issue postmarks (Traditional or Digital Color Postmark) must be sent to the following address with the choice of Traditional or Digital Color Postmark identified. All orders must be postmarked by January 29, 2027.

Traditional Black and White Postmarks

Customers may purchase new stamps at their local Post Office™ or at The Postal Store® website at store.usps.com/store/home. They must affix the stamps to envelopes of their choice, address envelopes (to themselves or others), and place them in a larger envelope and mail to the above address.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. There is a 5-cent charge for each additional postmark over 50.

Customers can also submit collectable paper items or memorabilia of their choice for a black and white cancellation provided that such items bear unused, corresponding postage stamps equal to or greater than the applicable First-Class Mail rate. The request must include packaging large enough to accommodate their canceled items along with sufficient postage affixed for the return of their postmarked item.

If the canceled item is not mailable by First-Class, and return packaging with postage is not provided, the order must include a way to contact the customer for payment. Payment for quantities greater than 50 cancels and/or postage for shipping must be submitted by check, money order, or credit card.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Digital color postmarks can only be affixed to paper products. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers must affix the corresponding stamps (unused and equal to or greater than the applicable First-Class rate) to the envelopes and address them to themselves or others for return through the mail. Or they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Stamp Announcement 26-39: Christmas Madonna and Child Stamp

© 2026 USPS

On October 2, 2026, in Williamstown, MA, the United States Postal Service® will issue the *Christmas Madonna and Child* stamp (Forever® priced at the First-Class Mail® rate), in one design, in a pressure-sensitive adhesive (PSA) double-sided booklet of 20 stamps (Item 686200). This stamp will go on sale nationwide October 2, 2026, and must not be sold or canceled before the first-day-of-issue.

To be sold in booklets of 20, this Christmas stamp features *The Virgin and Child Enthroned*, a Netherlandish painting that dates from around the year 1500 and was originally attributed to an unnamed artist known only as “The Master of the Embroidered Foliage.” Scholars now believe that the painting was created in a workshop by several artists and assistants, as was common practice at the time. The painting is in the collection of the Clark Art Institute in Williamstown, Massachusetts. Greg Breeding served as designer and art director.

Philatelic Product Update: Re-Introduction of Stamp Deck Cards

The United States Postal Service® is officially re-introducing Stamp Deck Cards as an available philatelic product beginning with the 2026 commemorative stamp program. While primarily structured to celebrate our commemorative offerings, the 2026 lineup will also include a curated selection of specific mail use stamp designs.

The deck cards are produced through Stamp Fulfillment Services (SFS) stock opening processes and are offered in limited quantities. The inventory of deck cards is continually managed to meet both mail order fulfillment and collector demand.

Determining Style Options via Customer Feedback

These philatelic items were recently showcased at the Boston 2026 World Expo, where the collector community provided essential feedback. Driven by customer enthusiasm and ordering trends observed during the event, the Postal Service™ has determined the long-term viability of each product format moving forward.

- Stamp Deck Cards with Digital Color Postmark (DCP): Demonstrated exceptional popularity and will expand to a permanent, program-wide offering.
- Plain Stamp Deck Cards (No Stamp or Cancellation): Met with limited interest and will be phased out following a final, limited run.

Stamp Deck Cards with Digital Color Postmark (DCP)

The Stamp Deck Card with Digital Color Postmark format will be offered beginning with all 2026 commemorative releases, alongside specific mail use stamp designs. To assist collectors with tracking their collections, the currently revealed 2026 lineup has been organized into the three availability segments below. (**Note:** *Not yet revealed or upcoming stamp issues will be officially listed in future editions of the Postal Bulletin as their designs are made public.*)

For stamp issues featuring multiple designs or images within a single pane or sheet, the following fulfillment policies apply:

- Stamp Attachment: Only one, randomly chosen stamp from the issue will be affixed to the deck card for cancellation. Customers may be able to request a specific stamp design through a custom order with an additional handling fee.
- Card Artwork: The deck card itself may not feature all images or designs from that multi-stamp release due to layout and spacing constraints.

The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.
